Sir,

* With reference to Government Memorandum No.24398 F.2 Edn. dated 26-6-45 I have the honour to state that before I went on Military duty I had already re-paid Rs.105/- in respect of the advance of Rs.150/- drawn by me in September 1941 from the General Provident Fund as per details appended leaving a balance of Rs.45/- only with interest. The balance of recoveries on this account should naturally have been included in my last pay certificate sent by the Accountant-General to the Military Authorities and recoveries effected by the latter in

in the usual course. In view of the above facts and as I could not recollect at this distance of time whether the balance was recovered from my Military pay, I would request that the Government may be pleased to ask the Accountant-General to refer again to the relevant records and intimate the correct amount if any, payable by me towards final repayment of the General Provident Fund loan.

In this connection, I have to say that there was no failure on my part to settle the account as there was no communication to me on this question from the Accountant-General.

2. It was reported by this office that seven instalments of Rs.10/- had been paid by the Superintendent, leaving a balance of 3 instalments of Rs.10/- with interest due for payment. The correct position however, is that seven instalments of Rs.15/- (not Rs.10/-) had been paid leaving a balance of three instalments of Rs.15/- and interest on the advance. The error is regretted.

Ref. G.O. Ms. No. 983 Edn, dated 3rd July 1945 and No. G.A.IV.S.P.251 Office of the Accountant General Madras dated 10th July 1945 re. advance for the purchase of Motor Car.

I have the honour to state that as I have been in hospital since the night of 4th July and am still undergoing treatment, I have been unable to proceed further with the negotiations for the purchase of a motor car. As such I request I may be permitted to draw the advance on or before 1st Sept. instead of 1st August as at present, also the first instalment may be deducted from my salary due on 1st Sept. 1945.

I further request that as my substantive pay is less than Rs 1,000/- per mensem the advance may be repayable in 36 instalments as against 24 instalments as passed by Govt. The fact that I may revert to my substantive post of Senior Deputy Superintendent at any time when my income will be considerably reduced may be considered, as to repay the advance in 24 instalments from my substantive salary would cause me considerable financial hardship.
