Through

The Director of Public Instruction, Madras.

Sir,

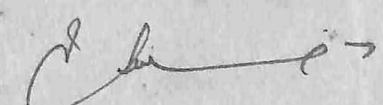

Ref:- Education-Secondary-Board Secondary Schools under the
Chingleput District Board-school fees-instalments-increase of
sanction requested.

The Deputy Inspector of Local Boards, Central Range, Vellore during his last inspection of this office observed that the expenditure on Secondary Education in 1943-44 was Rs. 51,607 as against the receipt of Rs. 42,404 and that this should be made self supporting by either cutting down the expenditure or by increasing the number of instalments of school fees from 8 to 9.

After a careful examination of the budget estimate, it is found that there is no possibility to further cut down the expenditure under Secondary Education.

Considering the slender finances, the District Board in its resolution No. 21 dated 28-10-44 (copy enclosed) has sanctioned the increase of the number of instalments of school fees from 8 to 9 from the school year 1945-46, subject to the approval of the Government.

I therefore request the Government may be pleased to approve the resolution of the Board.

President, District Board.
