The following uniform is suggested for the peons
(Gallery guards) in this Museum, more or less on the
lines of the uniforms for Gallery guards in the Prince
of Wales Museum, Bombay, but less elaborate and
therefore less costly:

(P.T.O.)

Description

Number supplied
to each man.

Khaki drill suits (coat and long pant)	Three suits	Issued every two years
Green turban (cotton)	One - 8 yds.	
Khaki belt and buckle	one	
Arm band with the words 'Gallery guard' No. 38 in black on white drill	One	Issued every three years.

The number of men at present to be provided with uniforms is 49 (including 11 watchmen, who would have the description 'Watchman' on the arm band).

The duffadar, it is suggested, will have a lace band to his turban and also the word "Duffadar" on his arm band.

(The reply to the second part of the Inspection Notes of His Excellency the Governor's Second Adviser will be sent separately.)

Ref:- Your letter No. 2123-1 of 1945 dated 7-1-46 to Government in the Education & P.H. Department - Copy communicated to this Department for remarks.

In G.O.No. Ms.417 Law (Education) dated 18-3-1932 sanction was accorded for the continuance of the free supply of ordinary clothing on the scale hitherto allowed to the 30 peons of the Museum who guard the galleries.

* 2 white drill long coats. 1 Year. 1 To each peon.
6 Brass Buttons. 3 " s.

With reference to G.O.Mis.No.1202 Education dated 7-8-1945, sanction was accorded on the scale mentioned above for the supply of ordinary clothing to 4 gallery peons whose posts were confirmed in G.O.No.1711 Education dated 14-11-44.

P.T.O.

- 2 -

As it is stated in your letter quoted above that at present the number of men to be provided with uniforms is 49 (including 11 watchmen), please state whether ordinary clothing is required for 15 peons in addition to the 34 peons for whom ordinary clothing has already been sanctioned and whether the 49 persons including the 34 gallery peons require Khaki drill suits (coats and trousers) instead of the scale ~~of~~ and particulars of clothing previously sanctioned.

Regarding the lace band for the turban to the Duffadar, please let me know whether a Red Serge sircaband bordered with lace similar to the supply made to the Duffadars personally attending on officers in the Secretariat may be recommended.

Green turban cloth (cotton), and arm bands of the description required and Khaki belt and buckle are not articles of cloths and clothing stocked and arranged for supply by this Department.

A very early reply is requested to enable me to forward my remarks to Government.

Ref:- Indorsement No. 5366-A/45-4 dated 15-1-46 communicating a copy of letter dated 7-1-46 from the Superintendent, Government Museum.

In G.O. No. Ms. 417 Law (Education) dated 18-3-1932 communicated under Finance Department, Endt. No. 21008 Pen-1 dated 2-7-1932, sanction was accorded for the continuance of supply of free clothing on the -- scale hitherto allowed (i.e.) noted below* to 30 peons of the Museum who guard the galleries and to 3 peons of the Connemara Library who serve as door keepers.

*Each peon.	2 white drill long coats.	...	1 year.
	6 brass Buttons plain.		3 years.

In his reply No. 172-1/46 dated 4-2-1946 (copy enclosed), the Superintendent, Government Museum has stated that 49 persons to be -- designated as watchmen in future (38 permanent peons and 11 watchmen) should be provided with free clothing.

Green turban cloth (cotton), arm bands of the description required and khaki belt and buckle are not stocked and arranged for supply by this Department. The Superintendent, may therefore be authorised to arrange for their departmental purchase.

Sanction may be accorded for the supply by this Department of a Red Serge sircaband laced for the turban used by the Duffadar, once in 2 years.

If Government are pleased, there is no objection to sanction the substitution of Khaki uniforms instead of white drill long coats and buttons sanctioned in G.O.No.417 Law (Education) dated 18-3-32. The scale proposed is mentioned below:-

Each of the	3 Khaki drill suits.	
49 peons.	(Coats and trousers)	
	Ordinary pattern,	2 Years.
	Coats with buttons.)	

The extra cost by the substitution of a set of uniforms as proposed will approximately work out to Rs.6/- once in two years.

Sir,

Sub:- Free clothing - Supply to peons in the Government Museum, Madras.

Ref:- Your letter No. B 5. 165/46 dated 19th January '46.

