From THE REGISTRAR, ANDHRA UNIVERSITY.

To

The Secretary to the Government of Madras,
Education & Public Health Department,
Fort St. George, M A D R A S.

Sir,

Sub: War- Educational concessions to students depending on personnel in war service.

Ref: Madras G.O.'s Nos. 553 Edn. dated 3-3-44, 1305 Edn. dated 4-9-1944.

I have the honour to invite your kind attention to para 1 of the G.O. dated 3-3-44 quoted above, and to state that Government of Madras were pleased to direct that compensation be paid to this University with effect from 1943-44 for the loss sustained on account of grant of exemption from tuition fees to students who are studying in the Colleges maintained by the University and who are eligible for war-educational concessions.

Again in G.O.No.1305 Education, dated 4-9-44, Government have extended the above concession by exempting eligible students for the concession from payment also of such other authorised special fees, as fees for Medical inspection, physical training and games, the use of the library, laboratory etc. from the year 1944-45 onwards.

In accordance with the above, applications are being received from students of the Andhra University Colleges for grant of exemption from payment also of the special fees for 44-45, in addition to exemption already granted from payment of tuition fees.

I am therefore desired by the Vice-Chancellor to request you kindly to extend the concession granted in G.O.No.1305 Edn. dated 4-9-44 to students of colleges and to compensate the loss sustained by the University on that account.

The Vice-Chancellor and the Syndicate will be very thankful for favourable orders on the subject.

I have the honour to be,
Sir,
Your most obedient servant,

K. J. Srinivasulu

ORDER (MS.) No. 990 Edn., dated 5-7-45

①/1 CF

The Government desire that the exemption from the payment of special fees conferred by para 1 of G.O.No.1305-Edn., dated 4-9-1944, on children and dependants of "soldiers" be made available also in educational institutions maintained by the Universities of this Province. The Government will re-imburse to the Universities the consequent loss in fee income as in the case of exemption from tuition fees for the students in question.

C.No.8854C, From the Registrar, Andhra University, No.A.3.
7744/43 dated 28-2-45.

War - Educational concessions to the children and dependants of "soldiers" - Exemption from special fees - Compensation.

The Registrar, Andhra University, requests that the concessions sanctioned in G.O.No.1395 Edn., dated 4-9-44 may be extended to students reading in the University Colleges and that the University may be paid compensation for the loss sustained by it on that account. These concessions apply to students in the University colleges (a copy of the G.O. was sent to the University). The question is only about compensation.

2. According to the orders in G.O.333 Edn., dated 3-3-44 the University is now getting compensation for the loss sustained by it on account of the grant of exemption from tuition fees to students who are reading in the University colleges and who are eligible for the educational concessions. Apparently what the University now asks for is compensation for loss sustained on account of grant of exemption from special fees such as fees for medical inspection, physical training and games and the use of the library, laboratory etc., and not examination fees. The Andhra University has not agreed to exempt children of soldiers from examination fees in respect of examinations conducted by it but has asked for compensation. It has ~~now~~ ^{been} decided that the question of compensation for examination fees foregone may be taken up if specific cases of refusal by the University come up.

3. The request of the University for compensation for loss sustained on account of grant of exemption from special fees seems reasonable. If the request of the Andhra University is complied with similar compensation will have to be paid to Madras and Annamalai Universities also.

The Registrar has not furnished any estimate of

loss. It was considered unnecessary to obtain an esti

The Univs. having been granted compensation in respect of ordinary tuition fees @ 10 c. p. r.; it is logical that they should get the compensation for special fees also.

Fin (Exp. B)

E.P.H. U.O. No. 8854/45-120
dated 10.4.45

Under the general order in G.O. 1305

Edn. of 4-9-1944, Soldiers' children & dependants reading in schools & colleges who are eligible for exemption from the payment of tuition fees shall also be exempt from payment of special fees, such as fees for med. inspection, physical training & games, the use of the library, laboratory etc. These orders apply to colleges run by the universities also; it has been held that the orders relating to exemption from payment of tuition fees apply to colleges run by universities in the same way as they apply to ^{private} aided colleges. vide Secretary's note on pp. 4-5 n.f. of G.O. at (C).

As the universities are granted compensation for loss of tuition fees, E.P.H. consider that the universities should logically get compensation for loss of special fees also. ~~The if it is considered~~ ^{it seems to be the intention} that the concession of exemption from payment of special fees (examination fees do not come under the term 'special fees') should be ^{made} available to all students ^{qualifying for the concession in respect of} whether they study in private aided colleges or colleges run by universities. The only way to ensure this is for the Govt. to bear the expense. ^(therefore) This dept. may agree with E.P.H. that compensation

should be paid to the universities in respect of loss ^{by them} sustained in giving exemption from 'special fees' to students qualifying for the concession under

G.O. 1305 Edn. of 4-9-1944.

(An estimate of cost involved has not been given vide 'B' on pp. 1-2 above).

16/4/45.

17.4.45 The Govt have no power to

direct a University to waive any fees ordinarily charged by it to students. If it was intended that (B) should apply to "special fees" levied by universities from students in Universities & Colleges, the proper course would have been to ^{ask} the universities beforehand whether they were willing to waive ^(They could well have been given the chance of agreeing to do so at their cost the fees.) the ^{higher} ~~replies would~~ ^{presumably} have been that they would waive them ^{if} the Govt would bear the cost. It could then have been stated specifically in (B) that the universities had agreed to waive these fees in respect of the students in question, & that the Govt would pay them the equivalent of the fees foregone. The position would then have been entirely regular & it would have been clear to every one that the Govt were bearing the cost. Fin. would suggest that the procedure of consulting the universities beforehand be adopted in future in any case where it is desired that the universities should give any special ^{any} concession to students.

Since the order in (B) holds out to students of the universities in question the prospect of exemption from these "special fees" in all schools & colleges, Fin. agrees that it is necessary to request the universities to give the concession in their colleges & to say that the Govt will ^{bear} the cost of doing so, as in the case of ex-

 In G.O. no 1305 Eon dated 4.9.44, the Govt. directed that
 the children and other dependants of "soldiers" serving in
 the present war who are eligible for exemption from tuition
 fees in ~~Schools & Colleges~~ should also be exempted, with effect from the
 school year 1944-5, from the payment of special fees
 such as fees for medical inspection etc. In G.O. no 990
 Eon dated 5.7.45, the concession sanctioned in the
 above G.O. was extended to children and dependants of
 soldiers studying in educational institutions maintained
 by the Universities of this Province. The Govt. decided to
 reimburse to the Universities the consequent loss in the fee
 income. As the orders extending the concession to students in
 institutions maintained by the Universities were issued only
 on 5.7.45, it does not seem necessary to give retrospective
 effect to the order from 1944-5.

The question of granting compensation to universities in respect of exemption from payment of special fees arose out of the Andhra University Regr's letter of 28.2.45. In that letter the Regr had stated that applications were being read: from students for grant of exemption from payment of special fees for 1944-5. It may not be fair to refuse to students of the university colleges what students in other colleges were getting. Further compensation to universities in respect of exemption from tuition fees was ordered to be paid from 1943-4 though the orders were issued only in 1944. - Please see go no: 333 Edu of 3.3.44. For orders whether this dept should press the matter. I agree with you.
