Submitted.

2. Variations between the sanctioned budget and the revised estimate, and the need for the provisions made in the Budget Estimate for 1945-46 are explained by the President. ¶8-10 infra

3. REVISED ESTIMATE - 1944-45.-

(i) The credit taken for Rs.6,072/- as Govt. grant under section 37 of the Act may be allowed to stand, subject to orders of Govt. sanctioning the grant.

(ii) The proposed expenditure under "Ordinary" exceeds the sanctioned budget and therefore requires the sanction of Government for the excess.

This is exclusive of Rs. [illegible] of dearness allowance of Rs.6300.

4. BUDGET ESTIMATE - 1945-46.-

(i) The credit taken for Rs.6,072/- as Govt. grant under section 37 of the Act is liable to revision with reference to the proceeds of Education Tax that may be collected and adjusted to the credit of the fund at the old rate during 1944-45.

(ii) The credit taken for Rs.7,408/- as compensation for loss of education tax should be reduced to Rs.7,087/- with reference to G.O.No.1266, L.A., dated 7-6-1944. Not put up

(iii) The recurring expenditure exceeds the receipts and the budget which opens with a 'nil' balance, is expected to close with a deficit of Rs.15,484. The Board may be advised to raise its contribution from the general funds and also to increase the rate of education tax. The payment of a grant towards the amount required for payment of dearness allowance may also be considered by Govt., and the deficit avoided.

(iv) The credit taken for Rs.8,600/- as Govt. grant for payment of dearness allowance may be allowed to stand, subject to the orders of Govt. with reference to para.(iii) above.

5. The accommodation provided for 20 schools (17 for boys and 3 for girls) is inadequate or unsuitable. The space available for gardening and play is inadequate in most of the boys' schools. There is no sanitary arrangement in 5 girls' schools.

6. Two girls' schools are reported to be in need of additional teachers. In view of the paucity of funds, superfluous posts, if any, in other schools may be abolished, and transferred to the needy schools.

7. As many as 31 schools (25 for boys and 6 for girls) are in need of additional supply of furniture and equipment. The provision made in the budget may be utilised in consultation with the Inspecting Officers on really urgent schemes only, for the present.

omit in copy

8. Time scales of pay are in force and dearness allowance and travelling allowances are paid. The District Educational Officer reports that leave on half average pay only is granted even to teachers eligible for the same on average pay. Attention of the President may in this connection be invited to G.O. 1321, Edn., dated 16-7-1940 and No.597, Edn., dated 22-4-1943.

Not put up

P.T.O.

9. The proposal of the District Board for the payment of a local allowance to all the teachers, as in the case of Govt. servants, is not supported as it has no funds to meet the expenditure involved, and as the sum cannot be granted as Govt. subsidy.

Budget Estimate – 1945-46 – Elementary

Edn. Fund – Dt. Board, the Nilgiris

p. 78 c/ The D.P.I. has forwarded with his remarks the revised estimate for 1944-45 and the budget estimate for 1945-46 of the E.E. Fund under the control of the Dt. Board, the Nilgiris. ~~The~~ estimates are examined below.

2. Revised Estimate – 1944-45

(1) Compensation in respect of ~~the~~ edn. tax on profession tax. On account of the restriction ~~placed~~ imposed by the Profession Tax Limitation Act of 1941, local bodies had to forego a portion of the income which they ~~derived~~ were deriving from the levy of profession tax and also from the levy of edn. tax on profession tax. The Govt. are compensating local bodies towards the loss of income ~~from~~ since 1942-43. The amount of compensation ~~payable was paid~~ for each local body was paid on a provisional basis during the two years 1942-43 & 1943-44. The actual ~~tt~~ amount due has recently been fixed & the necessary adjustments have also been ordered. So far as the Dt. Board, the Nilgiris, is concerned the compensation due ~~is~~ is Rs 7087 against Rs 7408 ⊛ paid in ~~the~~ each of the last two years. The credit ~~in the~~ revised estimate ~~is~~ represents the net ⊛ only, the will be drawn after adjustment this year.

