The Mettur Township Committee is a statutory Local body constituted under the Act XI of 1940. Till this time the require stationery articles were purchased from the open market after calling for quotations. But this time no firm is forth coming to supply writing paper. Hence the Provisional paper Controller, addressed to grant necessary release orders. The Provincial Paper Controller directed vide his letter No. Nil. dated 25-5-45 to obtain my requirement from the Superintendent stationery from the quota allotted to Government, Quasi Government departments, and local bodies. But the Superintendent stationery intimates vide letter No. S.I /45 dated 1st June 1945 that Government sanction is necessary for the supply.
