G.O. No. 1153, 11th June 1946

Establishment—Secondary schools—Local bodies—Vacancies in the posts of B.Ed., or L.T. grade—Reservation for candidates with war service—Instructions issued.

Read—the following papers :—

From the President, District Board, East Godavari, dated 17th September 1945 and 12th January 1946, A-4. 1522-DB/43.

From the President, District Board, West Godavari, dated 25th December 1945, Rc. No. A-7. 25008/45.

From the Director of Public Instruction, dated 16th March 1946, Rc. No. 112-G/46.

Order—No. 1153, Education, dated 11th June 1946.

Under the rule issued with G.O. No. 3107, L.A., dated 1st November 1943, all vacancies in posts (other than those of medical officers) included in superior service under municipal councils and district boards which arose on or after *9th November 1943* and to which appointments are normally made by direct recruitment should be filled on a permanent basis only by candidates who have rendered war service and who are qualified and eligible for appointment. Persons who were appointed temporarily under the rule have a claim for permanent appointment only if candidates with war service who are qualified and eligible for appointment are not available.

2. The President, District Board, West Godavari, states that the posts of Assistants with B.Ed., or L.T. qualification in secondary schools under local bodies cannot be classified as posts to which appointments are normally made by direct recruitment inasmuch as in making appointments to these posts the appointing authorities have been required to give preference to qualified and suitable candidates working in the secondary grade and enquires, whether in the circumstances, the rule issued with G.O. No. 3107, L.A., dated 1st November 1943, will apply to these posts. The very fact that in making appointments to the said posts, merely preference is shown to qualified candidates in secondary grade, presupposes that the ordinary method of recruitment to these posts otherwise is direct recruitment. The Government accordingly consider that the normal method of recruitment to those posts should be deemed to be by direct recruitment subject only to the rule of preference introduced by G.O. No. 1886, Education, dated 18th December 1944, and that the vacancies in those posts should therefore be brought under the purview of the rule cited above. They therefore direct that all vacancies in the B.Ed., or L.T. grades in secondary schools under local bodies which arose on or after *9th November 1943* be reserved to be filled by candidates with war service. Probationers who have completed their probation will have a claim for confirmation in those vacancies only if candidates with war service who are qualified and eligible for appointment are not available. But the qualifications for the posts shall in no case be relaxed for the reason that a candidate has put in military service.

Sir,

Sub:- Education - secondary - East Godavari Dist. Board - filling up permanent vacancies - G.O.No.3107/L.A., d/1-11-43.

Ref:- Govt. Memo.No.437936-1-B.Edn., d/21-9-1944.

With reference to the Government Memo. cited above, I have to state tha there are five permanent vacancies in the B.Ed. grade which arose after the issue of the G.O.No.3107,L.A., d/1-11-1943 as detailed below:

Particulars of vacancy	No. of vacancies	Date of commen cement of the vacancy.
1. B.Ed. temporary posts in B.H.School, Samalkot consequent on the creation of temporary sections.	Two	1940
2. B.Ed. Post - consequent on theretirement of a B.Ed. asst. teacher,B.H.School,Amalapuram	One	9-7-1944.
3. B.Ed. post - consequent on the retirement of B.H., B.N.M.School, Ramachandrapuram	One	19-12-1944
4. -Do. -do. in B.H.School, Amalapuram	One	14-1-1945.

Among the assistant teachers acting in the B.Ed. grade who are complete probationers, the following are the seniormost eligible for confirmation in the five vacancies.

429 G

Name of teacher	date of 1st appointment	Remarks.
1. Sri B. Kutumbarao	6-1-1936	Earned 2 increments in B.Ed. grade.
2. " V. Narayanarao	1-8-36	-do- 2 thre
3. " D.V.L.Narasimharao ..	19-8-36	-do- 3 "

4. Sri U. Venkatarao	..	1-8-1937	Earned 2 increments in B.Ed. grade.
5. " B. Satyanarayanamurty		3-8-1937	-do- 2

These five teachers have acquired statutory right for confirmation according to rules they being permanent incumbents in the ~~B.Ed.~~ Secondary grade and having completed their probation in the B.Ed. grade in due course and drawing increments in the B.Ed. grade and hence the claims of these teachers may not be affected by the provisions of the G.O. under reference since the said G.O. does not apply to Promotions as the appointment of a secondary grade assistant as B.Ed. Assistant is to be considered a promotion.

Under the above circumstances, the Government may be pleased to accord permission for filling up these five vacancies permanently by the confirmation of the above mentioned teachers.

