....000....

The proposal of the Government that the teachers employed in schools under local bodies may be appointed as authorised agents for the sale of National Savings Certificates and that they may be paid certain commission on the value of certificates is not conducive to the smooth and efficient work of the schools as the teachers would be tempted to devote most of their times in selling certificates only, to the detrimental of school work. It is not therefore desirable to authorise the school teachers under local bodies with such a kind of work. In the circumstances I request that the Government will be pleased to drop the proposals contained in G.O.No.51,

The desirability of utilizing the services of teachers in schools under local bodies for the sale of National Saving Certificates was considered in the notes to G.O. No. 51 L.O., of 8.1.46. It was decided that the teachers should be appointed as authorised agents for the sale of certificates and the rules relating to the personal conduct of officers and servants of local bodies should be amended to provide for the utilization. Necessary staff amendments were published with the G.O. and the time limit allowed for <sup>the</sup> receipt of criticisms has <sup>also</sup> expired.

It does not appear that the  
objection can be upheld. The D.P.S. has recommended  
the utilization of the services of teachers for the  
sale of Certificates.
