Government of Madras

EDUCATION AND PUBLIC HEALTH DEPARTMENT

(Education)

G.O. No. 1167, 12th June 1946

War—Further education and training of demobilized personnel—Scheme—Sanctioned.

READ—the following paper :—

From the Government of India, Department of Education, letter No. F. 22-2/45-R, dated 11th May 1946.

Order—No. 1167, Education, dated 12th June 1946.

The Government of India have published a scheme for the further education in India of ex-service personnel. A copy of the scheme is annexed to these proceedings. The Provincial Government have generally accepted the scheme; they direct that it be brought into effect from the beginning of the academic year 1946–7 and issue the following further instructions for the working of the scheme in this Province.

2. The scheme will be confined, for the present, to University education; orders about its extension to 'non-University' but 'post-secondary' courses will be issued separately.

3. The categories of persons specified in paragraphs 1 to 3 of section III of the Annexure will be eligible for the benefits of the scheme subject to the condition that the candidates are natives of the Madras Province. The test of a candidate's nativity will be residence by the candidate or his parents in the Province for a period of ten years immediately preceding the date of application for the concessions (excluding periods spent by the candidate either for studies or on military duty or periods spent by his parents in Government service elsewhere than in this Province).

4. Facilities will be provided to candidates who, by reason of war service, have been unable to start education (post-school final) for careers, or whose education has been interrupted for that reason at any stage of such education.

5. In the matter of admission to Arts and Science colleges under Government management, preference should be given to ex-service personnel eligible for the benefits of the scheme, without any distinction and without any restriction as to numbers but subject of course to the rules of academic qualification in order of merit along with other applications. It is the intention of Government that similar preference should be given to such candidates in aided colleges; the Director of Public Instruction is requested to arrange with managements of aided colleges accordingly. In the case of professional and technical colleges under Government, e.g., Colleges of Engineering, Agriculture, Veterinary and Medicine, 10 per cent of the seats should be reserved for such personnel, admissions being made subject to the rules of academic qualifications and order of merit; after the 10 per cent of the seats have been filled by ex-service candidates, for the 'unreserved' 90 per cent of the seats also, heads of institutions may consider applications from qualified ex-service personnel, if any, along with applications from other candidates by order of merit.

6. All ex-service candidates actually admitted will be exempted from payment of tuition fees and special fees. Private managements will be compensated for the loss of fee income sustained by the admission of such candidates in their colleges. The candidates will be given in addition, an allowance for books and equipment in accordance with the scale indicated below :—

per annum

	RS.
Arts colleges—	
Intermediate course	40
Degree course	50
Professional course	Actual cost.

The candidates will also be given a maintenance allowance. The Further Education Board proposed to be constituted (see paragraph 10 below) will fix the rate of this allowance in each case (subject to a maximum of Rs. 30 per mensem) and also decide whether the allowance shall be in force throughout the year or only for the actual term-period (of nine months in a year) during the period of the approved course.

The grant of the fee concessions and the allowances (both for books and equipment and for maintenance) will be assessed separately for each applicant with reference to his financial position as laid down in paragraph 2 of section IV of the scheme.

The concessions will be withdrawn from candidates who stay for more than one year in one and the same class during their course of studies.

7. It is the intention of Government that the facilities in question should be available in institutions belonging to the Universities of the Province and Government trust that the Universities will co-operate in that regard. The Universities of the Province are accordingly invited to give preference to ex-service personnel in the matter of admission in their Arts and Science colleges and to reserve for these candidates such percentage of seats in their technical and professional colleges as they may consider suitable. The Universities are requested to exempt these candidates from tuition fees and special fees. They will be compensated for the loss of fee income sustained by admissions of ex-service personnel in their colleges.

8. The Government will meet from Provincial funds the expenditure on account of allowances for books and equipment and maintenance.

9. The tenure of the concessions will be as follows :—

If the course of study interrupted was a professional or a technical course or the B.A. or the B.Sc., financial assistance will be given for completion of the course; if the course interrupted was the intermediate, assistance will be given for completing it and also for undergoing the B.A. or B.Sc., course, in continuation; if the course to be pursued after the Intermediate, B.A. or B.Sc., is a professional or a technical course, assistance will be given too. These instructions apply *mutatis mutandis* to cases of starting of further education also (as distinguished from cases of interruption of studies).

