Through

The Private Secretary,
to

His Excellency The Governor of Madras,

MADRAS.

Your Excellency,

I beg to submit the following appeal for your
Excellency's consideration and favourable disposal.

I requested the District Board, Coimbatore, to
hand over to me the management of the Board Middle School at
Idigarai, a village about 10 miles from Coimbatore, so that I
may raise it to the status of a high school and maintain it in
full conformity with the conditions laid down by the Educational
Department. The District Board agreed to my proposal and have
given their consent to transfer the management by their -- --
resolution NO. 1070 d/19-12-44.

Subsequently the District Educational Officer
and the Divisional Inspector of Schools, it appears, have --
approved of the proposal and have recommended it to the pro-
vincial authorities. It seems that it will probably take a
sufficiently long time before the passing of final orders.
Since the time before the reopening of the school in June for
the next academic year is short and as buildings have got to
be constructed to house new classes and new teachers appointed
by that time, I most respectfully request your Excellency to
instruct the concerned authorities to pass early orders for
