N. Dis. - 148/45 dated 25-4-45

Petition of P. Sambayya of Appanpudi, Gannavaram Taluq, parent of P. ~~Hasbein~~ Hashen a pupil of 5th class B. H. School, Gannavaram for retention of half fee concession to his boy.

5

(4)

Submitted to the Director of Public Instruction, Madras through the President, District Board, Kistna.

2) The pupil joined 5 class in the beginning of July 1944 and was permitted to pay half fees as he had produced an income certificate duly signed by the Local Tahasildar and obtained orders of the President, District Board thereon sanctioning the concession. But the District Educational officer, Kistna raised an objection to the grant of the concession on the ground that the pupil's caste has been mentioned in the income certificate as "Pallikari" and ~~that~~ not as "Agnikula kshatriya" as required by the Madras Educational Rules. It has therefore been ordered by the President, District Board, Kistna in his N. Dis. A5- 4594/45 - dated 13-3-45 that full fee should be collected from the pupil from the beginning of the year. The present petition is from the parent of the pupil for orders for retention of the half fee-concession.

It is submitted that the objection raised by the District Educational Officer is a technical one. In these parts, people who call themselves "Agnikula kshatriyas" are also called "Pallikaris". Both the terms are synonymous. In fact the original caste name of these people is "pallikari" and ~~the~~ The term "Agnikulakshatriya" is only a recent innovation. Hence it is unjust ~~to~~ to withhold the concession from the pupil simply because he has, out of ignorance, ~~that~~ not mentioned the caste name specified in the Madras Educational Rules.

4) Instances are not wanting where castes other than those mentioned in the Appendix 17 of the M.E.R. have been given the benefit of fee-concession provided they are identical. Kamsali and Viswa-brahmin, Jandara and Sali, Sisti Karanams and Griyas & Gouda and Gamalla or Kalali have been treated as identical for purposes of fee-concession.

5) The present case therefore deserves sympathetic consideration and it is requested that the benefit given to the above mentioned castes may kindly be extended to people of the "pallikari" caste also who are otherwise called Agnikula Kshatriya.

6) A copy of the orders issued by the District Educational Officer objecting to the grant of the concession is enclosed for favour of perusal.

2. The Dt.Educational Officersand Dt.Collectors in [illegible] Division have been consulted in the matter. The information furnished by them shows that not only people called "Palle" but also those called Pallicary, Pallava, Palli, Jalari, Marakadu, Bestha, Maraka and Vada Balija, are all the same as Agnikula Kshatriyas. Three of these names are already included in Appendix 17-A to the Madras Educational Rules, viz., Agnikula Kshatriya- item 149, Vadabalija- item 143, Bestha- item 12.

BK No 151 - p44

3. As people known by all the denominations mentioned in para 2 supra are of the same community, children of all of them are eligible for fee concessions under M.E.R.92; but instead of including all these names in Appendix-17-A, it may probably be enough if orders be issued that the term "Agnikula Kshatriya" includes people known by the several denominations stated above.

4. The reports of the Collectors and the Dt.Educational Officers are submitted herewith.

Sir,

Sub: Your Roc.216-BP/45 dated 31-5-45.

The term "Pallicaries" is identical with "Agrikula Kshatriyas" and they both represent the same caste. Hence "Pallicaries" may also be included in appendix 17 A of the M.E.R.

The D.P.I. is informed that for the reasons explained in their Memo No: 51850 C-1 Edn, dt. 11.12.44, addressed to the Commr, Walajapet Municipality ~~and~~ (~~copy of which was~~ commd: to ~~them~~ director) the Govt do not consider ~~that~~ it ~~is~~ proper to issue ~~the~~ departmental instructions as proposed in this letter cited above. Local officers should not find it difficult to equate variants of the community name given in the list of backward classes and issue certificates accordingly.

M.E.R.--Rule 92--Fee concessions to certain communities.

p1 of G.O.No. 171 Leg 13-6-29 (C)

At the instance of the Legislative Council which moved a resolution in 1928 that the class of people generally known as "Vanniers or Pallis" should be uniformly designated as "Vannikula Kshatriyas" in Tamil Dts. and "Agnikula Kshatriyas" in Telugu Dts., those two names were included in the list of backward classes in the place of "Vanniars or Pallis". The Divl. Inspr. of Schools, Guntur, reports that not only people called "Palli" but also those called 'Pallicary', 'Pallava', 'Jalari', 'Marakadu', 'Bestha', 'Maraka' and 'Vada Balija' are the same as 'Agnikula Kshatriyas' and he recommends that orders may be issued to the effect that the term 'Agnikula Kshatriya' includes people known by these names also. The D.P.I. enquires whether departmental instructions may be issued accordingly.

2. The terms "Bestha" and "Vada Balijas" already find a place in the list of backward classes. In the representations made by the Agnikula Kshatriya Mahasangham in 1928 it was stated that the community was shown in the records as 'Palli', 'Pallava' and 'Marakadu'. There is no mention in ~~the~~ Thurston's Castes and Tribes ~~of~~ to 'Pallicary' and 'Pallava'. As regards 'Jalari', 'Marakadu' and 'Maraka', it is stated in the book that they are found in Telugu country, their occupation being that of fishermen. It may be that the 'Agnikula Kshatriyas' are known by the names mentioned above.

3. In Octr. 1944, the Municipal Council, Walajahpet, represented that '~~Vaniya~~ Vannia' and 'Nayagar' are synonymous with 'Vanniyakula Kshatriya' and wanted the former two included in the list of backward classes along with the latter. The Govt. considered that it was not proper to introduce a new name for the 'Vanniyakula Kshatriyas' in the list in view of the Legislative Council Resolution referred to above. They also informed the Commissioner that local officers should [illegible]

the community given in the list and issue certificates.

4. There may be other communities included in the list which are known by varying names in different parts of the country and if the Director's recommendation in the present case is accepted, similar proposals may be put forward in the case of those communities also. It may be pointed out in this connection that the question of revision of the list of backward classes was raised in 1943 and the proposal was postponed for the duration of the war as it was considered that the Collectors would justifiably object to the extra work. Though hostilities have ceased, the war has not officially ended. The work of Collectors has not been reduced; they have now additional work relating to the resettlement of demoblised personnel. It does not seem that it is now opportune to take up the question of revising ~~of~~ the list. ~~new~~. // In the circumstances, it seems sufficient if the D.P.I. is informed as at "A" above. For orders.

owing to grant of dearness allowance to staff and loss sustained by them on account of the grant of ednl. concessions to children of soldiers.x It does not seem desirable to add to their burden. If however Govt., should issue an order permitting local bodies to grant full fee concessions to Agambadiar children it would ~~it would~~ seem necessary to consult the Presidents of a few Dt.Bds. and a few Collectors. The Agambudaiyans proper are found in the Tanjore, Madura, Ramnad and Tinnevelly Dts. The Agambadiars in Coimbatore &c are not such a poor community as to be classed with the backward classes. I agree it is not right to add to the existing burden of local boards which they are already finding it too difficult to bear. No reference to District Collectors & President District Board is necessary. Note that may be done ~~the matter may be~~ ~~kept for consideration & this case from Dis~~ when the list of backward classes comes for ~~District~~ revision.