10. The Director of Public Instruction is requested to submit very urgently, in consultation with other Heads of Departments, proposals for the constitution of a Further Education Board for this Province ; his attention is invited to paragraph 2 (*d*) of letter No. D. 2331 (c)/45-Ed., dated 27th September 1945, from the Government of India communicated in Government Endorsement No. 44429-C/45-5, Education, dated 10th November 1945. Pending the constitution of the Board and Settlement of detailed procedure for the award of the concessions, applications from demobilized personnel will be received by the Director of Public Instruction and they will be placed before the Board after its constitution.

(By order of His Excellency the Governor)

P. S. VISWANATHA AYYAR,
Secretary to Government.

To the Director of Public Instruction.
,, Surgeon-General.
,, Director of Veterinary Services (through Development. Department).
,, Director of Agriculture (through Development Department)
,, Registrars, Madras, Andhra and Annamalai Universities.

Copy to the Development Department.
,, Public (Resettlement) Department.
,, Government of India, Education Department.
,, Accountant-General (through Finance Department).
,, Finance (Post-War Reconstruction) Department.

ANNEXURE.

SCHEME FOR THE FURTHER EDUCATION IN INDIA OF EX-SERVICE PERSONNEL.

The Scheme for the Further Education in India of ex-Service personnel announced below by the Government of India has been prepared in consultation with the Provincial Governments, Local Administrations and a considerable number of Indian States. The Scheme will be administered by such Provincial Governments, Local Administrations and States as agree to participate in it.

Each Provincial Government, Administration, or State may have its own detailed scheme, or several schemes for different courses of study, or may consider each applicant's case separately without any general scheme. Therefore, only the essential aspects of the Further Education Scheme and the general principles and conditions on which such education will be available to ex-Service personnel are outlined below.

I.—OBJECT OF THE SCHEME.

1. The War has interrupted the education of a number of young men and women who volunteered for war service at an age when they would normally be taking courses of further education, or training for a business or professional career.

2. The Government of India together with the participating Provincial Governments, Administrations and States have, therefore, approved of the provision of facilities and financial assistance to such persons to enable them to obtain the benefits of the Further Education which they would have received but for the interruption of war service, provided they are suitably qualified and are unable to undertake this education without financial assistance.

II. WHAT IS FURTHER EDUCATION.

1. Further Education is education in India beyond the Matriculation standard (for its Services equivalent) with a view to improve materially for demobilized personnel their prospects of resettlement in civil life in a career, profession, business or industry, either of their own choice or in accordance with the needs of their Province or State.

2. Further Education, however, is not to be confused with Further Practical Training for technical or skilled trades. The latter training is provided for in the Labour Department's scheme for Technical Training.

3. Further Education can be obtained in Universities, Colleges or other educational establishments or in specialized institutions or organizations, whether Government or private, by whole-time or part-time training. It is not possible to give a complete list of subjects, but all subjects normally taught in the higher educational institutions will be available, e.g., the Humanities, Fine Arts and Letters, the Natural Sciences, the Pure Sciences, the Social Sciences, Law and Medicine, Engineering and other technical subjects, Education, Economics, Commerce, Business Methods and Organization, etc., etc.

4. While no fixed rule can be laid down as to the profession, business or industry which is included in the scope of this Scheme, it may be said in general that that profession, business or industry will be recognized for which the attainment of a certain educational standard is a condition of entry or in which higher education, technical or otherwise, would materially enhance a candidate's prospects of making a good start.

5. The Further Education contemplated in this Scheme is intended to be given only in India. For advanced studies overseas, the attention of intending applicants for the year 1946–47 was drawn in Service Orders to the Government of India Scheme for civilian candidates, in which scheme services personnel were eligible to participate. Eligibility to participate in future schemes, if any, will be announced at the appropriate times.

III.—ELIGIBILITY.

1. The Further Education Scheme will apply to all persons, male or female[*] of Indian domicile, who have been released under Release Regulations, or who have been discharged for reasons beyond their control, from the combatant or enrolled non-combatant services of His Majesty's Forces, including the States' Forces Units serving under the Crown and including the Women Services such as W.A.C. (I.) and the Nursing Services.

2. The service should be in the Armed Forces proper, e.g., Military Labour Units (Indian Pioneer Corps) will be included but not Civil Pioneer Corps.

