MADRAS: PRINTED AND PUBLISHED BY THE SUPERINTENDENT, GOVERNMENT PRESS.

H.M. (Edn) was discussing with me yesterday morning the question of nomination to the Senate of the University. I said it seemed to me that as the University Act has vested the power of nomination in the Chancellor, the Chancellor need not call the advice of the Ministry when exercising that power. H.M. (Edn) was inclined to think otherwise and said that he proposes to take up the point with H.E.

P.S. of H. 1-2 of (Please see Do from various papers) nomination to the Senate of the Madras University has directed them to be notified immediately in the Gazette. Draft notification, & a note to the Super. Gov. P.W., are being sent below, accordingly, for issue. H.M. (Edn) may see before issue.

This notification may be withheld for the present. I hope Mr. W. will mind my calling his liberty. I am taking up the matter with him separately.

Publication of nominations should be made forthwith.

I have discussed the matter with H.M. Edu. The situation is that the responsibility for nomination rests solely in the hands of the Governor, who is under no obligation to seek ministerial advice.

Even so, I have decided that in future when nominations for this or any other university of which I am Chancellor come up for consideration, the Minister will invariably be informally consulted before decisions are made.
