Sir,

REF: G.O.No. MS. 1096 Education dated 3-6-46.

In enclosing herewith a copy of D.O. letter dated 1-6-46 from the Honourable Minister for Education, I have the honour to state that, based on the D.O. referred to above, I issued instructions on 3-6-46 to the Principal of the Government College, Coimbatore, (copy enclosed) that Forms V and VI of the High School are to be continued until further orders. The Principal has also been instructed not to ~~be~~ make admissions in Form IV pending issue of further orders.

In these circumstances I have the honour to request orders of Government as to their final decision in the matter.

for DIRECTOR OF PUBLIC INSTRUCTION.

Copy of D.O. letter dated 1-6-46 from the Honourable Minister for Education.

----- (Camp) Ramakrishna Vidyalaya, Coimbatore, 1st June 1946.

I have had a talk with the Divisional Inspector of Schools and the D.E.O., Coimbatore here today. They think that the Government High School at Coimbatore may be continued for another year and both the High School and training school can exist together in the Old Government college building.

The results in the Government High School, Coimbatore has been very bad indeed. It is in fact a blot upon the management of that High School. The Divisional Inspector suggests that the school must be left to the independent charge of the Headmaster under the D.E.O., instead of being under the Principal. I shall be glad if you will please take action to offer this change of management.

Copy of Director's Proceedings R.C.No.99-A/45, dated 3-6-46 to the Principal, Government College, Coimbatore.

Sub: Government College High School, Coimbatore - closure of.

The Principal, Government College, Coimbatore is informed that Forms V & VI of the Government College High School are to be continued until further orders. Orders regarding Form IV will issue separately. In the meanwhile no admission should be made to this class.

Order no 1137 Edu. dt 2/6/46.

The D.P.I. is informed that in view of the paucity of seats available at present in the existing high schools at Coimbatore, Forms IV to VI in the high school attached to the Government College, Coimbatore, should be continued during the school year 1946-7 and that the question of abolition of the forms may be considered at the end of the year. He is requested to issue ^{immediate} instructions to the Principal, Govt college, Coimbatore that

that admissions should be made to Form IV also in the current year. The results of the school seem to be very poor.

3. The D.P.I. is requested to take steps to improve the administration of the high school as suggested by the Divisional Inspector of Schools. The D.P.I. shall also consider the suggestion of the Principal of the school that the school be managed by a committee of the school, and in the middle of the academic year.

3. G.O. No. 1096 Edu dated 3.6.46 is hereby cancelled.

School - Govt. College High School, Coimbatore - closure of.

From the D.P.I.R.C. No. 99-A/45 d./- 10-5-46.
-do- -do- T.M. dated 27-5-46.

In G.O. No. 816 Edn., dated 3-6-42, the Government approved the D.P.I.'s proposal to abolish Forms I to III in the high school attached to the Govt. College, Coimbatore. He now recommends that in view of the poor attendance, Forms IV to VI may be abolished from June 1946, that the students now reading in these forms may be admitted into the other schools in the town and that the buildings occupied by the high school may be utilised for the proposed Training School. He says that the abolition of the high school forms will be in accordance with the policy of Govt. to give up the direct management of Government Secondary Schools except those for girls and backward communities and that it will also solve the problem of accommodation for the proposed Training School.

2. The statement on p.4 c.f. shows that there has been a gradual fall in the strength of the high school forms and that it is very poor when compared with the strength in the other high schools in the town. The ~~strong~~ strength in the Govt. High School 1945-46 justified the existence of only one section in each of the forms IV to VI. As the correspondent

of the other high schools in the town have agreed to take over the pupils, it is for consideration whether the D.P.I.'s proposal may be accepted.

3. The D.P.I. has promised to send a report in regard to the posts to be abolished. This may be awaited.

4 Subject to orders a draft order is submitted below for approval. It may be sent to Finance u.o. for acceptance.

[Issued as G.O. no 1096 Edu B 3.6.46]

[Specified as the Dy. S.D.J. wanted very early orders]

I have consulted the D.E.O. & the Divisional Inspector on this matter. In view of the paucity of seats available at present in the existing schools, they are of the view that it may be continued for another year. In the mean time there is chance of another school coming up.

The results of the school exam were very poor. The Div. Insp. suggests that the school management should be taken over by the Principal of the Govt. College & entrusted to the Head master under the D.E.O. for more efficient management. Besides the staff had not changed frequently & in the middle of the year. The D.P.I. will take up these suggestions.

From the D.P.I. Ac. no 99-A/45 dated 4.6.46

Please see the D.P.I.'s letter on page 7 of. He has already issued instructions to the Principal and college, Comibratore, that Forms V and VI should be continued until further orders and that no admissions should be made to Form IV pending the issue of orders. From para 1 of H.M.'s minute on page 2 ante, it will be seen that Forms IV to VI should be continued during the school year 1946-7, that admissions should be made ~~as usual~~ in the current year and that the question of further continuance of the forms should be considered before the commencement of the next school year.

A revised draft order is submitted below for approval. It may be sent to Finance u.o. for acceptance before circulation.