3. The service should be for a period of at least six months between 3rd September 1939 and the date of the declaration of the termination of war.

4. In addition to the above, an applicant for Further Education will ordinarily be required to show that by reason of this Service—

(*a*) he has been unable to start education (post-Matriculation) for career, profession, business or industry, *or*

(*b*) his education for the career, profession, business or industry has been interrupted, *or*

(*c*) he has been unable to resume his previous career, profession, business or industry, *or*

(*d*) he requires a refresher course to enable him to follow his previous career, profession, business or industry.

NOTES.—(i) An applicant who, before the war, already held a post for which he had received adequate training, and who left that post to enter the Services will not be regarded as eligible for training for a new profession unless he can show that, because of changed circumstances, he is denied the opportunity of resuming his pre-war career. Men desiring to qualify on a higher plane in their pre-war profession will, however, be considered, provided that it is clear from their war record that they have shown or developed capabilities which would justify the expenditure of public money for the purpose.

(ii) Owing to economic pressure or other causes, a demobilized man may accept a post before applying for training. Such a man will not be debarr from consideration for an award solely by the fact that he has obtain employment.

5. Further Education can only be undertaken by those with an adequate educational background. An applicant should therefore have attained a standard of education equivalent to the Matriculation or corresponding examination in the Services. This standard will not be relaxed except in absolutely exceptional circumstances.

6. The applicant must normally be resident in the Province, Administration or State to which he applies for assistance under this scheme.

IV. NATURE OF ASSISTANCE AND FACILITIES.

1. The financial assistance granted will normally take the following form :—

(i) Free education including tuition and examination fees, and books and equipment *or* payments covering fees, tuition, books, equipment, etc.

(ii) Free board and lodging with a cash allowance, *or* a maintenance allowance based on conditions prevailing in the district, Province or area concerned.

2. This assistance will not be given by all Provinces, Administrations and States, nor as a matter of course, to all applicants. The extent of assistance will be assessed separately for each applicant, and will be based on his financial position. The applicant's income (including pension, if any) and his private resources will be taken into account. The following items, however, will *not* be taken into account :—

(i) Money saved during the war from pay and allowances, including war gratuity.

(ii) Disability pension, if any.

---

[*] In the following paragraphs all references to men include women, unless the context demands otherwise.

3. The Scheme will not provide for the payment of premiums to employers for the purpose of apprenticeship.

4. The assistance granted will be limited to educational facilities normally available in the Province, Administration or State, though special courses may be arranged where numbers justify. In addition to Government Schools, Colleges and institutions, private ones may also be used, if convenient and suitable in other respects, and also Central Government institutions which may be considered suitable for special cases, e.g., the Indian Institute of Science, Bangalore, or the Indian School of Mines, Dhanbad, or the Imperial Agricultural Research Institute, New Delhi, etc.

5. As stated in section III, paragraph 6, arrangements will be made by Provinces, Administrations and States only for bona fide residents of their own areas. Where smaller Provinces or States cannot place intending students because the required educational facilities are not available, they may make arrangements direct with other Provinces, States, etc., who are willing, though bigger provinces, who expect large numbers of applicants from their own areas, may not be able to provide for students resident in other provinces or states.

6. Most Universities have already granted concessions to war-service students in the matter of rules and regulations pertaining to age, attendance, residence and lectures generally. In addition, under the arrangements of the Scheme, Colleges and Institutions belonging to the Provincial Governments, Administrations and States will, as far as practicable, grant preference to ex-Service personnel in the matter of admission to ordinary arts and science courses. They cannot always grant the same degree of preference for admission into professional and technical courses where the number of seats is normally limited, but in such cases a certain percentage of seats may be reserved for ex-Service personnel.

NOTE.—Applicants demobilized after the commencement of a term will not be allowed to join courses during the middle of term as it is not in their interest to do so. Certain universities have waived the regulations regarding keeping of terms for certain examinations. An ex-service candidate, who considers himself already fit and suitably qualified otherwise to take such an examination is at liberty not to keep terms and to take the examination. The purpose of this Scheme, however is to give education which the ex-service man has missed, and not merely an opportunity for examination. Therefore, while individual colleges and institutions, etc., may make an exception for ex-service entrants who are late by a few weeks, as a general rule, ex-service men should start the courses at the commencement of a term. Provincial Government, etc. may, if they consider necessary, start special courses for such students, either to make up lost ground and then join the regular courses or to fill the time usefully until the next term starts.

