R. C. No. 231-D/46, dated 29th April 1946.

Sir,

Subject:- Grant - Secondary schools - Buildings and furniture damaged by cyclone - Special grant.

ENCLOSURES _____

SPARE COPIES _____

The Correspondents of the following three schools report that on account of the cyclone in October 1945, their school buildings and furniture were damaged and they have applied for departmental aid for repairing and rebuilding the damaged school building and furniture to the extent to which the damages were wrought by the cyclone. The following statement gives the nature and extent of the damage and/of repairs.

Name of the school and nature of damage. Estimated cost of repairs.

1. St. Theresa's Girls' High School, Ellore.

Building destroyed.
Furniture smashed to pieces by the falling beams.

Repairs to building.. Rs. 210/-.
Repairs to furniture. " 1602/-

2. U.L.C.M. High School, Bhimavaram.

The roof of the building covered with mangalore tiles was blown off.

Urgent repairs already executed.. " 600/-.
Further repairs to be executed. putting up a room with mangalore tiles. etc. 1800/-

3. S.P.G. High School, Nandyal.

(a). Roofing tiles of the library hall and certain rooms were destroyed.

(a). Repairs to building. 489/-

(b). The latrine for the girls, consisting of corrugated iron sheets was wrecked.

(b). Construction of new latrine. 150/-

The Collector of West Godavari recommends a grant of Rs. 500/- to St. Theresa's Girls' High School, Ellore towards relief.

P.T.O

2. I recommend that a half grant be sanctioned for payment in respect of each of the schools, limited to Rs. 500/- in the case of the Ellore school.

- (i). The schools have suffered the loss for no fault of theirs.
- (ii). Their financial condition is not such as would enable them to bear the cost unaided.

I further request that the grants may be permitted to be paid on the production of vouchers of expenditure and where vouchers are not available, on the production of a certificate from an officer of the Revenue Department not lower in rank than a Deputy Tahsildar to the effect, that repairs and reconstruction have been carried out and that the cost of the repairs is reasonable.

3. As the expenditure cannot be met from the current year's appropriation under building grants to aided secondary schools, additional provision will have to be made in the Budget Estimate 46-47 either by re-appropriation or by a supplementary grant. Government will be addressed in due course for necessary additional funds.

Grant - Buildings - Private Secondary Schools -
Damaged by cyclone - Special grant.

From the D.P.I., Rc.No.231-D/46, dated 29th April 1946.

The Director of Public Instruction recommends that, as a special case, grants may be sanctioned to the schools under private management mentioned below towards the cost of repairs to buildings and furniture damaged by cyclone as shown against each:

Name of Institution. (1)	Work & estimated cost. (2)	amount Maximum/of grant recommended. (3)
(1) St. Theresa's Girls' High School, Ellore.	Repairs to bldg. Rs.210/- -do- furni- ture. 1602/- ----- 1812/-	Rs. 500/-
(2) U.L.C.M.High School, Bhima- varam. (Boys School)	Repairs to bldgs. 2400/-	1200/-
(3) S.P.G.High School, Nandyal. (Boys School)	-do- 639/-	320/-
	Total:	Rs.2020/-

The Director states that the financial position of the managements is such that it will not be possible for them to carry out the repairs without Government aid.

(E)

2. Under the restrictions imposed in G.O.No.1915, Edn., dated 9-12-1941, no building grant should ordinarily be given to secondary schools for boys. Of the three institutions for which grants have been recommended by the Director of Public Instruction, two are boys' schools. Further in the case of all schools, it is not usual to make grants towards the cost of repairs to buildings and furniture. In the present cases, as the damage was caused by cyclone, it is for consideration whether the Director of Public Instruction's recommendation that a grant may be paid as a special case towards the cost of repairs may be accepted. - the grant being limited to one half of the cost subject to the maximum

A

specified against each.

3. In the case of works already executed, it is usual to insist on the production of a certificate from the Engineer in charge of the work and another signed by the correspondent specifying the total amount actually spent on the buildings. In the case of the present works, the Director of Public Instructions requests that he may be authorised to disburse the grant on production of vouchers in support of the expenditure incurred or ^{in the absence of vouchers,} on the production of a certificate from an officer of the Revenue Department not lower in rank than a Deputy Tahsildar to the effect that repairs and reconstruction have been carried out and that the cost of the repairs is reasonable. It seems desirable to insist on the production of a certificate from the local P.W.D. officer to the effect that the ^{repairs} ~~repairs~~ have been carried out and the cost of repairs ~~is reasonable~~ ^{reported by the management is reasonable.}

4. As the total amount of grant payable is only Rs. 2020/- it will not be difficult to find this amount by reappropriation. The Director of Public Instruction says that the Government will be addressed, if necessary, for additional funds in due course.

5. The remarks of Finance may be invited u.o.

'A' and 'B' above may be approved.

5/5/46 S / Finance

Fin (Exp. B)

The D.P.I. has recommended the payment of a total grant of Rs. 2020/- to the three private secondary schools mentioned on p.1 c.f. towards the repairs of the school buildings damaged by cyclone. E. & P.H. propose ^{that a grant may be paid} as a special case ~~for~~ ^{to} these ~~special~~ institutions towards the cost of the repairs - the grant being limited to one half of the cost of the repairs subject to the maximum specified in column 3 in

para 1 above on p.1 above.

2. Following the orders in G.O.No.815 Education dated 15-4-46 in which Govt. sanctioned the payment of special grants not exceeding ^{one} half the cost of the repairs to or reconstruction of aided elementary schools buildings

which were damaged by cyclone in Guntur, East Godavari, West Godavari and Kistna districts, Finance may agree to the present proposal of E. & P.H. subject to the following remarks:--

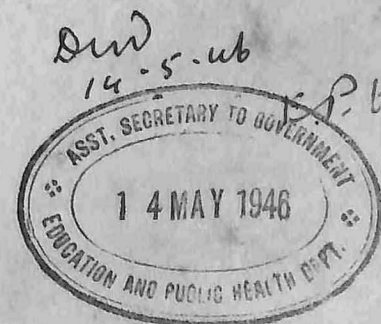

The D.P.I. has ^{recommended} ~~received~~ a maximum grant of Rs.500/- to the St. Theresa's Govt. High School, Ellore. The estimated ~~cost of repairs~~ ^{cost} includes repairs to buildings (Rs.210/-) and ~~also~~ repairs to furniture (Rs.1602). It does not seem necessary to give a grant in respect of repairs to furniture. This department ^{advised, when} ~~have definitely held~~ while considering the question of grants to private elementary schools referred to above, that the grant should cover ^{only} half the cost of repairs to or reconstruction of the ^{the loss} ~~buildings~~ and not ~~loss~~ under any other head -- please see 'C' on p.4 n.f. and para 1 of the ^{G.O.} ~~orders~~ on page 24 c.f. of ^I ~~the 27284 dated 15-4-46~~. Finance may, therefore, suggest that, in the case of this institution, the grant may be restricted to Rs.105/-, viz., half the cost of repairs to ^{alone} ~~buildings~~. The total maximum grant will then be reduced to Rs.1,625/-.

3. The proposal of E. & P.H. at B on p.2 above may be agreed to.

4. As similar grants have been ^{given} in the past, and as the amount of grant involved (Rs.1,625) is small, the proposal need not be treated as a 'New Service'. ^{For funds, please refer} on p.2 above.

Please see the remarks of the Finance Department. They have agreed to a half grant towards the cost of repairs to buildings damaged by cyclone. They suggest that as in the case of elementary school a grant need
