Sir,

Sub: Building - Rented building - Occupied by the Board
School, Nagalapuram - Tiruvallur Taluk - Repairs
execution - Sanction solicited.

The District Educational Officer, Chingleput District, Saidapet, has accorded only temporary recognition upto 31-12-45 for the Higher standards VI to VIII of the Board Higher Elementary School (Nagalapuram, Tiruvallur Taluk) on the ground that the defects under accommodation and equipment should be rectified.

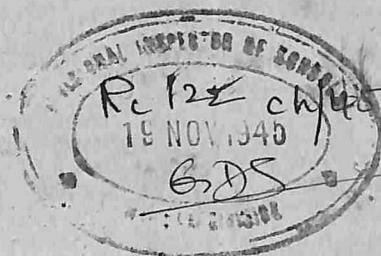

In consultation with the Inspecting Officers, the required furniture and equipment have been supplied to the school. But the question of accommodation alone remains to be solved. The school is located in a rented building owned by one Mr. G.Lakshimipathi Naidu and a rent of Rs.14/- P.M. is paid for it. It is not only in need of repairs but also extension. The owner was requested to carry out the repairs and to extend the building many a time, but to no effect. Attempts were also made to secure another suitable building for the school and they all proved fruitless. Finally, the owner has been persuaded to give a consent statement agreeing to permit the District Board to effect the necessary repairs and to extend the school building and to recover the cost thereof from the rent, subsequently.

In this connection, I would like to appraise Government of the facts that this village Nagalapuram is far off from Madras on the border of the District limit. There are no schools near Nagalapuram within a radius of about 10 miles and the people mainly depend on this school only, for the higher education of their children. So, it is but proper on the part of the District Board to see that a suitable accommodation is provided for the school.

As no expenditure can be incurred from the Elementary Education funds on buildings not owned by the District Board, without the previous sanction of Government, I request that Government may be pleased to accord necessary sanction for incurring expenditure from the Elementary Education funds of this District Board for carrying out the repairs and extension to the above rented building and to recover the cost thereof, subsequently from the rent due to the owner.
