RCNo. 859--K/46 dated 18th May 1946.

Sir,

Sub: Presidency High School for Girls, Egmore-
Permanent retention of the post of Music
Mistress.

27138L

The sanction accorded in G.O. 920 Education dated 19-6-45, for the continuance of the temporary post of Music Mistress in the Presidency High School for girls, Egmore expires on 1.7.1946. It is reported that in 1945-46 two pupils in Form V and two in Form VI took Music as Optional subject and that the number of girls likely to take it as optional in Form V in 1946-47 is seven.

The post of Music Mistress has been in continuous existence in the school since 1937. The Superintendent of the school states that her pupils in general show a very keen interest in the subject. The usefulness of the post in a girls' school like this should not be measured solely by the number of pupils in optional Music and I am of the opinion that the retention of the provision for Music is a

is a leading institution like this is very desirable.

I recommend the sanction for the permanent retention of the post of Music Mistress in the school from 1.7.1946.

Necessary provision has been made in the Budget Estimate for 1946-47.

Please see the notes of EPH and Finance on p3 n.f. of No 920 Edm dated 1946-45. It will be seen from EPH note at A on p3 n.f. of (2), that in 1944-45, while it was expected that about ten students would take up the subject, actually only five pupils took it up. And even last year, it is reported, that only two in Form V and two in Form VI took up the subject. The D.P.G. states that "the no. of girls likely to take up music as optional in Form V in 1946-47 is seven". This time also, it is not certain whether his hope will be realised. Even then a rise ^{in strength} from five to seven is not a considerable ^{enough} increase to justify the permanent