V. SELECTING, ASSESSING AND PLACING AUTHORITY.

1. As far as possible each Province, Administration or State will appoint a Further Education Board or other Authority to deal with all applications.

2. The following will be the functions of this authority :—

(*a*) To select applicants to whom awards are to be made.
(*b*) To assess the extent of assistance to be granted.
(*c*) To place the applicant in the right institution.
(*d*) To fix the course and its duration.
(*e*) To review the awards from time to time where necessary.

VI. FOLLOW-UP ARRANGEMENTS.

1. The continuance of an award for the full duration of the course will be dependent upon satisfactory conduct and progress, and will normally be conditional upon the passing of the ordinary examinations associated with the course, unless some good reason for failure, such as ill-health, can be shown.

2. Either the whole or part of the award is liable to be withdrawn if the applicant, in the opinion of the appointed authority and upon a report of the head of the institution where he is studying, is not found benefiting from the course.

VII. APPLICATIONS.

1. Applications for assistance under this Scheme can only be made after release from service or when release is expected within a short time, say, two or three months.

2. This Scheme cannot be used as a reason for claiming a class 'B' release from the Services.

3. No application will be considered six months after the demobilization of all the forces is complete.

4. Applications in the form prescribed should be addressed to the Education Department of the Province, Administration or State to which the applicant belongs and will be considered by these authorities as and when they bring the Scheme into operation in their area. It is necessary to state exactly and fully what course of study the applicant wishes to undertake. The Provincial Governments or their Further Education Boards or any other Authority appointed by them may, if required, ask for additional information later.

APPLICATION FORM.

For assistance under the Scheme for Further Education in India of ex-service Personnel.

1 Name (in block capitals).
No. Rank.
Unit/Reg. etc.,
Official address, if any.
Private address after release.

Have you been released ?
If so, date of release.
If not, approximate date of expected release.

Domicile (Prov. Admn. or State).
Place of birth.
Date of birth.
Single or married.
Number of children.

2 Describe fully the further education desired by you—subject, type of course, duration, date of commencement, College or Institution preferred, etc.

3 Strike out sentences which do not apply to you :—

Because of War Service.
(*a*) I have been unable to start education for a career, etc.
(*b*) My education for a career, etc., has been interrupted.
(*c*) I am unable to resume my previous career, etc.
(*d*) I require a refresher course to enable me to follow my previous career, etc.

State reasons and full details in regard to your statement opposite.

Date when you were last in any educational institution before joining War Service.—
Course or standard you were in at that tim
Date of joining War service.

Examinations passed. School/College. Date.

4 Particulars of previous education—
Before joining War Service ..
After joining War Service ..

5 Father/Guardian—Name.
Occupation.
Address.
Is Father/Guardian unable to pay for entire or part cost of your Further Education ?
* Annual Income of Father/Guardian.
* Your private annual income, if any.
* Your pension, if any (*not* disability pension).
* Applicants should be prepared to submit authenticated evidence, if required.

6 I apply for financial assistance under the scheme for Further Education in India of Ex-Service Personnel.
Place.
Date.
Signature.

7 Certificate of forwarding Authority.—(This may be O. C. of a Unit or Manager of an Employment Exchange, who will check the Military details given by the applicant).
Certified that the applicant is eligible under the Government of India Scheme for Further Education in India of Ex-Service Personnel by reason of War Service as defined in section III, paragraphs 1, 2 and 3 of the Scheme.
Address.
Date.
Signature
Rank.
Designation.

NOTE.—This form is to be submitted to the Education Department of the Province or Administration or State in which the applicant is domiciled.

* "Applicants should be prepared to submit authenticated evidence, if required."

From

M.V.Subramanian, Esquire, I.C.S.,
Secretary to the Government of Madras.

To

The Secretary to the Government of India,
Department of Education,
New Delhi.

Dated, Fort St.George, the 10th November 1945.

Sir,

Further education and training of demobilised personnel - Reference your letter No.1-D-2331(c)-45.E, dated 27th September 1945.

...

