Sir,

Sub:- Record Planks - Purchase of 1946-1947.

I have the honour to apply for the permission of the Government for purchasing six hundred (600) record planks for use in this office. The record planks are generally purchased every year for the purpose of bundling up the G.Os which are mended and flattened and for replacing some of the old planks which are broken. The planks used to be made of teak wood, but it is proposed to purchase planks made of azini wood owing to the non availability of teak wood.

2. The Superintendent of the Penitentiary has agreed to supply 600 record planks of azini wood at ten annas per

plank

plank exclusive of packing and forwarding charges and the total cost of the 600 planks thus comes to Rs.375/- The packing and forwarding charges may come to about Rs.20/-. On the whole the expenditure may amount to Rs.400/-. Provision for this item of expenditure has been made in the Budget Estimate for 1946-47.

3. A similar permission for the purchase of 300 record planks was accorded last year by the Government in G.O.No.1484 Education dated 9-10-1944.
