Sir,

Forms - Bill books - printed for Rs.6-8-0 for the Weaving
Section, Board Higher Elementary school, Puliyangudi -
Sanction requested -

The Headmaster, Board Higher Elementary School, Puliyangudi has
printed 6 bill books locally at a total cost of Rs.6-8-0. But in the contin-
gent bill for the same submitted by him, this amount was disallowed.

But now the Headmaster reports that since the miscellaneous receipt
books in L.F. 37 do not contain the required columns for the weaving section
sales, he has printed the same and requests that the amount spent may be -
sanctioned.

In as much as the Headmaster reports that the L.F. Form No. 37 does not contain the required columns suitable for the sales of the weaving section, I request you to kindly accord your sanction for printing the 6 bill books at a total cost of Rs.6-8-0 as a special case.

The use of Miscellaneous Receipt Books in L.F. Form No. 37 is sufficient for the purpose. Necessary information could have been entered in manuscript. In view of the smallness of the amount, the unauthorised local printing of the bill books by the Headmaster may be ratified as a special case and the President, District Board, informed that such irregularities should be avoided in future.
