From

Miss. A.E. Kochu B.Sc. L.T,
School Assistant,
Government Secondary & Training School,
for Mappila Women,
Tirur.

To

The Secretary, (Educational Branch),
Government of Madras.

Sir,

I beg to submit the following for the kind consideration of the Government and for favourable orders.

I am a school Assistant on probation in the Government Secondary and Training School at Tirur. I beg to submit that I am the only Mappila Lady graduate teacher in the above institution and I have passed my L.T. degree examination also. There is no other Mappila lady graduate with L.T. degree.

My period of probation as extended by the Director of Public Instruction is to expire by the end of March 1945. As I am fully engaged in my teaching work in the institution I had no opportunity of getting into touch with the administrative and office work or rules and regulations of the department which require that I should pass the Account Test Part I, before the expiry of the period of my probation. I very much regret that in these circumstances I have not been able to pass the account test, but, I have passed the other departmental examinations.

In view of the fact that I belong to the Mappila Community which is still very backward in education; particularly in the matter of women's education and in view of the fact that I am the only Mappila graduate with L.T. in the service. I pray that the Government may be pleased to

extend my period of probation for one more year within which I undertake to pass the prescribed Account Test Examination.

Tirur. X

I beg to remain,
Sir,
Your most obedient servant,

A. E. Kochu.

To avoid delay I am sending the petition directly to the Secretary to the Government of Madras; a copy of which is also sent through the proper channel.

From (Name) Dr. B. B. Dey, D.Sc. (Lond) F.R.I.C.

(Designation) Offg. Director of Public Instruction

To The Secretary to the Government of Madras,

EDUCATION & PUBLIC HEALTH Department.

Sir,

Miss A. E. Kochu B.Sc. (Zoology) L.T., a Mappillah lady is at present officiating as school Assistant in the Government Secondary and Training school for Mappillah women, Tirur. She was selected by the Public Service Commission, Madras in March 1942, for appointment as School Assistant and she commenced her probation in the category of school Assistant on 28.3.1942. At the time of her selection she did not pass the L.T. degree examination which she passed in March, 1943. She was on leave from 19.3.1943 to 10.4.1943 and she completed her probationary period of two years on 21.4.1944.

Under rules 7(b)(i) & (ii) of the old Madras Educational Subordinate Service rules, Miss A. E. Kochu should pass the Account Test for subordinate officers, Part I either within the period of probation or within the period of one year from the date of expiry of the prescribed period of probation. She appeared for the Account Test Examination of

twice but did not pass it. She was on sick leave from 27.9.1944 to 26.10.1944 and the extended period of one year allowed under the rules to pass the Account Test will, therefore, expire on 21.5.1945. She now requests that her probation may be extended for one more year to enable her to pass the Account Test.

3. In November last, the Public Service Commission Madras was requested to recruit from Mappilla women, for employment as School Assistants in the Government Secondary and Training school for Mappilla women, Tirur. In December the Commission advertised the vacancies and invited applications from Mappilla candidates but not even a single candidate was available for appointment as school Assistant. In the circumstances I feel that there is a strong case for continuing Miss A.E. Kochu in the department although she has not passed the Account Test. I, therefore, recommend that Miss A.E. Kochu may be granted a further extension of one year from 22.5.1945 to enable her to pass the Account Test examination.

I have the honour to be,
Sir,
Your most obedient servant,

Under section 24(5) of the G. of I. Act, 1935,
H.E. the Governor of Madras hereby relaxes rule 23-A
of the General Rules for the Madras Prob. and
Subordinate Services in favour of Miss A.E. Kochu
in order to permit of the extension of her probation
as school asst. for a further period of one year
from 22-5-45 ~~subject to the condition that the period~~
from 22-5-45 up to the date on which the officer will
be declared to have completed her probation satisfactorily
will not count for her next increment, but this will
not have the effect of postponing future increments after
she is declared to have completed her probation.

tional work. This temporary arrangement was continued from year to year until the end of the academic year 1933-34. Since that date the course has been temporarily suspended. (The special pay granted to Miss Park was abolished with effect from 1st April 1932 on the recommendation of the Retrenchment Committee.)

