The Board has at its meeting held on 4-5-1945 (copy enclosed) resolved to depute three of its employees for training in the Y.M.C.A. College of Physical Education at Saidapet, Madras and S. Muhammad Hussain, acting Secondary Grade Assistant, Board Middle School, Cumbum is one of the selected candidates.

2. S. Muhammad Hussain was first appointed as an acting secondary grade assistant in the service of the district board from 22-6-1944 and is not an approved probationer. He is therefore not eligible for any pay during the period of training according to paragraph 3 of G.O.No. Ms. 1626, Education (p) dated 1st November 1944 unless permitted by Government.

3. Of the other two selected for the training one is a permanent teacher with nearly three years' service and will get half pay for the period of training. The other teacher is now suffering from malaria as he was last working at Pannaikadu in Kodaikanal Taluk which is a malarial tract and is therefore not fit to proceed for the training.

4. I request that Government may be pleased to permit the payment during the period of training to S. Muhammad Hussain at Rs. 15/- per mensem being half of the minimum pay of a Secondary Grade Teacher.

5. I also request that these two teachers may be allowed to be relieved of their posts a week prior to the date of commencement of the training and count the period as part of their period of training so that they make preparations for their journey to Madras.

ORDER (MS.) No. 994 Edn., dated 6.7.45

The P.D.B., Madura, is referred to para 3 of G.O.No.1626-Edn., dated 1-11-1944, according to which S.Muhammad Hussain Sahib, acting Secondary Grade teacher, Board Middle School, Cumbum, who has not completed probation and whom the District Board proposes to depute for training as Physical Training Instructor in the Y.M.C.A. College of Physical Education, Saidapet, should be granted such leave as he is eligible for, for the purpose of securing the training. The Government sanction, for the period not covered by

leave with pay, the grant of a pay of Rs.15 a month to the teacher. The President is requested to report, through the D.P.I., how this period should be treated.

2. The Government do not see ^{why} ~~that~~ any time spent by the teachers for making preparations to proceed to Saidapet should be counted as duty. They may take such minimum casual leave as is necessary. The days actually spent in transit ~~may~~ ^{may} of course be treated as duty under para 2 of the S.O. referred to in para 1.

in advance of the journey provided of course it is not combined with other leave

At least to which with the leave

It is proposed for leave to be in the case.

Preparation time need not necessarily be in combination with transit time. The teachers can have the C.L. & transit wedged in by a spell of duty.

But that may be provided too for the 1st part of the arrangements is in app.

The points raised for orders in paras 4 & 5 of the letter from the P.D.B., Madura, on pages 4 & 5 are noted on below:-

1. Grant of a pay of Rs 15 per. to S. Muhammad Hussain during the period of training

The P.D.B., Madura, has not reported the manner in which it is proposed to treat the period of absence of the assistant and the leave to which he is eligible. He may be asked to make proposals in that behalf.

D.P. 9. Meanwhile the pay proposed may be applied from the commencement of the training.
2. Relief a week prior to the commencement of the training

(K)

Under para 2 of Go no 1626 Edn 3.11.44, in the case permanent teachers and approved probationers, the days spent in transit should be treated as duty. This is not clear what elaborate preparations are necessary for undertaking the journey to Madras in connection with the training. It seems sufficient to allow three days so that the teachers may have a day's leave both before & after the period spent in travelling. This period may be reckoned as period of transit
