D-1-878-46

Letter No. 808-E/46-1, dated 6-3-46.

Sub:- Stationery - flat file boards - supply to the offices of the Chief Engineer (Comms) and the Superintending Engineer (Comms) Central Circle.

Difficulty is still felt for want of flat file boards in spite of the supply of 1000 boards sanctioned in G.O. No. 1499-Education dated 22-9-1945 and the requirements are increasing on account of the additional staff already sanctioned and the impending formation of the Highways Department.

Out of the last supply, 150 boards ordinary and 30 boards urgent were given to the office of the Superintending Engineer (Comms) Central Circle which has been formed as a separate office and 25 boards to the Special Executive Engineer (now Executive Engineer machinery Division). The Superintending Engineer has applied for further supply of 150 boards (100 ordinary and 50 urgent) as his office will be enlarged on the formation of the Highways Department.

I request that sanction may be accorded for the urgent supply of additional 600 boards of I sort (300 ordinary and 300 urgent) for my office, 150 boards (100 ordinary and 50 urgent) for the office of the Superintending Engineer (Comms) Central Circle and 200 boards (100 ordinary and 100 urgent) for the use of the Executive Engineer, Machinery Division.

The file boards of Ist sort may be authorised

P.T.O.

authorised office being the office of the head of the department of "A" class status.

C.P. Sankar

For Chief Engineer (Comms).

Copy to the Suptg. Engineer (Comms) Central Circle with reference to his No.885/46-1-F, dated 11-2-46.
Copy to the Executive Engineer, Machinery Division, Through the Superintending Engineer East Roads Circle.

GOVERNMENT STATIONERY OFFICE (MADRAS)

Guindy,
Saidapet, P.O.,

2nd April 1946.

No. D-1-878-46.

Returned.

2. ~~Sanctioned for supply recently in~~ Flat file boards 1st sort may be sanctioned for the office of the Chief Engineer (Communications) only; offices subordinate to the Chief Engineer should use only 2nd sort flat files.

3. One thousand boards were sanctioned for supply recently in G.O. No.1499, Edn. dated 22--9--45 and the present demand for 950 boards within a short interval of five months, is excessive.

4. Sanction may, therefore, be accorded for the additional supply of 600 flat file boards, (300 urgent and 300 ordinary) for the use of the three offices referred to by the Chief Engineer (Communications).

Encl :- one.
