Sir,

Subject:— Elementary Education Fund - Corporation of Madras -
Equivalent contribution on account of Education Tax
for the year 1945-46 payable in 1946-47 - Payment
requested.

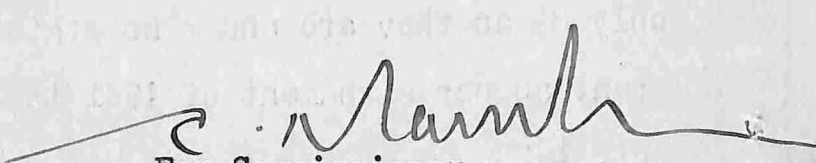

The Corporation was receiving from Government an equivalent contribution on the basis of the actual proceeds of the Education tax at the rate of 8% of the Property Tax till the year 1943-44. This rate of levy was enhanced by the Corporation to 12% from that year. But the Government continued to pay a subsidy at the old rate of only 8% as they are under no statutory obligation to pay an equal grant as per amendment of 1941 to Section 37 of the Elementary Education Act, 1920.

In view of the heavy commitment involved in payment of War and Dearness Allowances to the members of the Corporation staff whose salary is paid from the Elementary Education Fund and in view of the progressively increasing expenditure under the Elementary Education Fund, the Council at its meeting held on 14-2-1946 resolved to request the Government to contribute a sum equal to the receipts realised by the Corporation by way of Education Tax at 12%. In this Office letter E.D.C.No.B.1.5191/45 dated 20-2-46, while submitting the budget proposals of the Corporation in respect of the Elementary Education Fund for 1946-47, the Government have been requested, as resolved by the Council, to pay contribution at 12% of the Property Tax realised by the Corporation in 1945-46 and orders of the Government on this request are still awaited.

The Education Tax collected and credited to the Elementary Education Fund in 1945-46 less refunds, is Rs.6,64,056/- and if the Government are pleased to sanction payment of contribution at 12% as resolved by the Council, a similar sum will have to be paid to the Corporation. But as no orders have been passed by Government on this

point

point and as funds are urgently required for payment of the salaries of the School staff for May 1946 payable in June and as the balance under the Elementary Education Fund is very small and will not be sufficient for this purpose, I am submitting herewith the usual certificate claiming contribution based on 8%. The Education Tax realised at 8% works out to Rs.4,42,704/- and I request that pending the issue of orders on the request of the Council Government may be pleased to order early disbursement of this amount. The Government may also be pleased to pass early orders on the question of payment of contribution at 12% of the Property Tax as resolved by the Council at its meeting held on 14-2-1946.

For Commissioner.
