FINANCIAL ASSISTANCE TO EVACUEE STUDENT STUDYING AT COLLEGE.

Sir,

I beg to acknowledge, with grateful thanks, receipt of your endorsement of Proceedings of the Collector No. 8716/44-K4 dated the 27th October 1944 and submit, with reference to para 3 thereof, this as my application for the grant to me of financial assistance to enable me to educate my daughter B. Vilasavathi at the Government Arts College, Coimbatore.

2. My daughter has already been admitted into the First Year Intermediate Class in the Govt. College and I have had to pay a total sum of Rs. 118/13/- on her account as per details below :-

Admission and Term fees for the first term in 1944 :	Rs 71/2/-
Cost of books	Rs 47/11/-
	Rs 118/13/-

In addition to this sum of Rs. 118/13/- which was paid by me in July 1944 with sums drawn as loans from sympathetic friends, I have ~~this month~~ paid a further sum of Rs. 38/- in the first week of October 1944, being fees for the second term. I have thus paid so far a total sum of Rs. ~~Rs~~ 118/13/- plus 38/- or Rs. 156/13/-.

3. Government is already aware of my poor pecuniary circumstances and has very kindly ~~granted~~ agreed to bear the cost of education at the Brahmin Extension Middle School of my two sons. I need hardly, therefore, mention that it is impossible for me to bear the cost of education at the College of my daughter B. Vilasavathi. I cannot also perhaps too strongly emphasise the need for educating my daughter, who is the eldest of the three children now dependent on me, at the College and for giving her the necessary capacity to earn and to keep us all in fair comfort and free from want.

4. I might mention in this connection that for many months I was being paid Evacuee Allowance at the rate of Rs. 148/- and that for reasons unknown to me this sum was reduced by stages to the present amount of Rs. 100/-. I believe Government is also aware of my past income in Burma and of the absolute necessity for the allowance that is being granted to me. I have also separately some time in April of this year given to Government details of my monthly expenditure wherefrom it will be seen that it is very difficult for me to manage on the sum of Rs. 100/- that I am at present drawing. I have mentioned these facts only to prove to Government the need for assisting me financially to enable me to educate my daughter at the local College.

5. I should, therefore, feel very grateful if Government could be pleased to sanction the immediate payment to me of the sum of Rs.

Rs. 156/13/- (Rupees one hundred and fifty six and annas thirteen only) and to pass orders for the continued payment to me, as and when necessary, of the fees and cost of books etc.. in respect of my daughter's education at the College.

6. It would be very helpful to me if early orders are passed in my case as I am finding it very difficult to make both ends meet and to repay the loans which I have taken from my ~~friends~~ friends for admitting my daughter into the College in anticipation of Govt.'s aid. I have already sent the necessary receipts and vouchers and hope that Government will be pleased to sanction the aid asked for very early.

Thanking you in anticipation,

I beg to remain,
Sir,
Your most obedient servant,

V. B. Sankar

The pre-evacuation income of Sri V.B. Sastri was according to his statement between Rs. 400/- per mensem to Rs. 500/- per mensem, but it has not been proved. If his statement is true, his daughter would have undertaken the University Studies, had he remained in Burma. He has no property. The difference between his income in Burma and the maintenance allowance of Rs. 100/- per mensem here, should represent the deterioration in his financial circumstances on account of evacuation from Burma.

2. Sri V.B. Sastri was a news agent of 25 years standing at Rangoon, for 'The Hindu', 'The Dhinamani', Sunday Times, 'Swadesamitran' etc. papers. According to his statement his income from this business ranged from Rs.200/- to 250/- per mensem. He had no record to prove his income. No attempt was made to verify his income as in the absence of regular accounts, it would be impossible to gauge the income of a newsagent.