7087

(2) Expenditure. The provision made

under ~~of~~ the main head "Contingencies & Equipment" exceeds the allotment in the sanctioned budget. The President may be asked to ~~will presumably~~ obtain the sanction of the D.B. ~~if the actual ex~~ to the excess expenditure as reqd. by the rules.

p 7 c.f.

S

3. Budget Estimate - 1945-46

(1) Compensation in respect of edn. tax on profession tax. The annual subsidy payable is only Rs 7087 against Rs 7408 ~~the credit~~ taken credit in the budget. ~~But~~ The credit may be reduced to Rs 7087 ~~accordingly~~.

p ante & para 4 (iii)
p 1 c.f.

S
6/1

(2) Contribution from the general fund

The minimum contribution payable from the general fund is Rs 11900. Provision for the payment of a contribution of Rs 45000 has been made in the budget as in 1944-45. But for the increased contribution ~~there~~ the deficit in the budget will be very large.

p 7 c.f.

(3) Subsidy for dearness allowance

There is ~~the~~ imperative necessity to sanction ~~an~~ a subsidy for dearness allowance larger than that taken credit for in the budget. This point is noted on in para 4 below.

(4) Charges. The need for the provision made under the several heads has been explained in the memorandum on pages 9-10 c.f.

4. The budget opens with a nil balance p 78 c.f. & closes with a deficit of Rs 15486 & the deficit is due to the fact that the Board has been put to an additional expenditure of Rs 28,664 (Rs 28664 plus Rs 5000) on

The reduced credit under compensation in respect of edn. tax on profession tax will increase the deficit to Rs 15807

D.2

17

on the grant of dearness & local allowances to teachers. The Board requests that the entire cost of dearness & local allowances ~~shd.~~ be met by the payment of a subsidy from Provl. funds. ~~of~~ With reference to G.O. 2819 L.A. d. 30.12.44 no Govt. subsidy is payable towards the local allowances. It seems ~~it~~ sufficient if the subsidy for dearness allowance is raised to Rs 8800 + 15807 or Rs 24607 so as to avoid a deficit in the budget. ~~Even then the subsidy will be well within the cost of dearness & local allowances of the subsidy~~ As the ~~present~~ rate of education tax is 14 pies in the rupee of ~~land revenue~~ it is not possible to increase it any further.

5. ~~[illegible]~~ L.A. Dept. may ~~for remarks~~ be requested to say whether the contribution from the general funds may be increased by Rs 24500/- otherwise a subsidy from Provincial funds will have to be given.

Edn Dept wants the remarks of this Dept on the question whether the Nilgiris Dt. Bd. can increase its contribution from the genl. Acct. to the Ele. Edn. Acct. by Rs 24,500. Provision has been made in the BE for 1945-46 for a contribution of Rs 45000 against the minimum contribution of Rs 11,900. The contribution in the sanctioned budget for 1944-45 is Rs 45,000, ~~the same as that~~ provided in the R E for 1944-45 ~~and~~ as well as in the BE for 1945-46. Provision has been made for this amount. ~~On a superficial examination of the genl. budget of the Nilgiris Dt Bd. it is observed that~~ The BE for 1945-46 as framed by the Dt Bd. ~~of the genl. acct.~~ under the genl. acct. only at the end of 1945-46 closes with a deficit of Rs 40292. From this it is apparent that the Dt. Bd. cannot afford to increase its contribution as proposed. For orders whether this may lie over pending detailed examination of the genl. budget of the Dt Bd. for 1945-46.

The Dt Bd can make

an additional contribution of Rs 24,500 from its genl to its Ely Edn Acct for 1945-46, if the Part II scheme for that year to pay Rs 74 lakhs to local bodies towards arrear toll compensation is carried out with the sanction of the Governor-General. This dt bd's share of the said sum of Rs 74 lakhs is about 1.44 lakhs. However, until the Provl Budget for 1945-46 is finally passed with the sanction of the Governor-General, no commitment can be made in the matter. No grant need be promised to the dt bd towards dearness allowance. The Bd may be informed with refce to the deficit in the E.E. Fd ~~f~~ budget for 1945-46, that the Govt have under consideration certain measures to augment the resources of local bodies and that orders in the matter will be issued early in 1945-46. The question of ~~increasing~~ asking the ~~dt~~ Dt Bd to increase the contribn to the E.E. Fd by Rs 24,500 may be considered early ~~in~~ in 1945-46.

