SPARE COPIES

I have the honour to forward herewith a petition dated 4-6-45 for alteration of his date of birth from Sri V. Gopal, a compositor of this office who is due to retire from service on account of superannuation from 1-7-1945. Sri V. Gopal submitted to me an application dated 24-5-45 supported by a birth certificate from the Corporation of Madras (enclosed) for alteration of his date to 31-1-1893 from 1890 originally recorded in the service register and as certified by the District Surgeon at the time of his confirmation.

2. As there was no conclusive proof of his real age in the absence of further particulars viz.,

- (1) Certificate from the Corporation of Madras to prove that no child was born to Ethirajulu Naidu, his father between 1-7-1890 and 31-1-1893;

P.T.O.

-2-

- (2) The age furnished by him if he had sat for any Government Technical Examination;
- (3) The age furnished by him if he had insured his life in Life Insurance Co.,

and the application was submitted too late to admit of any investigation to my satisfaction I was not prepared to grant his request.

3. Under these circumstances and in view of the fact that he has already put in about 33 years of service and is eligible for full pension I am not for reopening the question of his age.
