SCHOOLS - Elementary - Municipal Council, Erode -
Adoption of higher scales of pay for teachers - Approved.

From the Commr., Erode Mty. No.1343-B2/46 dated 27-2-46.
From the D.P.I., R.O.C.No.1003.B/46 dated 23-4-46.

The Municipal Council, Erode, has proposed to allow the teachers employed in the elementary schools under its control the higher scale of pay prescribed in para 2 of G.O.No.5096 L & M, dated 17-12-33, with effect from 1-4-46. It is stated that the immediate extra cost ^{and the} ultimate extra cost will be Rs.1023 and Rs.14,100 respectively. The ultimate cost has been worked out with reference to the maximum of the scales of pay proposed to be allowed. Generally the extra cost is calculated with reference to ~~the~~ average pay. ^{If this is done,} ~~Accordingly~~ the extra ultimate cost will be only about Rs.7,500/-.

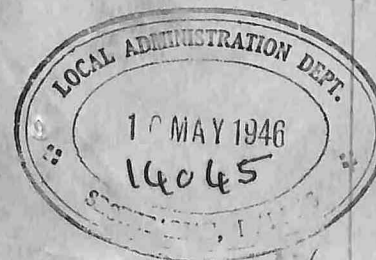

Necessary provision has been made for the immediate cost involved in the sanctioned budget for 1946-47. It may not be possible for the council to meet the extra expenditure in future years without increasing the rate of education tax, or ^{the} contribution from ~~the~~ general fund. The proposal of the council may be approved and the point raised at 'M' above examined when ~~necessary~~ necessity arises.

A draft order is submitted. L.A. may see.
