Grant of financial assistance to
evacuee university students for the
academic year 1944-45 - Case of
Mr. A. Schwartz Davis -

Sir,

I am directed to forward a copy of
an endorsement dated the 13th October 1944
from the Administrative Officer, University
of Rangoon, on the subject mentioned above,
and to request that the Provincial Government's
recommendation in the case may kindly be
furnished to this Department at an early
date.

I have the honour to be,
Sir,

Your most obedient servant,

Addl. Deputy Secretary

MMV/23-10.

Endorsement.

Forwarded to the Secretary to the Govt. of India,
Department of Commonwealth Relations, New Delhi, for favourable
consideration.

13 NOV 1944

Sd/-

C.C. Beasley,

13/10/44.

Administrative Officer,
University of Rangoon.

Copy of letter dated the 25th Sept. 1944, from A. Schwartz Davis,
Room No. 259, 'I' Block, Engineering College Hostel, Guindy, Madras,
Saidapet P.O., to the Collector of Ramnad at Madura,
(through the Principal, College of Engineering, Guindy, Madras).

I hereby beg to be permitted to bring to your Honour's
notice the following few lines for favour of kind consideration.

After submitting a petition to your honour in June 1943,
I was granted a scholarship of Rs. 15/- per mensem, and the same was
paid to me for the period October 1943 to April 1944. No payment has
been made either for the previous session January 1943 to October
1943 - or for the present.

This stipend was granted on Professor Beasley's recommendation
in which he had said that a sum of fifteen or twenty rupees a month
will be sufficient. Hence the Govt. sanctioned the lower sum. Now
that there is a marked rise in prices all round, I beg to request
your honour to kindly recommend the higher value namely Rs. 20/- per
mensem, to the authorities concerned. To quote one good reason -
the mess rate for the non-vegetarian 'A' per day whereas the rate for
for 1944 is Re 1/4/3 per day an increase of over 25 per cent.

Taking the question of payment of this stipend for the
period January 1943 to Oct. 1943, I beg to state - Honoured Sir -
that payment was refused on the grounds that no scholarship was awarded,
except in special cases - for the academic year 1942-43. My case needs
special recommendation as I had paid the initial expenses (tuition fees,
advance for books and instruments, hostel fees, caution deposits, etc.)
by taking a loan of Rs. 200/- from a relative of mine - Mr. A. Deva
Irakan, c/o SP.M. Medical Mart, East Chetra Street, Madura - on the
assumption that the Govt. will grant me a refugee stipend, as told
by the previous Collector of Ramnad, Khan Bahadur Azmatullah Khan Sahib
Bahadur, B.A., when he came in the fall of 1942 on a tour of inspection
to the Court of the Special Deputy Collector, Manamadura, where I was
employed as a Copyist.

Furthermore, the academic year 1942-43 extended in our
college from July 1942 to January 1943 only, as the course of
instruction was intensified, and hence the next session namely January
1943 to October 1943, for which I request payment, does not come
within the period for which no scholarships are awarded.

Now that I have made the position clear for your Honour,
I beg to request you, Sir, to kindly help me by making the necessary
special recommendations so that I may receive payment and clear
all my dues as early as possible, for which act of kindness I shall
ever remain grateful.

Ref: Govt. Endt. 51688-1-B Edn. dated 10-11-44.

Aaron Schwartz Davis, the applicant who is a native
of Manamadurai and a student of the Engineering College Guindy
applied to me for financial assistance in 1943, as the amount of
Rs. 35/- per mensem which he receives from the Government of Burma
as Anglo Vernacular Collegiate scholarship was insufficient for
his college expenditure.

Under the instructions contained in paragraph 2
of Government of India letter No. F. 156-1-43-C.S. dated 4th
August 1943 if the Government of Burma are paying a stipend,
no further assistance should be given from the Government of India.

6
His petition was rejected as he receives financial assistance from the Government of Burma and as his father who is employed in the Evacuee Welfare Office at Simla on Rs.215/- p.m. has remitted Rs.140/- to him by two remittances for the past 7 months apart from the monthly remittance of Rs.100/- for the maintenance of the family. The petition dated 25th September 1944 said to have been submitted to this office through the Principal College of Engineering Guindy, has not been received so far. In the circumstances I do not recommend financial assistance to the petitioner. Government Endt. 51688-1B Edn. dated 10-11-44 with the original petition is enclosed.

 dated 2-3-45.