I am directed to state that the Madras Government have carefully considered the proposals contained in the letter cited above. I am to say at the outset that it would be possible to consider the cases of ex-service personnel coming under classes (iii) to (v) in paragraph 2(a) of the letter, only as and when details are received as to the types of training required and the institutions that would be suitable, apart from the numbers that would require training, and meanwhile this Government can only say generally that arrangements can be made to give preference in regard to admissions or reservation of a percentage of seats. I am to mention, in this connection, that the Government have already ordered that demobilised soldiers should be given first preference in the matter of admission to institutions for the training of teachers and that they should be granted exemption from the age rule for all grades of training and from the qualification rule for secondary grade training.

A/1-2 CF

2. As regards ex-service personnel included in classes (i) and (ii) in paragraph 2(a) of your letter, it is presumed that the intention is to help in courses of study in the university stage in such a way that, where feasible, professional and technical courses will supervene on an Arts or Science course. I am to state that, having regard also to the fact that the numbers are likely to be large and the financial commitment heavy, the Government are of opinion that the benefits of the scheme of financial help should be confined to persons who have had at least six months' approved military service among the classes of persons mentioned below:

(i) those enrolled under the Indian Army or the British Army Act whose terms of service include liability to serve overseas in a theatre of war;

(ii) Indians who are enrolled under the Burma Army Act, whose terms of service include liability to serve overseas in a theatre of war and who are residents of British India;

(iii) personnel of the Royal Navy, the Royal Air Force, the Royal Indian Navy and the Indian Air Force;

and

(iv) British subjects who are residents in British India and are serving in Indian State Forces units under the Crown

Sir,

Further education and training of demobilised personnel - Reference your letter No.1-D-2331(c)-45.E, dated 27th September 1945.

...

A/1 CF

I am directed to state that the Madras Government have carefully considered the proposals contained in the letter cited above. I am to say at the outset that it would be possible to consider the cases of ex-service personnel coming under classes (iii) to (v) in paragraph 2(a) of the letter, only as and when details are received as to the types of training required and the institutions that would be suitable, apart from the numbers that would require training, and meanwhile this Government can only say generally that arrangements can be made to give preference in regard to admissions or reservation of a percentage of seats. I am to mention, in this connection, that the Government have already ordered that demobilised soldiers should be given first preference in the matter of admission to institutions for the training of teachers and that they should be granted exemption from the age rule for all grades of training and from the qualification rule for secondary grade training.

A/1-2 CF

2. As regards ex-service personnel included in classes (i) and (ii) in paragraph 2(a) of your letter, it is presumed that the intention is to help in courses of study in the university stage in such a way that, where feasible, professional and technical courses will supervene on an Arts or Science course. I am to state that, having regard also to the fact that the numbers are likely to be large and the financial commitment heavy, the Government are of opinion that the benefits of the scheme of financial help should be confined to persons who have had at least six months' approved military service among the classes of persons mentioned below:

(i) those enrolled under the Indian Army or the British Army Act whose terms of service include liability to serve overseas in a theatre of war;

(ii) Indians who are enrolled under the Burma Army Act, whose terms of service include liability to serve overseas in a theatre of war and who are residents of British India;

(iii) personnel of the Royal Navy, the Royal Air Force, the Royal Indian Navy and the Indian Air Force;

and

(iv) British subjects who are residents in British India and are serving in Indian State Forces units under the Crown

~~-2-~~

on terms of service which include liability to serve overse
in a theatre of war.

The Government do not consider that the scheme of financial help should be extended to the other types of persons who have rendered "war-service" as defined in the circular issued by the Home Department of the Government of India.

A/2 CF

3. In regard to admissions, as far as Arts and Science courses are concerned, arrangements will be made to have preference given to all demobilised personnel without any distinction and without any restriction as to numbers: all demobilised personnel will be eligible to apply - subject, of course, to the rules of academic qualification.

4. In respect of Professional and Technical courses, however, the Government consider that a restriction of numbers has to be made. Seats in these institutions are limited and admissions are governed by certain special rules and normally admissions are only a small fraction of the number of applicants. These courses cannot, therefore, be considered as normally courses which the ex-service personnel in class (i) 'would have embarked upon' or those in class (ii) 'would have embarked upon' after finishing the Arts or Science course which had been interrupted. Besides, it is considered that the unrestricted admission of war-service candidates would interfere severely with the normal pattern of admissions and would involve undue hardship to the present generation of students. The Government therefore propose that only twenty per cent of the seats for Professional and Technical courses should be reserved for war-service personnel. All types of demobilised personnel will, however, (subject to the rules of academic qualification) be eligible to apply.

