DIRECTOR OF PUBLIC INSTRUCTION
14 JAN 1946
MADRAS

Sir,

Sub:- Budget Estimate- Elementary Education - Funds - Ramnad District Board - Forwarded.

Ref:- Your letter Rc. No. 3951-B/45 dated 10-10-45.

- - - -

I forward herewith the revised budget estimate for 1945-46 and the budget estimate for 1946-47 of the Elementary Education funds of the Ramnad District Board in duplicate together with necessary statements and a copy of the District Board Resolution No. 1590 dated 3-1-46 approving the same.

2. Details regarding the various items of expenditure in the budget are also enclosed.

3. As regards the revised budget estimate for 1945-46, credit has been taken for Rs. 80,000/- sanctioned in G. O. Mis. No. 1827, Edn., dated 7-11-45 towards the payment of increased dearness allowance to Elementary school teachers and Rs. 67,070/- adjusted from the Government grant of arrear toll compensation for the purpose of wiping off the deficit. Under the Education cess, the figure furnished by the Collector has been taken. In reply to G. O. No. 1173, dated 28-5-45 a claim for Rs. 9932-7-0 has been made to Government as an addition to the equallent grant under section 37 of the Madras Elementary Education Act and this also added as anticipated receipt. Further a steep rise in the expenditure in dearness allowance to staff was actuated in the year together with the liability to pay enhanced rate for the last quarter of the previous year. Some items of repairs to buildings, not contemplated at the time of the last budget, had to be taken up urgently for execution. Hence there is an increase under the head 'Repairs to buildings', also. The same is the reason for the increase in capital works as well. So much so, there is a deficit balance of Rs. 1,44,696/-. To meet the deficit much hope is centred in the provision made by Government in para 6 of G. O. No. Mis. 1827, Edn., dated 7th November 1945. In the matter of Education cess, one anna in the rupee, a rate higher to that of the year 1945-46 was in adoption and it is contemplated to raise it with effect from the beginning of the same fasli year and yet the figure given for adoption in account by the Collector is lesser than the modest credit for the purpose of the budget of 1945-46.

4. With regard to the budget for 1946-47, the following particulars are furnished:-

Receipts:- Credit has been taken under Education tax as per figures furnished by the Collector and the usual grant has also been taken credit of. Under proviso to section 37 of the Elementary Education Act, the last three years average ~~have~~ has been taken and adopted.

Expenditure:- (i) Salaries and allowances:- The increase under this head is due to the provision of 7 Secondary Grade teachers, 15 Elementary Higher Grade teachers, 5 peons and one lower division clerk to cope up with the increased work in the office owing to the introduction of the compulsory education scheme.

(ii) Contingencies:- As regards the increase under this head, rents at enhanced rates have to be given to the existing rented buildings for having made improvements and provided playground, garden and other sanitary arrangements. In some cases rented buildings have to be secured as very many of the rent free buildings cease to exist as much. Further additional buildings have to be secured for accommodating the Prevocational classes which are to be started in some more, Higher Elementary schools in the year.

(iii) Repairs to buildings:- Some of the rent free buildings got much damaged and are likely to exact additidnal expenditure under this item.

(iv) Equipment:- In some more Higher Elementary schools, prevocational classes have to be started and hence the increased provision under this head.

Capital:- Lands and buildings.

A great amount of necessary improvements and additions to the buildings were postponed pending return of nomal conditions and so all works recommended by the District Board Engineer, Ramnad have to be taken up on hand urgently at least in the budget year. The allotment required by him has therefore been provided in toto with the expectation of heavy grants from Government as a post-war re-construction measure.

Thus for providing the above and other expenditures for the proper maintenance of the Board Elementary schools the Board is unable to close the budget with a statutory closing balance.

A separate rough revised budget for 1945-46 and budget for 1946-47 in duplicate with subsidiary statements ~~and~~ containing detailed particulars are enclosed ~~in duplicate~~ as required in Government memo No. 53672 A.1. Edn., dated 26-11-45.

Ref:-Memorandum No.9263-B2/46-1 dated 5-3-46.

------

With reference to paragraph 1 of the memo read above, I have addressed the President, District Board, Ramnad to furnish certain particulars. I shall send my report by 15-3-46.