Sir,

Sub: Establishment - secondary schools - B.Ed.posts - filling up of on substantive basis - instructions requested.

(W) Ref: G.O.No.3107 L.A., dated 1-11-43

(W) It is laid down in G.O.No.3107 L.A., dated 1-11-43 that all vacancies (other than those of Local Fund Medical Officers) included in superior service under district boards which arose after 20-7-43 and to which appointments are normally made by direct recruitment shall be reserved for candidates who have rendered war service.

(A) Under G.O.No.190 Edn., dated 27-1-1937 the vacancies of B.Ed posts in the secondary schools are to be filled up from among the qualified and suitable persons working in the secondary grade and evidently B.Ed;posts are not the posts for direct recruitment.

(A) In view of G.O.No.190 Edn., dated 27-1-37 kind instructions are requested if B.Ed.posts in board secondary schools should also be reserved for war service candidates.

(W) I request you to issue clear instructions whether G.O.No. 3107 L.A., dated 1-11-43 is applicable in respect of appointments on a substantive basis in the B.Ed.Grade also.

2. The President, District Board, West Godavari states that B.Ed posts do not appear to be posts that should be classified as posts to which appointments are normally made by direct recruitment since under G.O. No. 190 Edn., dated 27-1-1937, the appointing authority should in filling the vacancies in these posts in Secondary schools consider the claims of qualified and suitable persons working in the Secondary grade and he requests instructions whether G.O. No. 3107 L.A., dated 1-11-1943 is applicable in respect of the B.Ed posts.

16083

(W) 3. For purposes of G.O.No. 3107 L.A., dated 1-11-1943 all vacancies may be divided into the following three categories.-

(i) All vacancies which arose between 20-7-1943 and 8-11-1943
(ii) All vacancies which arise on or after 9-11-1943 and which are normally filled by direct recruitment and
(iii) by inference from (ii) above, all vacancies which arise on or after 9-11-43 and which are not normally filled by direct recruitment.

(Q)

4. B.Ed vacancies in the Secondary schools under local bodies are filled up in two ways (a) by the promotion of B.Ed men working as Secondary grade Assistants and teachers of special subjects with reference to G.Os Nos. 190 Edn., dated 17-1-1937, 187 Edn., dated 3-2-1942 and 1886 Edn., dated 18-12-44 and (b) by direct recruitment after the claims and rights of persons noted in (a) are satisfied. It cannot therefore be held that the B.Ed. vacancies in the Secondary schools under local bodies are -- normally filled by direct recruitment- Nor has any proportion for promotion and direct recruitment been fixed as such a thing was not considered desirable.

X

5. The conditions in Government service do not run paralel with those in Local Board services. Thus in regard to the posts of school Assistants Assistant Lecturers etc in Govt. Service, Government have definitely stated that all permanent vacancies in the cadre of school Assistants arising on or after 1-1-1943 should be reserved for candidates with war service - Vide Govt. Memo No. 48744 C/41-2 Edn., dated 2-1-1942, G.O. 255(S) P.S., dated 15-12-42, G.O. 100 P.S., dated 11-1-1945 and G.O.No. 2615 P.S., dated 31-10-1945. Secondly the date from which vacancies in the Government service have to be reserved is 1-1-1943 while in the local bodrd service the date is 20-7-1943. Lastly the B.Ed men working as Secondary grade teachers etc in Govt. Services have no right either under a G.O. or statute as in the Local Boards.

Not put up (Destroyed)

(W) 6. In the above circumstances, I am of the opinion.-

(i) that as the rules issued with G.O.No. 3107 L.A., dated 1-11-1943 contemplate the reservation of all vacancies that arose between 20-7-1943 and 8-11-1943, no B.Ed man working as a Secondary grade teacher or as a teacher of special subjects will have any claim for confirmation therein in preference to those with War service and
(ii) (a) that under the same rules, the B.Ed posts which fell vacant on or after 9-11-1943 cannot be held to have been reserved for those with war service in as much as these are not posts normally filled by direct receuitment and
(b) that B.Ed men working as Secondary grade teachers or teachers of Special subjects who are otherwise eligible for appointment und G.Os Nos. 190 Edn., dated 27-1-1937, 187,Edn., dated 3-2-1942 and 1886 Edn., dated 18-12-1944 have a claim to these vacancies.

