Sir,

Government servants Conduct Rules - District Educational Officer, Kurnool to serve as Secretary of the Stadium Committee, Kurnool - Permission sought for.

For some time past there has been a move in this town to erect a public Stadium and lay out a sports ground in order that tournaments conducted in the District like the Pentland Sports Association Annual tournament, the District Inter School Sports, the Crescent Sports, the Town Inter Elementary school sports may be conducted without much strain in securing a ground for each occasion and spending considerable amount on preparing the ground and laying out the tracts. Further it is felt that the present practice of securing the play ground of one particular school (for want of a public play ground) to conduct inter school sports gives an undue advantage to the teams of that school and that for efficient conduct of the inter-school sports a public sports ground is essential. Now that the war is over it will be possible to get Government land alienated for such a purpose. In addition to the local interest I am personally very anxious to help in the establishment of such a public institution. It is no doubt true that some non-official should come forward to take interest in the matter and do what is necessary. But unfortunately with so many non-officials are so busy ~~that~~ their own affairs that they hardly find time to collect particulars and give suggestions

for the actual laying out of the play ground and construction of the Stadium. As the erection of a Stadium is mostly useful to the boys and girls of educational institutions and there is need for the cooperation of the managers and Headmasters of schools for this purpose it is felt that I will be in a good position to bring in the necessary cooperation.

A committee will be formed with the Collector as President, responsible gentlemen like the President, District Board, Chairman, Kurnool Municipal Council, etc., as Vice Presidents and a trustworthy man as Treasurer. I request that in the circumstances mentioned above I may be permitted to serve as the Secretary of the Committee. I feel confident that this work will not interfere with my legitimate duties. I shall have nothing to do with the collection of money.

Early orders may kindly be passed to enable me to do my best during the summer months.

Thanking you,

M. D. Paul
District Educational Officer,
Kurnool.