There is no point ~~in~~ issuing orders on the budget now, deleting the credit taken for a subsidy from Govt. funds for dearness allowance & postponing the consideration of the question as to how the resulting deficit will be met, unless the LA Deptt. ~~can~~ now agree to the payment of an additional contribution from the general funds to the EE Fund. This Deptt will be able to definitely say whether they agree to the payment of an additional contribution from the general funds to the E.E. Fund only after the Provincial budget for 1945-46 is finally approved. Meanwhile E&PH may adopt one of the following two courses.

(1) orders may be passed on the Ele. Edn. budget, leaving a deficit and informing the Board that separate orders will be issued ~~only~~ early in 1945-46 as to how the deficit can be avoided, or

(2) ~~pass~~ orders may be passed on the Ele. Edn. budget in about the last week of March 1945, when the Provincial Budget for 1945-46 would have been finally approved and this dept would be able to express their views definitely about the addl contribn from genl fds.

Elementary Edn. Fund – grant of dearness allowance to teachers in elementary schools

The revised statement of receipts & charges for 1945-46 in the E.E. Fund account call for the following remarks:—

Receipts (1) Govt. contribution under section 3) of the E.E. Act. The Dt. Board is getting at present a contribution from Govt. funds in respect of Edn. tax realised at the rate of 4½ pies in the rupee of land revenue & it will not be benefitted by the recent G.O. granting ~~proposal to sanction~~ contribution up to the average rate (3¾ pies). The credit for an additional contribution of Rs 3330 sh. be deleted.

(2) ~~Gen~~ Contribution from the general fund. The Board proposes to raise the contribution from the general fund by Rs 10,000. L.A. will presumably not object to the increase in view of the additional resources now made available to Dt. Boards.

Charges. The expenditure originally budgetted for is Rs 1,14,706 (Rs 1,13,006 under ordinary & Rs 1700 under capital). The revised figures are slightly in excess of the original estimate ~~[illegible]~~ exclusive of the additional expenditure of Rs 14500 on the grant of dearness allowance to teachers. The revised charges may be accepted. The budget will close with a small deficit ~~balance~~ of Rs 41 even ~~[illegible]~~ if the additional contribution of Rs 10000 is retained. This deficit may be ~~off~~ avoided by effecting slight economies in expenditure.

Please see the note of the E&PH Dept on page 1 above. The General Fund budget of the Dt. Bd for 1945-46 as revised by govt. closes with a deficit of Rs 58629 under the General Account Ordinary after making provision for a contribution of Rs 45000 from the General Account to the Elementary Education Fund. In G.O No 711 Education, dated 4-5-45 this contribution has been raised to 69500. Revised with reference to this alteration and the actual opening balance on 1-4-45 the Budget Estimate for 1945-46 closes with a deficit of Rs 29385 against the prescribed minimum closing balance of Rs 7410. The District Board will be able to wipe off the above deficit and secure the minimum closing balance from the arrear toll compensation of Rs 1,44,099-9-0 sanctioned to the District Board in 1945-46. The District Board will have to incur an additional expenditure of Rs 11750 in the current year on account of the payment of dearness and war allowances at enhanced rates. The additional income that the District Board will get from the additional land cess of 6 pies and other sources (viz. net proceeds of entertainment tax and additional stamp duty) will be required to meet the above expenditure and also the increased expenditure on roads and for other development schemes. It may not therefore be possible for the District Board to increase the contribution to Elementary Education fund as proposed by the District Board.

The L.A. Dept. say that the contribution from the general funds cannot be increased as proposed by the Dt. Bd. Thus there will be a deficit of Rs 10041 in the E.E. Fund account of the Dt. Bd. at the end of 1945-46. The rate of edn. tax which is now being levied at 14 pies cannot, it appears, be enhanced further. In the circumstances it seems that a subsidy should be paid from Govt. funds towards this deficit. The file may be sent to the Finance Dept.

The case of the Nilgiris is special & the present formula of classifying Dts: as "well to do" or not applies.

