PUBLIC RELATIONS - Newsprint and poster-paper
transferred to C.S. Dept. from the Publicity
Dept. - Utilisation of for posters.

About 22 tons of newsprint and 250 reams of
poster-paper have been transferred to this department
from the office of the Director of Publicity. In
Public (War) Department memorandum No. 594, dated
10-4-46 it has been ordered that no adjustment of
costs is necessary in respect of the newsprint.
Regarding the poster paper, it is understood that the
Education & P.H. Department has addressed the Govt.
of India about the transfer of the paper to the Food
Department and that their reply is awaited. Reference
is solicited to the Education and P.H. Department
Endt. No. 14732-C2/46-3, Education, dated 24-4-46 from
which it is seen that the question has been referred
to the Deputy Controller of Stationery, Calcutta. In
the meanwhile, owing to the very urgent necessity of
bringing out a poster relating to the popularisation
of wheat, 60 reams of poster-paper have been utilis-
ed out of this stock. The Education & P.H. Department
may be informed of this fact and they may perhaps be
requested to say whether this department may use
further quantities of paper from this stock, in
anticipation of sanction of the Govt. of India.
