E.D. C. NoB.7. 676 of 1946, Dated

Enclosures: One. No.

Sir,

Subject:— Education - Elementary - Madras Corporation - Dearth of Secondary Grade teachers in Corporation Schools - Proposal to meet the demand - Coaching teachers for Matriculation Examination - Sanction requested.

At present only 20% of the teachers in Corporation Schools possess Secondary Grade trained teachers' certificates. With a view to increase the percentage of Secondary Grade teachers and thereby improve the efficiency of Corporation Schools, the following proposals were approved by the Council at its meeting held on 11-12-45.

The Elementary Higher Grade Teachers who have appeared for the S.S.L.C.Examination but have failed in the Public Examination or those Teachers who can be granted exemption may be coached up for that examination with the help of L.T's and College Lecturers by holding classes in a Central Corporation School in the evenings and on school holidays. The lecturers employed for this purpose will be paid an allowance of Rs.30/- per mensem. Lighting charges etc., will be met by the Corporation. The teachers who have studied upto VI Form will be compelled to attend the special classes and appear for the Matriculation Examination. From the date of passing the examination, they will be paid a special pay of Rs.5/- per mensem. The Government Educational authorities will be requested to authorise the teachers to teach English for Standards IV & V and to convert their training certificates into Secondary Grade teachers' certificates without any further teacher's training as is done now. In case the proposal to change the certificates of these teachers from Higher Grade to Secondary Grade is approved by the Director of Public Instruction, they will be treated as Secondary Grade teachers for purpose of pay and the allowance of Rs.5/- per mensem will not be paid.

The above proposal was approved by the Standing Committee (Education) on 5-11-1945 with the proviso that an undertaking should be

insisted upon from the teachers to continue in Corporation service for five years, and the Council at its meeting held on 11-12-1945 approved the recommendation of the Standing Committee (Education). A provision of Rs.2,000/- is made in the budget for 1946-47 for the coaching of teachers for the Matriculation and S.S.L.C. Examinations and Rs.600/- for the payment of Special pay to those teachers who pass the examination.

I request that Government may be pleased to approve the above proposals and accord sanction to debit the expenditure as shown above to the Elementary Education Fund.

An extract from the proceedings of a meeting of the Council dated 11-12-45 on the subject is enclosed.