A. Schwartz Davis, the petitioner and a student of the
 Engineering College, Guindy, Madras is not a native of
 Manamadura, Sivaganga Taluk. The report of the Special
 Revenue Inspector for Evacuees, Sivaganga Taluk which is endor-
 sed by the Tahsildar reveals that the family was settled at
 Manamadura temporarily after evacuation from Burma, that the
 petitioner's native place is not known and that his father Mr.
 Aron has shifted the family in April 1944 from Manamadura to
 Simla. His father is employed in the Evacuee Welfare Office
 on Rs.215/- per mensem at Simla. In the above circumstances
 no member of the petitioner's family could be enquired and no
 information could be obtained regarding the pre-evacuation
 status of the student's father his income from profession and
 other sources and indications of remittances referred to in
 items 2 and 3 of the Government Memorandum cited above.
 The Revenue Inspector has enquired three outsiders viz.,

20.
--2--
Mr. Shanmugam Pillai, owner of the house in which the petitioner's family lived while at Manamadura (2) the Headman of the village and a neighbour (woman) of Mrs. Aron. He has reported that Mrs. Aron's family was in affluent circumstances at Manamadura and has not borrowed money from any body either for the maintenance of his family or for the education of his sons. As regards the petitioner's average monthly college expenses and the value of the scholarship that he now gets from the Government of Burma, the authorities concerned may kindly be referred to as no information is available here.

2. The petitioner has stated in paragraph 4 of his petition that he had paid the initial expenses i.e., tuition fees etc by taking a loan of Rs.200/- from his relative Mr. A. Deva Irakam c/o S.P.M. Medical Mart, East Chitral Street, Madura. In order to ascertain the truth of the statement the Tahsildar, Madura was asked to enquire and report on the point on 16-1-45. He has not yet submitted his report in spite of 2 reminders dated 7-2-45 and 20-2-45. A D.O. reminder is issued to him to day for urgent submission of his report. I shall send my further report on the question of the petitioner's indebtedness on hearing from the Tahsildar, Madura. Government Memorandum No.51688-2-B dated 4th December 1944 is enclosed.

 I and my sons of my village are getting cured the diseases
 of my cattle from Dr. V. Srinivasulu Chowdary of Angalur some 10
 years. I never saw such an Ayurvedic Veterinary dispensary
 which was running on pure Ayurvedic lines in the Andhra Desa.
 He has cured a number of diseases which no English Veterinary
 could do. I was present there when the Veterinary Director
 has inspected his Veterinary dispensary. I and the ryots who
 were then with me at that time requested the Director -
 Veterinary services to approve this Veterinary dispensary as it
 has been rendering immense use to the ryots at large. The
 Director of Veterinary services patiently heard our words
 and nodded his head, but it seems that he did/what he has
 spoken to us at that time. We regret much for the same.
 When the Viceroy himself has encouraged the Desiya
 Pasu vaddiam the Veterinary Director is discouraging us by
 not approving it. This is unjust. If this Veterinary dis-
 pensary is not approved there will arise a big crisis among
 the villagers. This will surely happen as this is the only
 Veterinary dispensary which was in the Andhra Desa. People
 has great faith in this Veterinary dispensary.
 Hence I pray to approve this Veterinary dispensary
 at an early date.

Mr. A. Schwartz Davis, an evacuee student,
Engineering College - Financial assistance.

Mr. Schwartz Davis was admitted into the
Engineer class of the College of Engineering, Guindy
in January 1943. In November 1943, the Collector
of Ramnad submitted the application of the
student for financial assistance from the Govt.
of India. The Collector reported that the student
was already in receipt of the Govt. of Burma
Anglo-Vernacular Collegiate Scholarship of the
amount of Rs 15^{only} till the
completion of his Engineering course. The Govt.
of India were informed that grant might be
given for 17 months from January 43 at the rate
of Rs 15 a month and that the question of
renewing it further might be considered
later on. The Govt. of India, however, sanctioned
a monthly grant of Rs 15 for the year 1943-44

2. No student has applied for financial
assistance from January⁴³ to October 43 at present. The Collector of Ramnad does not
recommend the grant of financial assistance
to the student - vide p 6 of. The collector also

though that he has not received the student's application (which is at p 3cf)
sent through the Principal of the Engineering College.
In view of the collector's recommendation not
to render any assistance to the student, it does
not seem necessary to remind the Principal.
The draft reply below to the Govt. of India is
for approval.