2. In the meanwhile, in November 1932 the Director of Public Instruction proposed that a full-time lecturer in 'Domestic Science' should be appointed. He also suggested that, as it was not likely that any one with the requisite qualifications would be available in India, an officer of the Educational department might be selected to undergo a course of training in Domestic Science in England. Owing to financial stringency, the proposal could not be accepted. The Director was however asked to bring forward the proposal as a Part II Scheme for 1934-35. The Director accordingly revived his proposal, but it was again postponed owing to financial stringency and the part-time arrangement was continued.

3. In 1936, the Director of Public Instruction again examined the question of making adequate arrangements for the teaching of Domestic Science in the College and in June 1936, he made the following report:—

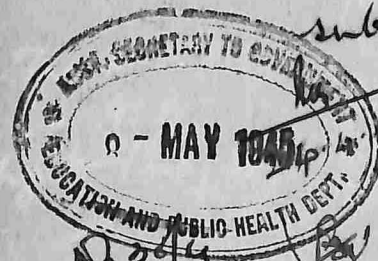

"I feel that it is undesirable in the interests of efficient work to combine the work of the Lady Willingdon Training College with that of the European Special Subjects Centre. It is not possible for the lecturer without undue strain, to discharge the duties of both institutions satisfactorily and I think that the Lecturer in Domestic Economy should confine her activities to the post for which she was recruited, and not make an attempt at doing two jobs, normally requiring the services of two persons. The need for a full-time lecturer in this subject for the Lady Willingdon Training College has been fully represented to Government. It is needless to emphasize that Domestic Science is a very important subject for girls, and that it is

Please see the D.P.D.'s letter on 16.3.45 CF.
In the circumstances stated by him, it is for order whether
the teacher's probation may be extended for another
year from 22.5.45. If so rule 23-A of the gl. rules
relating to Prvt. and Subordinate Services which require
that the extended period of probation shall terminate at
the latest when the probationer has, after the date of expiry
of the prescribed period of probation, completed one year
of duty, will have to be relaxed in her favour. On
such relaxation, the D.P.D., as the appointing
authority, will have to sanction the extension of
probation.

The Director of Public Instruction recommends that the Y.M.C.A. College of Physical Education, Saidapet, may be admitted to Government aid from 1942-43. Though the college has been in existence from 1920 it has not been paid any grant towards its recurring expenses. The Principal of the Institution is also part-time Adviser to Government on Physical Education; in consideration of the services rendered by him, the Government are paying a grant of Rs. 230 a month or Rs. 2,760 a year to the Y.M.C.A. The Government have also alienated, free of cost, 64.38 acres of land at Saidapet valued at 2.56 lakhs for the use of the College.

2. In support of the proposal to give a grant towards the cost of maintenance of the College, the Director of Public Instruction states as follows:—

"In 1939, I recommended to Government that the institution might be admitted to aid in consideration of the following facts:—

- That this institution with an all India reputation is the only one of its kind in the Province;
- that it had worked very satisfactorily for a number of years unaided by Government; and
- that its management found it difficult to continue to maintain it without Government aid. Government, however, declined to sanction teaching grant to the institution on account of financial stringency.

Last year the scheme was not submitted to Government, as they desired that only urgent and imperative schemes should be considered and submitted for their approval. This year, the Principal of the College has renewed his request for aid. He is doubtful whether the management which has been carrying a very heavy financial responsibility for a number of years in conducting the institution will be able to continue to bear the burden any longer. It will be a tragedy if the institution is forced to close down or have its activities curtailed for want of the necessary support from Government. In the above circumstances, I am of opinion that the time has come to sanction aid to this institution and I recommend strongly to Government to consider the scheme favourably and provide a sum of Rs. 2,912 under Part II of the Budget Estimates for the year 1942-43, based on the half net cost of the college."