This is not correct. It is also subject to the [illegible] posts to which appointment is made by direct recruitment

Under the proviso to clause (i) of rule 1 of the rules relating to appointment + punishment of officers and servants of local boards in making appointment to be a teacher in the L.T or B.Ed grade of high school department of a secondary school preference should be given to a teacher of the secondary grade or teacher of special subject who possesses the L.T or B.Ed qualification, who is qualified in the subject which he is to teach and who is considered fit for promotion. It may therefore be taken that the normal method of recruitment to vacancies in the L.T or B.Ed grade

is by promotion and not by direct recruitment. In that view, there is no objection to the vacancies in question being filled by confirming probationers who had completed their probation and the resultant substantive vacancies in the Secondary grade being reserved for candidates with war service. The vacancies in that grade are normally filled by direct recruitment

From the D.P.I. Rc. No 112 G/46 d 16.3.46 — p 9 cf.

Please see the remarks of the D.P.I. in regard to the filling of vacancies in the B.Ed. & L.T. grades in Secondary Schools under local bodies on p 9 cf.

He concurs in the view taken in the notes on pp 1-3 ante that as the posts in the L.T and B.Ed grades are not normally filled by direct recruitment, the rule issued with G.O. No 3107 d 1.11.43. will not apply to the filling of vacancies in those grades.

Attention is in this connection solicited to the notes on pp 3-4 nf of G.O. No 294 P.H d 1.2.44 wherein in respect of the post of Principal School of Indian Medicine to which the normal method of recruitment is by promotion or transfer, it was held that there was no objection to the confirmation of a promotee.

The remarks of Public (Ser) may be invited.

The wording of the rule of recruitment here is very different.

p1 CF

(W)

The vacancies in question have arisen after 1.XI.43 and, under G.O. 3107 L.A. d 1.XI.43, should be filled on a permanent basis by war service men if appointments to them are normally made by direct recruitment. The question now is whether these are posts, appointments to which are normally made by direct recruitment.

pp 7-8 CF

p 9 CF

2. The P.D.B. W. Godavari has raised a similar issue which the D.P.I. has discussed in his letter on p. 9 cf. For the reasons stated in para 2 of his letter the D.P.I. holds that there are posts which are normally filled by promotion and not by direct recruitment.

3. In the case of Provincial Service it has been held that, where recruitment

is permissible both by transfer and direct recruitment without any fixed proportion between the two methods, all vacancies shd be deemed to be direct recruitment vacancies reserved for war service men. Conditions of service under local bodies are however different.

4. In this case no specific rules have been laid down regulating appt. to B.E.O. vacancies. The few bearing on the subject ('A', 'J' and 'Q') contemplate appt. to these posts only by promotion and there is no explicit reference to any direct recruitment. The latter method is presumably adopted only where it is not possible to fill the vacancies by promotion. The normal ?

7 (15)

I am afraid I cannot agree with this view (which is the view of the D.P.I. also).

method of recruitment to these posts shd therefore, it seems, be held to be only promotion in which case they will fall outside the reservation in 'W'. [illegible] Pub (Services) [illegible] Act for remarks.

The orders issued [illegible] ~~[illegible]~~ 303 [illegible] from time to time, culminating in the standing provision in Ⓠ [illegible] declares in the preference [illegible] teachers in the secondary grade & in special subjects; which itself presupposes that the ordinary method of recruitment otherwise was direct recruitment. It is obvious that prior to the introduction direct recruitment was the normal method; I think it is clear that even after the introduction came into force, the scheme is direct recruitment subject to this rule of preference. I consider

8 A

Therefore these are the posts need to be classified as posts to which appointments are made normally by direct recruitment - & so brought under the purview of (W). To this Revise would mean a substantial curtailment of vacancies available to war service personnel & in case of doubt I think the usual practice has been to take a decision favourable to war service personnel.

This department may also agree with the view expressed by the Secy., E & P.H. Dept., that the normal method of recruitment to vacancies in the L.T. or B.Ed., Grade in Secondary Schools under Local bodies ~~xxxxx~~ should be deemed to be by direct recruitment subject only to the rule of preference introduced by G.O.No.1886 Education, dated 18.12.'44 and that following the practice adopted in respect of posts in Govt. service - (see the ruling in memo no. 361 B/46-1 P.W.D. of 24.1.46 at (M1) - all substantive vacancies in the above grades should be reserved for war service candidates.

It seems desirable to communicate the decision to the Presidents of all Dt. Bds. and Executive authorities of all Municipal councils so that individual references from them on this point may be avoided - vide the letter from the P.D.B., Chingleput in the linked file.
