Sir,

Sub: Lecturer in Domestic Science for European Schools -
Appointment.

With reference to Government Memorandum No.9361-A-1, Edn., dated 7-4-45 I have the honour to state that the vacancy in the post of Lecturer in Domestic Science for European Schools was included in the estimate of vacancies due with the Madras Public Service Commission on 1-10-45. As this vacancy is reserved for a direct recruit with War Service, it will take a long time to select a suitable qualified candidate. The Inspectress of European Schools now requests that a substitute, to take up the work done by Miss Park, should be appointed at least by the 15th January 1946, by which date the Church Park Training School, from which candidates undergoing training, receive instruction in Domestic Science and Needle-work will re-open. Apart from this, the lecturer will have to inspect some of the schools in which instruction in Domestic Science is imparted and also issue the necessary instructions to teachers concerned.

2. In the circumstances stated above, I request that the vacancy may be advertised by the Government, as a special case, and that a candidate selected for appointment under emergency powers, pending selection of a candidate for regular appointment by the Madras Public Service Commission. The Inspectress of European Schools states that she knows no candidate for appointment under emergency powers immediately.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.
