R.C. No. 296-W/46.

Station Madras, Dated the 3rd May 1946.

From (Name) Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

Bills for drawing book-allowances sanctioned by the District Educational Officers or the Inspectresses are drawn by the heads of the institutions after countersignature by the District Educational Officer or the Inspectress concerned. Some difficulty is reported to be experienced in encashing these bills in the case of schools situated far away from the treasury headquarters. In some cases, it is said that the heads of the schools ask for travelling allowance for the to and fro journey involved. In the Guntur District, the District Educational Officer has reported that there are 12 elementary schools which are situated far away from the Treasury Headquarters by distances ranging from 6 to 22 miles. In some of the schools, the bills are cashed when the peons go to the treasuries on other business, in others, the expenditure involved in the to and fro journey is met by the management, and in some others the expenditure is realised from the pupil's guardians.

This difficulty can be obviated if the Deputy Inspectress or the Sub-Assistant Inspectresses are authorised to encash bills and remit the amounts.

p.t.o.

amounts by Money Order to the heads of the schools concerned, at Government expense. This is the procedure followed in the case of Government Scholarship bills relating to schools situated at distances exceeding 5 miles from Treasury Headquarters - Vide - Item 40A Appendix No. 7 of Madras Financial Code, Volume II.

I therefore request that I may be empowered to authorise the Deputy Inspectors or the Sub-Assistant Inspectresses to draw book-allowance bills in the case of schools situated at distances exceeding 5 miles from the nearest treasury and to remit the amounts by Money Order to the head of the School concerned at Government expense.
