Sub: Madras Government Products Sales Depot  
Shifting from Khaleel Mansions, Mount Road.

As you are aware, the present premises of the Madras Government Products Sales Depot in the Khaleel Mansions, Mount Road has been requisitioned for Military use by the Collector of Madras. The department has to vacate the present premises by the 15th April. I have been trying my best upto now to secure a suitable place for the Depot in the Mount Road area but my attempts have not been successful. I shall be glad therefore if you will kindly arrange to place at my disposal the front hall of the Government Press building in Mount Road which the Press is now occupying. I showed you in person last month the portion required for the Depot and also the place to which your Sale Office could be shifted in the same building.