(M)

5. I am to invite your attention to G.O.No.1061 Edn., dated 16th July 1945, in which the Government decided to grant certain concessions to Emergency Commissioned Officers, whose studies suffered interruption on enrolment, to continue their studies. The scope of the order will now be widened so as to include the other categories of demobilised personnel referred to in paragraph 2 above (and also, in regard t the extent of financial help in the manner referred to further below). If the course interrupted was a Professional orTechnical course, or the B.A. or B.Sc., the concession will be continued until the course is completed; if the course interrupted was the Intermediate, assistance will be given to get into the B.A. or B.Sc. courses; but if the course of studies to be pursued after the Intermediate, B.A., or B.Sc., is a Professional or Technical course, the cases will come under the scheme of restriction of admissions to twenty per cent of the seats referred to in paragraph 4 above. This arrangement covers cases fallin under item (ii) of paragraph 2 (a) of your letter; cases coming under item (i) there will also, mutatis mutandis, be similarly dealt with.

A/-2

6. The Government accept the proposal that the concessions should include maintenance charges subject to the 'means test' referred to in paragraph 2(g) of your letter; eligibility for these concessions will, however, be restricted to the class of persons mentioned in paragraph 2 above.

A/2 CF

7. The Government agree that an Advisory Selection Board should be set up as proposed in paragraph 2 (d) of your letter.

p.t.o.

~~-3-~~ A/2-3 CF (5) 7

8. The Government regret that they are unable to agree to the suggestion in paragraph 2 (e) of your letter that reciprocal arrangements should be entered into with neighbouring States or Provinces, as the number of ex-service personnel belonging to this Province is expected to be considerable, the facilities made available to them under the above arrangements are the minimum necessary and would leave nothing to spare for candidates from other areas, and any further arrangements for making provisin for such candidates would curtail considerably the facilities normally available for other candidates of this Province, and the Government do not know to what extent, if at all, candidates of this Province will require facilities in other areas and the other administrations will be able to provide such facilities.

9. I am to add that the Government are willing to implement the scheme at an early date subject to the modifications in the previous paragraphs and that they propose to call for proposalsfrom the Director of Public Instruction, Madras, and other Heads of Departments concerned with fuller details. The scheme will, however, be put into operation only after the Government of India have accepted the modified proposals. I am to add also that whilst the Government can guarantee that the policy adopted by them will be fully executed in Government institutions, they may not be able to compel private institutions to adopt it in full.

Sir,

Sub: Further education and training for demobilised personnel.

Ref: Govt.Memo.No.44429-C-45-4, Education, dated 10-11-45.

I agree with the proposals made by Government in their letter No.Ms.1853, Education, dated 10-11-1945 to the Secretary to the Government of India, Department of Education, New Delhi. It is not possible to give an approximate estimate of the cost involved unless an estimate of the probable number of demobilised soldiers who may desire to continue their interrupted studies in the Educational Institutions of this Province is furnished by the Government Department concerned.

2. In regard to the rates of maintenance grant that should be given in addition to fee concessions, book allowance etc., I shall submit my proposals as soon as I hear from the Government whether the educational concessions are proposed to be given to the demobilised personnel for their interrupted High School studies also. I invite in this connection the attention of Government to their letter No.15004-C-45-3, dated 14-7-45 to the Secretary to the Government of India, Department of Education, Health and Lands, Simla, on the subject of Educational concessions to demobilised soldiers.

EXPRESS LETTER.

No.F.[illegible]-45/W.

DEPUTY SECRETARY
1936
2-DEC
PUBLIC DEPARTMENT

From - Resmy's, Bangalore. To - The Chief Secretary to the
Government of Madras, Madras.

Dated the 29th November 1945.

FURTHER EDUCATIONAL TRAINING FOR DEMOBILISED PERSONNEL.

-:o:-

A/1-4 C.F. Reference letter from the Government of India, Department of Education to all Provincial Governments No.D.2331(c)/45-E, dated 27th September 1945.

