2. Under existing rules, secondary-grade teachers are required only for certain classes and for certain purposes in

The attention of the Director of Public Instruction is invited to G.O.No.22. Public (Services) dated 4th January 1946. He is requested to offer his remarks on the question whether any similar orders are necessary in the case of the teaching staff employed in Local Fund and Municipal educational institutions.

Govt. Memo.No.11495-B1/46-1.Edn. dated 5th March 1946.

The five year rule for Government servants which has now been amended by G.O.No.22, Public (Services) dated 4-1-1946 does not exist in the establishment rules for local bodies. There is, therefore, no necessity to pass orders similar to G.O.No.22 Public (Services). However in regard to Elementary Education, orders similar to those contained in the concluding sentence of para 1 of G.O.No.22 Public (Services) dated 4-1-1946 may be considered sufficient.

2. As regards Secondary Education, the attention of Government is invited to paras 2 and 3 of my letter Rc.No.321-G/46 dated 8-3-46. No special concessions toward service men seem to be called for.

Even if they are posted as head-masters of ele. school they can only be given a duty allowance at the discretion of the local bodies. In the circumstances, the need for the issue of orders similar to those in G.O. 22 Public (Services) is not clear. The D. P. Sir,

Subject:- Establishment - Local Bodies - War service - Special consideration for purposes of promotion etc.

Reference:- Government Memo No. 2794-B.2/46-1 Education dated 6-5-46.

....

I made the remark in para 1 of my letter R.O.C.No. 1101-B/46 dated 5-4-46 with the following point in view:-

While there is no scope for promotion for higher elementary grade teachers, Secondary grade teachers on the other hand, could be appointed as supervisors of elementary school. Also secondary grade teachers in higher elementary grade posts could be appointed to secondary grade posts on the higher scale of pay. In such cases, war service rendered by them could be given special consideration.

Copy of letter dated 12-2-46 from Sri T.V. Subba Rao, B.A., L.T., Board High School, Gannavaram, Kistna District.

I beg to submit the following for your honour's consideration and orders.

The pamphlets and circulars issued by the Government of Madras about the resettlement of the demobilised persons do not mention clearly about persons who were in service before 1939 and rendered whole time war service.

I may be informed whether (1) there is any concession to persons who have rendered whole time service in A.R.P. and who were by that time permanent servants in the Local Fund department. (2) can these persons claim any preferential treatment over persons in the same department with the same qualifications. (3) whether there is any time limit for claiming the concession, if any, by persons who are already in service.

Public (Service) Department.

G.O.No.22. Public (Ser) dated 4-1-46 applies to Govt. servants who have rendered "war service". It is not known whether L.A. Dept. have issued any similar orders in respect of servants of local bodies as Dt. Boards etc. This may be transferred to them u.o. for disposal.

V.P.E./16-2-46.

Please see the letter on pp. 1-2 ante. and the note of Pub (Ser) on p. 2 ante. *above*

2. Orders similar to those issued in G.O.22 Pub, dated 4-1-46 have not been issued in respect of services under local bodies.

3. So far as the ministerial service under local bodies is concerned, promotions are made to the following posts:-

Secretaries of Dt. Bds., Supdts, managers of Dt. Educational offices and *Board* offices, Accountants, U.D. clerks and Revenue officers. All these posts have been declared to be selection posts and promotions to them shall be made on grounds of qualifications and merit. When qualifications and merit of two or more candidates are approximately equal, the P.D.Bs. or the appointment Committee can certainly be expected

to give preference to a candidate who has rendered war service. It is for consideration whether instructions in this behalf are necessary and ~~whether~~ whether the Inspector may be consulted.

The letter on pp.1-2 ante is from a teacher of the Bd. High school, Gannavaram, Kistna Dt. E & P.H. may be requested to consider whether any special instructions should be issued in regard to the Ednl. staff of local bodies. The file may be transferred to that Dept.

T.SR/23-2-46.
Edn., & P.H.Dept.

Please see the notes of L.A. Dept. on pp.3.4 above.

So far as the educational staff of Secondary schools maintained by local bodies are concerned, promotions are made to the posts of Headmasters and L.T. grade assistants. Posts of Headmasters are selection posts. The D.P.I. may perhaps be consulted whether any instructions similar to those in G.O.No.22 Pub (Ser) dated 4-1-46 should be issued in regard to educational staff employed by local bodies.

C.No.26663. From the D.P.S. R.O.C. No.1101-B/46 d/

16-5-46.

The D.P.S. suggests that war service put in by teachers in elementary school should be taken into account for purposes of considering their case for promotion as supervisors of ele. schools or as teachers in secondary grade posts. The recommendations of the D.P.S. are examined below:-

Supervisors of ele. schools: Generally Supervisors are employed in municipalities where ele. edu is made compulsory. The qualifications prescribed for referees are that they should possess a trained teachers Certificate of Collegiate or secondary grade. Recruitment to posts of Supervisors are generally made from among the secondary grade teachers working in municipal ele. schools. The Director suggests that in promoting secondary grade teachers to posts of Supervisors, teachers with war service should be preferred. His recommendation may be accepted. The same consideration may be allowed to L.T. teachers in ele. schools. Secondary grade teachers in secondary grade

posts: Generally, teachers in ele. schools will be either lower or highest ele. grade trained or secondary grade trained. It has been laid down that secondary grade teachers will be necessary for the following purposes (1) to be in charge of standards VI to VIII of higher ele. schools, (2) to be the head-masters of lower ele. schools having four or five teachers and (3) for teaching English in ele. schools. Secondary grade teachers who are not required for either of the purposes specified above, should, if employed in ele. schools, be treated as higher ele. grade teachers. If vacancies in secondary grade posts arise, secondary grade teachers working in higher ele. schools may be promoted.