Nor recd. [illegible] far

In paragraph 2 of the Memorandum cited above, it is stated that the tax at 12 pies is 2.68 lakhs and 0.36 lakhs at 2 pies. Presumably 2.68 is a mistake for 2.18 as .36 lakh cannot be 1/6 of 2.68 lakhs.

No; the figures [illegible]

The amount of Rs.2,17,760 or 2.18 lakhs. shown towards education tax was worked out at the rate of 12 pies as against 1 anna 2 pies per rupee. The amount at the rate of 1 anna 2 pies per rupee comes to Rs.2,54,053 or 2.54 lakhs. This amount of Rs.2,54,053 or 2.54 lakhs has to be taken credit towards education tax for 1946-47, as against 2.18 lakhs reported already. Hence there is an increase of .36 lakh.

Assessment - Cesses - Elementary Education fund - Ramnad District Board - Budget Estimate for 1946-47 - Income from Education tax.

(K)

Reference: Memorandum No.9263 - B.2 46-1 dated 5-3-46 and this office Roc.A-5-3380-46 dated 10-3-46 and 14-5-46.

29421 (K)

(K)

------

The probable collection of cess during fasli 1354 was estimated at Rs.2,67,840/-. But the actual collection in that fasli was - Rs. 2,17,694. In G.O.No.1827 Education dated 7-11--45 the education tax has been enhanced from 12 to 14 pies in a rupee with effect from 1-7-45 and hence in fasli 1355 the District Board will get an - additional amount of Rs.27,200 and the estimated collection in fasli 1355 will be Rs.217694 plus Rs.27200 : Rs.244894. As against this amount the District Board has taken credit of Rs.173840 and this has been arrived at as follows:-

The amount of monthly cess payable to the District Board for the 1st half year as fixed in this office Pdl 111-45 dated 28-7-45 was Rs.13060. Credit at this rate has been taken for 4 months. In this office reference Pdl.210-45 dated 12-11--45 the amount payable for the 2nd half of fasli 1355 was fixed at Rs.20690 and credit for 5 months has been taken. A sum of Rs.18153 representing the arrear collection has also been added to this and the amount of Rs.173840 has been arrived at. It is thus seen that credit for 9 months alone has been taken and no credit has been taken for the other 3 months.

--2--

The probable collection in fasli 1355 therefore should be taken as Rs.244894 as against Rs.173840 taken credit of by the District Board. The President, District Board, Ramnad at Madura may be asked to submit revised estimate for 1945-46.

## 4. Revised Estimate – 1945-46

~~(1) Receipts~~ When orders were passed on the budget the rate of dearness allowance was fixed at Rs 10 per teacher per month. The rate was subsequently raised to Rs 16 a month from 1.1.45. The Board was put to an additional expenditure of Rs 1.40 lakhs on this account in the current year. Provision for the additional expenditure has been made in the O.E. With a view ~~[illegible]~~ to meeting the extra cost on the grant of dearness allowance

(2) the Govt. sanctioned a subsidy of Rs 80,000 from Provl. funds p 15 cf (V) removed

and (3) the rate of ed. tax was raised from 12 to 14 pies in the rupee of land revenue from

⑳ 3

from fasli 1355. [The additional income from the tax in the current year was estimated at Rs 27000].

p 7 NF (V) removed

In the revised estimate credit has been taken for the items (1) and (2) alone. As regards the income under ed. tax not only the extra income of Rs 27000 has not been taken credit for but the normal income from the tax has been reduced from Rs 2.68 lakhs to Rs 1.74 lakhs. The President says that the reduced credit is with reference to the advice of the Collector. It is not clear how there can be such a large fall in income under ed. tax. This fall accounts for the huge deficit in the O.E. The Collector may be consulted in the matter [If the ~~[illegible]~~ normal income is allowed, the deficit will be only Rs 25000 against Rs 40,000 anticipated in October].