A/23 C.F. 2. With reference to paragraph 2(e) of the letter referred to above a reference has been made to the Sandur and Banganapalle Darbars whether subject to the agreement of the Government of Madras, they would like to send demobilised personnel belonging to their States for training in the institutions conducted by the Government of Madras. If they would like to avail themselves of this I should be grateful if the Government of Madras would agree to admit demobilised personnel from these States also to their institutions. They have also been asked to prepare rough estimates of the numbers involved. I shall address you again as soon as replies are received from the Darbars. In the meanwhile it is requested that this Residency may kindly be informed if the Government of Madras are agreeable in principle to the suggestion made above and if so the terms they would propose for the training of candidates belonging to these States.

p.t.o.

~~14~~/10

3. While addressing these States I have intentionally omitted any reference to "reciprocal arrangements" with the Government of Madras as the question of reciprocity does not obviously arise.

RESIDENT.

Subject :- FURTHER EDUCATION AND TRAINING - DEMOBLIZED PERSONNEL

Sir,

I have been advised by the Department of Education, Govt. of India in response to a querry on the above subject, to contact you for details.

I shall be obliged if you could let me have a copy or extract of the suggested scheme for further education and training to demoblised personnel in relation to Madrassis, with particular reference to general financial assistance and concessions which would be provided by the Provincial Govt. Special details on Mechancial Engineering are also requested.

My unit consists of Madrassis, and there are several personnel interested in the above scheme for post-war resettlement.

I have the honour to be,

ADDITIONAL ASSISTANT SECRETARY TO GOVERNMENT :: DEVELOPMENT DEPARTMENT ::
27 JAN 1946

Sir,

Sub: Education - Agriculture - Further education and training for demobilised personnel.

p 29 above Ref: Government Development Department, Memo. No.73376 A.IV/45-1 dated 27-11-1945.

In the memo quoted above, Government have called for detailed proposals for giving effect to the scheme of reserving 20% of the seats available in professional colleges for qualified war services personnel. In each of the two Agricultural Colleges in this province ninety six students are admitted to the First year B.Sc., (Ag.,) Class. Of these 19 seats in each of these colleges will be reserved for war services personnel.

2. As regards the cost involved in the above scheme, it is presumed that the intention of Government is that the further education and training of the war services personnel must be entirely at the cost of Government. On this presumption, I enclose a statement showing the various items of expenditure to be borne by Government. The total cost of Government for the 38 students in both the colleges comes to Rs.27,050/- in the first year, Rs.28,160/- in each of the second and final year of the course for 19 students.

(19)

ASST. SECRETARY TO GOVERNMENT
18 APR 1946
EDUCATION AND PUBLIC HEALTH DEPT.

No. F.22-2/45-R.
Government of India,
Department of Education.
New Delhi, the 12th April, 1946.

From: Sir John Sargent, C.I.E., M.A., D.Litt.,
Secretary to the Government of India,
Education Department,
NEW DELHI.

To : All Provincial Governments and Local Administrations. Madras

Subject:- SCHEME FOR THE FURTHER EDUCATION IN INDIA OF EX-SERVICE PERSONNEL.

A/1-4 CF

Sir,

Further to this Department letter No. D.2331(c)/45-E dated the 27th September, 1945, I am directed to say that all Provinces and Administrations - except one where the matter is still under consideration - have accepted generally the Scheme for Further Education in India of ex-Service personnel. Certain Provinces have raised points and queries which are being answered separately. However, only one Province has yet sent in any concrete plan in furtherance of the scheme.

2. As demobilization is proceeding apace, it is necessary to publicize urgently to the members of the Forces the basic aspects of this Scheme and to whom applications should be made. Though the requirements differ from province to province, it is essential that a certain uniformity in the general principles as well as in the method of application should be adopted for all members of the Forces irrespective of the province or administration they are domiciled in. It is therefore intended to publicize the attached Scheme through Service Orders and through a printed leaflet. In laying down the general principles, the aim has been to give the Provincial Governments and Administrations a completely flexible scheme in the general framework of which they will be able to adapt their individual requirements.

3. It was necessary to make some variations to the outline Scheme as suggested in this Department letter dated the 27th September, 1945 in order to meet the requirements of all Provinces.

A/1-4 CF

The categories of Services personnel to whom the Scheme will apply have been reduced to include only the Armed Forces, and six months approved service has been made a necessary condition of eligibility.

A/2 CF

Para 2(a)(v) of the original letter has been dropped because it was really covered by para 2(a)(i).

