SUB:-MADRAS EDUCATIONAL SERVICE - New post of Lecturer in Physics - Government Muhammadan College, Madras - Proposals for filling the - Submitted.

.....

In their order Ms.No.708, Education, dated 1-4-1946, the Government have sanctioned the creation of three new posts of Lecturers in Mathematics, Physics and Chemistry in the Madras Educational Service in the Government Muhammadan college, Madras. They have permitted the employment of the Lecturers in Physics and Chemistry with effect from 1-4-1946. I submit the following proposal for the filling of the post of Lecturer in Physics.

2. According to Rule 3(b) of the Special Rules for the Madras Educational Service any appointment to be made to the service by transfer in a post attached to the Government Muhammadan College should, if a qualified and suitable candidate of the Muhammadan community is available, be made only from that community. Syed Yakub Sahib, officiating Assistant Lecturer in PHYSICS, Government Muhammadan College, Madras, is the only candidate belonging to the Muhammadan community who is qualified for appointment by transfer to the post of Lecturer in Physics in the Madras Educational Service. He is an approved probationer in the category of Assistant Professors and Assistant Lecturers and is a permanent Deputy Inspector of Schools. As he is an approved probationer in the category of Assistant Professors and Assistant Lecturers, he is eligible for appointment to the Madras Educational Service by transfer. His record has been good throughout. I consider him quite fit for promotion to the post of Lecturer in PHYSICS in the Madras Educational Service. However, his name is not in the Approved List for appointment to the post of Lecturer in Physics.

As the

As the post has already been sanctioned and it has to be filled up immediately, I recommend that the Government may be pleased to appoint Syed Yakub Sahib, Assistant Lecturer in Physics, Government Muhammadan College, Madras, as Lecturer in Physics in the Madras Educational Service in the same college under Rule 9(a)(i) of the General Rules relating to the Madras Provincial and Subordinate Services. I also recommend that his appointment in the Madras Educational Service be regularised, as early as possible, in consultation with the Madras Public Service Commission.

3. I submit herewith the personal file of Syed Yakub Sahib for reference and return.

I have the honour to be,
Sir,
Your most obedient servant,

S. K. Saron

Sri P.A. Parthasarathy Ayyangar	Assistant Lecturer in Chemistry, Government Muhammadan College, Madras.	YRS.	MTHS.	YRS.	MTHS.	May be appointed to officiate as Lecturer in Chemistry in the same college in the Madras Educational Service. In their order MS.No.708, Education, dated 1-4-1946, the Government while sanctioning the creation of 3 new posts of Lecturers in the Government Muhammadan College, Madras, with effect from the academic year 1946-47, have permitted the employment of a Lecturer in Chemistry and a Lecturer in Physics with effect from 1-4-1946. In regard to the filling of the post of Lecturer in Chemistry I may invite the attention of Government to Rule 3(b) of the Special Rules relating to the Madras Educational Service and state that there is no qualified candidate of the Muhammadan community in the Education Department, who can be appointed to this Chemistry vacancy in the Madras Educational Service by transfer. I, therefore, recommend that the post may be filled by the appointment of Sri P.A. Parthasarathy Ayyangar, Assistant Lecturer in Chemistry in the same college.

6
Sri Parthasarathy Ayyangar's name has been included in the Approved List as fit for appointment to category 5 of Class III (Lecturer in Chemistry) - vide: G.O.Ms.No.691, Education, dated 15-5-1943. I may state that Sri N.L. To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

REF: Govt. Memo.No.20621 A.2 Education, dated
22-4--1946.

WITH reference to paragraph 1 of the Government Memo. cited above, I have the honour to state that no compensating vacancy in the Madras Educational Service have to be reserved for War Service candidate, in view of the fact that no vacancy which arose prior to 1-4-1943 and reserved for Direct Recruitment for war service candidate has been filled substantively by candidates recruited in the ordinary way.

2. With reference to paragraph 2 of the Government Memo. I have the honour to state that my recommendations in R.Cl.No.17/46-1, and 2, dated 7-4-1946 were submitted before the receipt of G.O.No.839 Public (Services) dated 5-4-1946. The orders contained in G.O. do not, however, appear to vitiate the recommendations already made by me in the circumstances explained below.