I have to bring to your notice that owing to retrenchment called for in para 4 of G.O.No. 572 Ms. (Fin) dated 2nd September 1931 we addressed Government in our letter No. 1321-1/31 dated 17th November 1931 for the free supply of clothing to only 30 peons as against 33 stopping supply to three peons. The Government have sanctioned the supply of free clothing to 30 peons in G.O.No. Ms. 417 Law (Edn) dated 18th March 1932. Subsequently with reference to G.Os. Ms. 1711 (Edn) dated 14th November 1944 and No. Ms. 1966 & (Edn) dated 24th November 1945 the five temporary peons were made permanent thus increasing the strength of the peons from 33 to 38. Now in addition to these 38 permanent peons we are advised to provide the 11 watchmen also with free clothing. I have therefore addressed Government in my letter No. 2123-1/45 dated 7th January 1946 suggesting to provide uniforms for 49 persons - 38 peons and 11 watchmen.

I approve your providing lace bands for the turban of the duffadar as suggested by you.

GOVERNMENT Museum, Madras - Supply of clothing to peons and watchmen.

From the S.G.M. No. 2123/1/45 dated 7-1-1946.

At present only the peons who guard the Museum Galleries are supplied with white drill long coats at Govt. expense and watchmen are not supplied with any kind of clothing. It has been suggested that the new kind of uniform proposed to be supplied viz. Khaki drill suits, may be restricted to 38 peons who guard the galleries and that the watchmen need not be supplied with the uniform. Secondly three khaki drill suits are proposed to be supplied once in two years. Cycle peons in the Secretariat and other offices are supplied only with two khaki drill suits once in two years. As the peons of the Museum have merely to guard the galleries it has been suggested

No. 648-1/46 Dated 23rd April 1946

Sub: Government Museum, Madras - Supply of
clothing to peons and watchmen.

Reference Government Memorandum No. 5366002/45-6
Enn., dated 29th March 1946.

I have the honour to state that it is true that the watchmen were not supplied with any kind of clothing so far; but it is seen as a result of the past experience of several years, the uniforms are certainly necessary for the watchmen also. In addition to their legitimate guard duties these men have to regulate the traffic - crowds and vehicles that come to the Museum during day time and to the theatre during night performances. It is highly desirable that the men who guard the compound should be readily distinguishable from the visitors. The uniform is equally necessary for securing the respect necessary for exercising effective control over the conduct of the visitors, and adopted by Museums all over the world. This in itself is sufficient reason for the supply of uniforms to the watchmen also as both the Museum and the theatre are places of public resort visited by large numbers of people every day.

2. The proposal for the supply of three khaki drill suits once in two years was made for the following reasons:-

It is desirable, and we also insist, that the staff of men who guard the galleries as well as the compound should appear neat and tidy. Thus the peons and the watchmen in the Museum have always to be cleaner than the cycle peons referred to in the Memorandum quoted above and consequently the wear and tear on washing will be greater in their case. This is the number supplied to the gallery guards in the Prince of Wales Museum, Bombay.

3. The red serge laced sirca band to the Duffadar is intended for his turban as suggested by the Superintendent of Stationery in his letter No. 8.5.165/46 dated 19-1-1946. The duffadar has got to exercise control over the whole of the inferior and menial staff. To differentiate the duffadar from the rest of the menial staff the laced sirca band has been suggested for his turban.

4. The approximate cost of uniform for one man is furnished below:

(P.T.O.)

Description..	No. supplied to each man.	Approximate cost of each.
Khaki drill suits (coat and long pant)	Three suits to be issued every 2 years.	Rs. A. p. 36- 0 0

Khaki belt and buckle...	One yard -- do ---	1- 8 0
Arm band..	One -- do ---	1- 8 0

No estimate has been furnished of the ^{super}~~full~~ extra cost involved in the proposals. The Superintendent of Stationery has stated that the ^{replacement}~~substitution~~ of the existing uniforms by the Khaki drill suits will involve an extra cost of Rs.6 per set once in two years. (The cost of existing uniform is not known)

2. At present only the peons who guard the Museum galleries are supplied with white drill long coats at Government costxx and watchmen are not supplied with any kind of clothing. The A-2's remarks are that as the white coats now supplied to the peons get soiled quickly, the Museum peons should be supplied with distinctive uniforms. That does not ~~seem to~~ mean that ~~that~~ watchmen who do not guard the galleries during the day time when the Museum is visited by the public, should be provided with uniforms. This department may therefore suggest that the new kind of uniforms proposed to be supplied may be restricted to the peons ⁽³⁸⁾ ~~alone~~ who guard the galleries.

3. Secondly 3 Khaki drill suits are proposed to be supplied once in 2 years. The cycle peons in the Secretariat and other offices are supplied only with 2 khaki drill suits once in 2 years.
