Ac.No. 99 A/45, dated 10-5-1946. 19

Sir,

Schools - Government College High School,
Coimbatore - Closure of - Proposals submitted.

In Government Memo No. 58233 C1/46-3 ddn., dated 4-3-46 Government have ordered that 4000 additional teachers are to be trained from July next. As it is we are very short of accommodation and many sheds had to be put up last year for the 1000 additional students admitted for training. We shall require all available buildings for the number of students who will be admitted in June or July next.

The problem of accommodation in Coimbatore has long been very acute and in G.O. Ms. 816 Edn., dated 3-6-1942 Government approved the proposal for the gradual closure of the Government Secondary Training School for Masters Coimbatore, and the closure of Forms I to III of the High School attached to the Government College, Coimbatore to provide accommodation for other Educational institutions. I consider that the Government Secondary Training School for Masters may now be revived as from the school year 1946-47. I shall be submitting my recommendation in this regard in due course.

The High School attached to the Government College, Coimbatore is in a bad state and as having poor attendance. The High School forms may be abolished from 1-6-46 and the students at present reading in these forms may be admitted into the other High schools in the Town. It will also be in keeping with Government policy, as far as possible, to give up the direct management of Government Secondary Schools except of those for girls and backward communities. The buildings can be utilised for the proposed Training School.

A report regarding the number of posts to be abolished will be submitted to Government in due course.

Early orders are requested.

for Director of Public Instruction.