## 5. Budget Estimate – 1946-47

(1) Receipts Here again the income from ed. tax is too low. It should be about Rs 3.04 lakhs. The contribution payable in 1946-47 in respect of ed. tax may ~~be~~ become reduced with reference to the low income for 1945-46. The Collector may be asked to clear these points also. Credit has been taken for an income of Rs 67070 from the toll compensation grant. L.A. may be requested to say whether the credit is permissible

(2) Charges The budget provides for

normal items of expenditure. The expenditure under capital is very large & in view of the fact that the budget ~~will~~ closes with a huge deficit it appears that the provision for capital expenditure sh^d. be deleted however desirable it may be..

p13 CF

b. The budget ~~is~~ found to close with a deficit of Rs 3.97 lakhs at the end of 1946-47. ⊗ If provision for capital expenditure is deleted the deficit will be only Rs 3.20 lakhs. If the normal income under ed. tax is allowed the deficit will be reduced by Rs 87000. No credit has been taken for a subsidy from Govt. funds towards the cost of dearness allowance to teachers. It appears that a subsidy sh^d. be paid towards the net deficit. The rate of ed. tax has been raised to 14 pies & this has been considered as the maximum rate for Ramnad. L.A. may be requested to say whether the general funds will admit of the payment of any add^l. contribution to the E.F. now. The question of subsidy may be determined after L.A. have recorded their views.

7. Compulsory ed. (1) Revised Estimate 1945-46 The scheme of compulsory ed. sanctioned by Govt. aims at bringing 6000 children to school ultimately. Of these 4000 children may have been brought to school this year. A subsidy towards the expenditure provided for will be paid on receipt of an application from the D.E.O. which is awaited.

(2) Budget Estimate – 1946-47

Besides the 4000 children referred to in (1) above 1200 children will be brought to school in 1946-47. The Govt. propose to extend the scheme of compulsory ed. to other areas in each dt. in 1946-47. The number of children in the villages to be selected in Ramnad will be ~~7400~~ 7000. Of these two thirds (4900 children) will be brought to school. Thus provision sh^d. be made for the education of 10,100 children in 1946-47. The cost will be as follows:—

The need for the payment of the balance will be examined on receipt of the report called for from the D.E.O.

(2) Budget Estimate – 1946-47

Besides the 4579 children referred to in (1) above the Board has to supply meals to ~~2200~~ 2300 children in the areas to be selected for compulsion in 1946-47. The cost of providing meals for all these 6879 children will be as follows:—

The file deals with the E.E. fund budget of the Dt. Board ~~Ramnad~~ Ramnad for 1946-47. It has been allowed to lie over pending receipt of particulars called for from the Collector regarding the proceeds of Edl. tax adjusted to the fund in 1945-46. Though two months have elapsed no final reply has been recd from the ~~Collector~~. He has been reminded on 7-5-46. The question for consideration is whether the reply of

of the Collector shd. still be awaited or whether orders may be ~~pass~~ passed on the budget leaving a deficit. The question whether a subsidy shd. be given towards the cost of dearness allowance to teachers may be considered ~~on the~~ in June or July after ascertaining the actual closing balance for 1945-46 & on receipt of the reply of the Collector. The rate of edn. tax has been raised to 14 ps the maximum permissible on the existing ~~working~~ principles.

Ele. Edn. Fund - Dt Board, Ramnad - B.E. for 1946-47 - Deficit - Payment of a subsidy.

When passing orders on the Ele. Edn. Fund budget of the Dt Board, Ramnad, for 1946-47, it was anticipated that the Fund would close with a deficit of Rs 2.39 lakhs at the end of March 1947. The deficit was arrived at ~~by~~ taking into account (1) the minus opening balance of Rs 1.45 lakhs on 1.4.46 and (2) an income of Rs 2.54 lakhs in 1946-47 from edn. tax.

p 33 CF (K)

2. The P.D.B, Ramnad, has reported that the Fund has actually ~~closse~~ closed with a minus balance of Rs 65,269. The Collector of Ramnad has reported that a sum of ~~Rs 2.79 lakhs~~ Rs 34000 will be adjusted ⊙ this year towards the arrears of education tax 1945-46 ~~this year~~. Taking these factors into account the deficit for 1946-47 will be Rs 1.25 lakhs. The P.D.B has not so far asked for any subsidy towards the deficit anticipated. The need for the payment of a subsidy to cover the deficit may be examined on receipt of the R.E for 1946-47 ~~in~~ the next month.
