ENCLOSURES

SPARE COPIES

Subject:--Clothing - Ordinary - Free Supply - Peons attending on the Personal Assistant to -- the Surgeon-General with the Government - of Madras, and Principal Matron - Sanction requested.

At present the daffadar and two peons attending on the Surgeon-General are alone supplied with free clothing. But I consider that the peon attending on my Personal Assistant at the office should be provided with free clothing for the following reasons:--

The Personal Assistant cannot be considered as merely doing routine duties of the office in my absence as mentioned in Government Memorandum No.21161-Pen.1 Finance dated 22-8-33. For he too at times visits the City State Hospitals to know how they are administered. He also receives officers of this department distinguished visitors and non-officials of this and other Provinces almost daily, no matter whether I am in or out of Madras.

Therefore when these gentlemen call on the Personal Assistant I consider it essential that the peon who leads them to visitors' room and thence to Personal Assistant - should be decently and properly dressed befitting the -- dignity of this office which is the Head of the Medical Department in the Presidency.

In this connection it may be mentioned that the peons attending on the Assistant Directors of Public Health who are also supposed to be of the same rank as my Personal Assistant are supplied with white livery at the rate of two suits and a turban each per annum.

Government in their order No. Ms. 2670 Public Health Dated 25--6--41 have sanctioned the employment of a peon in the scale of Rs.12-17 with a Presidency allowance of -- Rs.2--8--0 per month, to work under the Principal Matron attached to the Surgeon-General's Office. The Principal Matron is a touring officer and has to inspect Hospitals and various Nurses' Training centres in the Presidency. As the peon has to attend on her during the tour, it is highly necessary that the peon should be supplied with white livery to be in keeping with the status of the office going on tour.

It is therefore requested that Government will kindly revise the orders passed in their memorandum No. 48550-A-1 Dated 8-11-40 of Education and Public Health Department and sanction free supply of white clothing to the peon attending on Personal Assistant at the office and also to the peon attending on the Principal Matron at the rate of two suits and one turban each per annum.

2.The question of supply of clothing to the peons attending on the Personal Assistant was twice considered before and the request of the Surgeon General was negatived in Finance Memorandum No.21161 Pen-1 dated 22-8-33 and Education & Public Health Department Memo.No.48550-A-1 dated 28th November 1940. In view of the previous orders of Government on the subject I have no remarks to offer.

3.Sanction may be accorded for the supply to the peon of the Principal Matron in the Surgeon General's Office as under:

2 White drill suits	)	
1 Red Turban with yellow border.	)	1 year.

The scale is in accordance with that prescribed for similar class of menials employed in the Matron's Office, General Hospital, Madras.

p 1 ault

The supply of clothing to the peons attending on the Assistant Director of Public Health appears to have been made on the presumption that all the peons for whom clothing was claimed were attending on the Director. The Director thinks that the restrictions imposed in G.O.No.572 Ms. Fin., dated 2-9-1931 do not apply to the Assistant Directors as they are touring officers having jurisdiction throughout the Presidency. He will be informed that the supply will be discontinued in future unless Government order that the restrictions in G.O.No.572 Ms.Fin., dated 2-9-1931 do not apply to the officers who have touring work.
