Sir,

Sub:- Buildings - Rent free building - Board High School,
 Mettupalayam - Provision of a waiting room for girl
 Pupils - Expenditure.

The District Educational Officer, Coimbatore has in his annual inspection report of the Board High School, Mettupalayam remarked that the provision of a separate waiting room for girl students is an urgent necessity. The Head Master of the School has sent up a proposal to convert a portion of the verandah in the school as a waiting room measuring 22' x 7½' providing trellis work by Areca palm reapers at a cost of about Rs.125/- as a temporary measure. As per Government memo No.35492-B2. Education dated 10-1-1944, Government sanction is necessary for carrying out repairs to private buildings secured by the Board for housing secondary schools. I presume that this does not prevent such

such constructions of a temporary nature which do not touch structure. I request to be informed if my preemption is correct and if not the Government may be pleased to accord sanction for incurring an expenditure of Rs.150/-for the above construction.
