Re.No.12185-44-B1, Saidapet, dated 4th December 1944.

From S.Ranganathan Esq., O.B.E., I.C.S.,
Collector of Chingleput District, Saidapet.

To The Secretary to the Government of Madras,
Education and Public Health Department, Fort St. George,
Madras.

Sir,
B.D. Sharma, a student of the I year Class of the Engineering College, Guindy has applied for financial assistance to prosecute his studies. The student states that he was studying in Canning College, Lucknow University, Lucknow during 1942-44, during which period, he was getting allowance at Rs. 60/- per mensem from the Local Government of the United Provinces.

2 The student's father, Mr. N.K. Chilkoti Sarma, was a businessman-- proprietor, Chilson's medical Hall, Burma, and is said to have been earning about Rs. 800/- per mensem. The applicant states that his father is a member of a joint family, that his income from the joint family is negligible and that his father and his family are now dependent upon a paternal uncle, R.D. Chilkotisarma, who is a pleader at Pittoragarh, Almorah. The student states that he is also being supported by his uncle now and that the latter finds it difficult to maintain him. He says that he has paid Rs. 544/- so far through his uncle, towards the College Expenses and that balance has yet to be paid. The student also adds that his father residing at Almorah is unemployed and that he is not in receipt of any maintenance allowance from Government.

3 The Principal, Engineering College, Guindy has recommended the application and has stated that the student is not in receipt of any scholarship.

4 The Student has now taken up Engineering Course. The letter from the Government of India No. F. 20/44E. (ii) dated 15-5-44 communicated in G.O. Ms. 867, dated 5-6-44 contemplates that evacee students who take up Medical or Engineering Course with effect from the academic year 1944-45, should not be considered eligible for financial assistance, unless the pre-evacuation resources of the student's parents were such that but for the evacuation, the students would have been given the course of education which they now desire to undertake. In this case, the applicant's father was holding a decent position in as much as he is said to have been earning about Rs. 800/- per mensem in Burma, as a business man. In view of the pre-evacuation status of the student's father, it may be considered that the student would have taken up this technical course in Burma if not for evacuation. If deemed fit, the sum of Rs. 784/- requested by the student may be sanctioned for the academic year 1944-45. A copy of the application from the student dated 12-10-44 is enclosed. I also submit in this connection that further details regarding the allowance of Rs. 60/- per mensem received by the student during 1942-44, while he was a student in the Canning College, Lucknow, may kindly be ascertained from the Government of United Provinces.

My father was a businessman in Northern Burma and since the evacuation has not been able to resume any such work as to enable him to finance my education.

Grant of financial assistance to
evacuee university students for
the academic year 1944-45 - Case
of Mr. B.D. Sharma - Rejected.

Sir,

With reference to your letter No. S.720-1-B-
Ldn, dated the 18th December 1944, on the
subject mentioned above, I am directed to say
that it appears that Mr. B.D. Sharma, son of
Mr. N.K. Chilkoti, had been in receipt of
non-repayable educational allowances for the
last two academic years, 1942-43 and 1943-44 during
which he was a student of the B.Sc. course
in the Lucknow University. As he appears to have
undertaken a fresh engineering course in the current
academic year after his graduation, the Government
of India regret that in accordance with the
terms laid down in the Department of Indians
Overseas letter No. F.20/44-1(ii), dated the 27th
April 1944, he is not eligible for assistance
under their scheme.

I have the honour to be,
Sir,
Your most obedient servant,