3. According to paragraph 2 of G.O.No.839, Public (Services) dated 5-4-1946 only temporary vacancies which should under the rules for the Madras Educational Service, be filled

by

by direct recruitment and which remained unfilled on 1-2-1946 or were ~~not~~ filled by persons appointed under the emergency provisions for want of approved candidates and also vacancies of a similar nature which arise between 1st February 1946 and 31-3-1947 (both days inclusive) should be reserved for war service candidates. These temporary posts are not however vacancies which should, under the rules for the Madras Educational Service, be filled by direct recruitment. With reference to Rule 5(b) of the General Rules relating to the Madras Provincial and Subordinate Services read with rule 2(e) of the Special Rules for the Madras Educational Service no vacancies other than substantive vacancies should be taken into account for purposes of deciding the method of recruitment. As these vacancies are temporary ones, it seems to me that according to the Services Rules, they have to be filled by transfer to begin with and that the question whether they have to be ~~filled~~ filled substantively by direct recruitment or by transfer will arise only from the date from which these posts are permanently retained.

M.E.S. - Posts of Lecturers in Physics and Chemistry,
Govt. Mmdn. College - Filling.

The D.P.I.'s proposals in the C.F. relate to the filling of the tempy. posts of Lecturer in Chemistry and Lecturer in Physics sanctd. for the Govt. Mmdn. College, Madras, from 1-4-46.

2. Under para 2 of G.O.839-P.(S), dated 5-4-46, ~~among others~~ all tempy. vacancies which arise between 1-2-46 and 31-3-47 and which are likely to become permanent or which are likely to continue for a long period, say 3 yrs., and which should under the rules for the service be filled by direct recruitment, should be reserved for war service candidates. The Dir.'s remarks were called for on the question whether these posts should be filled by transfer or reserved to be filled by direct recruitment, so that the point whether the tempy. vacancies may have to go to war candidates w.r.t. the above G.O. might be settled. The Dir.'s reply is on pp.9-10 C.F. The intention of the orders in para 2 of the G.O. ^{apparently} is to apply the ~~usual~~ method of recruitment to all tempy. posts which are likely to be made permanent or which are likely to exist long, say, 3 years. If so, it seems that for purposes of settling the method of recruitment, the date on which the tempy. posts are created should be taken into account ^{and this is quite reasonable} for settling the method ~~of recruitment and following from the vacancy last filled in the units concerned it is whether~~ by transfer or by direct recruitment, as the case may be.

Accg. to this method ~~of recruitment also~~, the tempy. vacancies in the posts of Lecturers in Physics and Chemistry, Govt. Mmdn. College, should be filled by transfer as the previous subst. vacancies in both the ~~posts~~ ^{units} have been reserved to be filled by war candidates. It, therefore, seems that the case may be proceeded ^{with} further on this footing.

3. The vacancies are in the Govt. Mmdn. College. Rule 3(b) of the special rules for the M.E.S. prescribes that any appt. to be made to the service by transfer in a post attached to the Mmdn. College shall, if a qualified and suitable

candidate of the Mmdn. community is available, be made only from that community. *The recommendation of the Director of Public Instruction are examined below:-*

(a) Lecturer in Chemistry: The Dir. states that there is no qualified candidate of the Mmdn. community in the Edn. Dept. who can be appointed as Lecturer in Chemistry by transfer. He, therefore, recommends that Sri P.A. Parthasarathi Ayyangar, Asst. Lecturer in the college, whose name is in the approved list, may be appointed. The Dir.'s recommendation is in order and it may be accepted.

(b) Lecturer in Physics: W.r.t. G.O. 3168 484-P.(S), dated 30.10.44, as subsequently amended, Govt. have been sending every year an estimate of the no. of candidates to be selected for appt. to the M.E.S. by transfer from the M.E.S.S., the list to cover a period of 12 months from 1st May. The candidates selected by the Commn. in accordance with the estimate are approved by Govt. and kept ready and whenever vacancies arise in the service these candidates are appointed. In the list last approved in G.O. 1331-Edn., dated 1-9-45, there are two candidates ^{for} in the Physics unit and they are available for appt. Rule 3(b) mentioned above laid down that if a qualified and suitable candidate of the Mmdn. community is available, the appt. should be made from that community. The Dir. states that Syed Yakub Sahib, Asst. Lecturer in Physics, Govt. Mmdn. College, is qualified and suitable for appt. as Lecturer, but points out that his name is not in the approved list and that, therefore, he may be appointed under General rule 9(a)(i) and that the temp. appt. may be regularised as early as possible in consultation with the Commission. In view of what is stated at "P" above, it is for consideration whether the candidate recommended by the Dir. can be ^{considered as being} ~~taken to be~~ 'available' for appt. ^{to this post}. It seems that a candidate can be considered to be available for appt. only if and after the Commission ^{finds} ~~found~~ him suitable for appt. to the post of Lecturer. If it is decided that the candidate is not available ^{for} technically, ~~amongst~~ candidates in the approved list will have to be appointed and the Dir. will have to be consulted on this first. If, on the other ~~at~~ hand, it is considered that much stress need not be laid on the word "available", the Dir.'s recommendation may be accepted. *For orders.* ^{In the latter case the P. Service Commission will have to be addressed specially}

The ^{view taken} position stated by E & P.H. at A on p. 1 ante may be concurred in in this department.