14 pies tax produces less than ~~Rs 12~~ Rs 13,000 p.a.

Please see the letter from the P.D.B., Nilgiris, on pp 1-2 C.F. and the notes on pp 1-3 above

2 The financial position of the Nilgiris District Board (general account) as explained in the note of L.A. on p 2 above is as shown below:–

p 2 above

	Rs
(i) Deficit (anticipated) on 31.3.46	29,385
(ii) Minimum closing balance to be maintained by the Dt. Bd.	7,410.
(iii) Addl. expre. on account of payment of dearness & war allowances at enhanced rates.	11,750
Total [(i) + (ii) + (iii)]	48,545 (A)

Against the amount of Rs. 48,545 required as shown above the following addl. income will accrue to the Dt. Bd.:–

(a) Arrear toll compensation	1,44,100
(b) Additional land cess	4,000
(c) Other sources (not known)	X
Total [(a) + (b) + (c)] addl. income =	1,48,100 + X

It will be seen from the above statement that the additional income accruing to the Nilgiris Dt. Board in the current year will not only cover the additional expenditure anticipated but will also leave a surplus of nearly Rs 1 lakh.

148,100
48545
99545

3 The L.A. Dept. state that it will not be possible for the Dt. Board to increase the contribution to the E.E. Fund (by Rs 10000 as proposed by the Dt. Board) as the addl. income from the new sources refd. to will be required to meet the expenditure on ~~the~~ items (i) to (iii) in para 2 above and also increased expenditure on road and other development schemes. ~~In the circumstances,~~ E&P.H. therefore propose that a subsidy of Rs 10,041 should be paid from the Provincial funds.

of the Nilgiris Dt. Board as ~~now~~ disclosed above, it should be possible for the Dt. Board to pay an increased contribution to the E. E. fund to meet the deficit therein; as there will be a surplus of nearly Rs 1 lakh. E & P. H. may be requested to send the case again/ to L. A. for reconsideration.

ASSISTANT SECRETARY TO GOVERNMENT

Having regard to the addl. sources of income made available to the Dt. Bd. it is not clear why L.A. consider that it may not be possible for the Dt. Bd. to make an addl. contribution of Rs 10,000 from its General to E.E. fund account, especially when the Dt. Bd. itself proposes to make the addl. contribution. L.A. refer to "increased expenditure on roads and other development schemes." (over & above the provision already made in the Dt. Bd's budget.) Payment of dearness & war allowances at the rates prescribed by the Govt. should ~~be a first ch~~ have precedence over road & other development schemes. There is prima facie no case for a Govt. grant to cover the anticipated deficit in the Dt. Bd's E.E. fund. It should be met by a ~~lump~~ suitable contribution from the General fund of the Dt. Bd.

~~In view of 'A' of Finance Dept note on p 4 above it is for orders whether this dept may agree to make an additional contribution of Rs 10,000 from the Dt Bd's general to E. E. fund acct. over and above the provision already made in the Budget.~~

Vide p 2 ante

This Dept. did not previously agree to the proposal of the Dt. Bd. to make an additional contribution of Rs 10000 from the Gl. Acct. to the Ely. Edn. Acct. as it was considered at that time that the arrear toll compensation of Rs 144100 sanctioned to this Bd. in the current year could be utilised only for the purposes specified in para 4 (1) & (2) of G.O. No. 1048 L.A. of 11 5/45 and that the revenues which the Dt Bd. will get from other sources would be required for meeting the extra expre. involved in the payment of dearness & war allowances at enhanced rates and other items of expre. As it has since been decided that ~~dt bds~~ ~~dmt cs.~~ local bodies may be permitted to utilise the arrear toll compensation for meeting the deficit caused by the payment of dearness and war allowances at enhanced rates ~~this Dept may agree to the additional contribution~~ of Rs 10000 ~~proposed by this Dt. Bd. to the Ely. Edn. Acct.~~ the Dt. Bd. may not find it difficult to pay the additional contribution of Rs 10000 from the Gl. Acct. to the E.E. Acct., which it has proposed. In these circumstances the proposal for the additional contribution of Rs 10000 may now be agreed to in this Dept. and the file returned to E & P H.
