No. P.E.C./Shift 46 dated 18th February 1946.

Sir,

Sub:- Government Press - Advance salary to staff in connection with the proposal to move outside the City - Outstanding Balance - Irrecoverable write off orders solicited.

I have the honour to forward herewith two statements showing the balance due from the employees of Government Press, Madras towards advance granted to them in accordance with the instructions issued to all Heads of Department in Public Department circular dated 12th April 1942 to meet their travelling allowance etc. in connection with the proposal shifting of the Press outside the city during April '42 and solicit orders to write off the amounts as they could not be recovered from these employees for reasons mentioned against each in the list 'A'. As regards items 16 to 19 in the list 'B' steps taken to trace out and ascertain the whereabouts of these who had joined Military services and to recover dues from them were not successful. These amounts may also be provisionally written off but recoveries will be effected as and when it is possible to do so by locating the units to which they belong or on their reversion to their posts in this office.