2. Para 3(b) of E.&P.H. note on pp.2-3 ante.-

The expression "qualified and suitable candidate of the Muhammadan Community is available", occurring in 3(b) of the Madras Educational Service Rules should, by implication, be taken to refer only to an "approved candidate" of that community. It is understood from E.&P.H. that Mr. Syed Yakub Sahib is the seniormost Asst. Lecturer in ~~Physics~~ ^{also by the D.P.I.} of his community awaiting appointment to the Madras Educational Service by transfer, and ^{under the rules} is stated to be eligible for such appointment. The Director of Public Instruction considers him quite fit for promotion to the post of Lecturer in Physics in the Madras Educational Service. It may, therefore, be reasonably presumed that his name is likely to be included in the approved list of candidates for appointment by transfer to the Madras Educational Service next year or so. However, in view of the urgency of the case and having regard to the notes at 'A' on pp.16-17 of G.O.No.549, Pub.(Ser.) d/- 18-3-36, which set out the policy of the Govt. in the matter and the purpose underlying the provision in rule 3(a), this Dept. may agree to the appointment of Mr. Syed Yakub Sahib as lecturer in Physics, Govt. Muhammadan College, Madras, under the emergency provisions, and the Commission approached in regard to the suitability of the candidate for regular appointment as suggested at 'X' on p.2 ante.

After orders are passed, the file may be returned to

E.&P.H.

I want Pub(Ser)-C also to note on this case particularly on the first point. They should examine whether the view stated at N on p.1 supra is correct. Sent. rule 5 should be referred to in this connection.

Appointment to the posts of Lecturers in the Collegiate Section (Men's Branch) of the Madras Educational Service is by direct recruitment or by recruitment by transfer from the Assistant Professors and Assistant Lecturers (Men) in the Madras Educational Subordinate Service or by transfer from any category on an identical scale of pay in the class ^{III of the Service} - See entries under class III in rule 2(a) of the Madras Educational Service Rules. Posts connected with a particular subject are regarded as constituting one unit and substantive vacancies arising in each such unit should be filled or reserved to be filled alternately by direct recruitment and by recruitment by transfer from Madras Educational ^{Subordinate} Service -- See rule 2(e) of the Madras Educational Service Rules. Under rule 5 of the General rules where the normal recruitment to any service, class or category is neither solely by direct recruitment nor solely by transfer but is both by direct recruitment and by transfer the proportion or order in which the special rules concerned may require vacancies to be filled by persons recruited direct and by those recruited by transfer shall be applicable ^{only} to substantive vacancies in the permanent cadre, and a person should be recruited direct only against a substantive direct recruitment vacancy and recruitment to all other vacancies ^{shall} be made by transfer. The vacancies under reference in this file, being temporary, should therefore be filled by transfer and not by direct recruitment. They ^{and} will not ~~therefore~~ be reserved for war service candidates as para 2 of G.O.No.839, Public (Services) dated 5-4-46 contemplates the reservation of only direct recruitment vacancies. The view at 'N' on p.2 ante is not correct.

Please see Public Dept's view at M. on p 5 ante.
If this view is agreed to, no temporary vacancy in
the M.E.S need be reserved for war service
Candidates. The decision may be communicated
to the D.P.I for guidance.

2. The file deals with the proposal of
the D.P.I for filling the temporary posts of
lecturers in Chemistry and Physics ^{in the M.E.S} sanctioned for
the Muhammadan College, Madras. The D.P.I has
recommended the appointment of Sri P.A. Parthasarathi
Ayyangar as lecturer in Chemistry; for the post of Physics
he has recommended the appointment of Mr. Syed

Yakub Sahib under rule 9 (a) of the General rules
relating to Provincial and Subordinate Services, the
appointment to be regularised subsequently in
consultation with the Madras Public Service Commission.

This Dept propose to accept the recommendation
of the D.P.I. Public Dept. agree.

The file may be circulated for orders.
