Sir,

Grant of Financial assistance
to Evacuee University Students
for the academic year 1944-45

In my application dated the 8th July 1944 submitted to the Collector, Chingleput District, Saidupeet, for financial assistance and in the letter dated the 4th August 1945 written by my father, Mr. S. Sitaram, to the Secretary to the Government of India, Commonwealth Relations Department, New Delhi, a copy of which was sent to you, it was not brought out clearly that the Sangitha Siromani Course is a University Course of Studies.

2. The Registrar, University of Madras, has certified in his communication No. C3187 dated the 2nd August 1945, addressed to Mr. S. Sitaram, that "The Sangitha Siromani Course is a University Course of Study in Indian Music and related in that respect to the Oriental Titles in Siromani". This communication was sent, in original, to the Secretary to the Government of Madras, India, Department of Commonwealth Relations, New Delhi.

3. I submit that the University of Madras has recognised that S.S.L. Certificates with Indian Music as an optional subject, issued under the authority of the Government of Madras declared eligible for admission to a Madras University Course are equi-

to the passing of the Technical Examination in Indian Music (Higher Grade) of the Government of Madras and the English Part of the Matriculation Examination of the Madras University. I possess the latter qualification and under the rules laid down by the University of Madras, I am undergoing a University Course of Study.

4. I enclose herein a copy of the Prospectus and Rules for the Sangitha Sriomani Course issued by the Kalā-Kshetra, Adyar. I beg to refer you to portions marked on pages 11 to 14 of the Prospectus which clarify the position as stated by me above. I request that you will be pleased to recommend to the Government of India that I may be granted financial assistance for the academic year 1944-45.

I am, Sir,

2. In regard to the application of clause (a) (ii) of Fundamental Rule 70 to Judges governed by the High Court Judges Order in Council of 1937, it has been ruled that the concession admissible under that clause of counting the time spent on the voyage to India as duty for purposes of calculating leave is repugnant to the provisions of the Order in Council in so far as the earning of leave is concerned, since under paragraph 7 of this Order leave is earned by "actual service" and not by "Duty" as defined in the Fundamental Rules; and "actual service" as defined in paragraph 2 of the Order does not include time spent by a Judge on voyage to India on being compulsorily recalled from leave out of India. Thus, under paragraph 26 of the Order in Council read with Fundamental Rule 70 a Judge on compulsory recall from leave out of India is entitled to count the period of his voyage to India as duty for all purposes of leave (e.g., determining the amount of leave taken and debiting it in the leave account, calculating the aggregate amount of leave admissible to a Judge during the whole period of service, etc.) except that of earning leave.

3. The above rulings were issued with the concurrence of the Government of India.