Regarding para 2(b) and (g), there cannot be absolute uniformity in the scale of grants, but the form which the grant would normally take has been laid down in the Scheme. The main thing is free tuition, no examination fees, and free books and equipment. Maintenance allowance must vary from province to province and even from district to district, but the most suitable thing would be to give free board and lodging

---

Edn. & P.H.(C) Department.

C.No.31330.C/45. From N.Krishna Rao and others, petitions dated 10-7-45. and 20.8.45
" 36570.C/45. From the D.P.I., Rc.No.609.A/45 dated 11-8-1945.

COLLEGE OF ENGINEERING, GUINDY - L.C.E COURSE - FAILED CANDIDATES.

F/1, 3 and 11-12 cf

The c.f. contains 3 petitions regarding the ~~from~~ ~~the certain~~ failed students of the L.C.E. class (L3 class preparatory course) of the Engineering College, Guindy, protesting against the ~~action~~ orders of the Principal asking ~~them~~ to leave the College. The position is not so bad as ~~the students have~~ represented. From the Principal's letter on page 9 c.f. it will be observed that the students will not be put to real hardship by being asked to leave the College as they can appear for the next examination privately and if they secure a pass in that examination ~~can get~~ they will be promoted to the next higher class. On the other hand the principle adopted by the Principal will enable more

College of Eng Guindy

36

in Government hostels with an additional cash allowance.

Regarding para 2(c), estimates of demobilized personnel who require further education are impossible to obtain until the Scheme, and perhaps the detailed provincial schemes, are published. It is expected that Provinces and Administrations will begin receiving applications on the prescribed form by about the second week of May, 1946 and that will give them actual figures, with full details of subjects, etc., of men who require further education and who are already demobilized or are likely to be demobilized within the next 2 or 3 months.

Medical personnel have been provided for separately under the Department of Health letters No. F.57-6/45H dated the 19th December, 1945 and 17th January, 1946, but there is no provision in these letters for those Services personnel who intended to take up Medicine as a career, but could not commence this training because of joining War Service. They are covered under the general terms of the Further Education Scheme and the Department of Health will address the Provinces and Administrations further in the matter.

4. If there is any detail in the Scheme which the Provincial Governments and Administrations disagree with, this Department may please be informed by telegram to reach before 24th April as it is intended to announce the Scheme on or about the 25th April, 1946. — 28-4-46 —

In view of the urgency of the matter, it is requested that Provincial Governments and Administrations may proceed forthwith to devise their Schemes, appoint Boards or other Authorities and issue Government Orders, and as soon as the applications come in, they may start operating the schemes since terms for most courses will commence in June.

5. It will be appreciated if Provinces and Administrations keep this Department informed of all action taken by them to bring the Scheme into operation.

I have the honour to be,
Sir,
Your most obedient servant,

JKByram
(B.K.BYRAM)
for Secretary.

KB/R/100-12.4.46-D".

Government of India,
Department of Education.
(Resettlement Branch).

SCHEME FOR THE FURTHER EDUCATION IN INDIA OF EX-SERVICE PERSONNEL.

The Scheme for the Further Education in India of ex-Service personnel announced below by the Government of India has been prepared in consultation with the Provincial Governments, Local Administrations and Indian States who will, in practice, administer the actual operation of the Scheme.

Each Provincial Government, Administration, or State may have its own detailed scheme or several schemes for different courses of study, or may consider each applicant's case separately without any general scheme. Therefore, only the essential aspects of the further education scheme and the general principles and conditions on which such education will be available to ex-Service personnel are outlined below.

I. OBJECT OF THE SCHEME.

1. The War has interrupted the education of a number of young men and women who volunteered for war service at an age when they would normally be taking courses of further education, or training for a business or professional career.

2. The Government of India together with the Provincial Governments, Administrations and States concerned have, therefore, approved of the provision of facilities and financial assistance to such persons to enable them to obtain the benefits of the further education which they would have received but for the interruption of war service, provided they are suitably qualified and are unable to undertake this education without financial assistance.

A

II. WHAT IS FURTHER EDUCATION.

1. Further Education is education in India beyond the Matriculation standard (or its Services equivalent) with a view to improve materially for demobilized personnel their prospects of resettlement in civil life in a career, profession, business or industry, either of their own choice or in accordance with

the needs of their province or state.

2. Further Education, however, is not to be confused with Further Practical Training for technical or skilled trades. The latter training is provided for in the Labour Department's scheme for Technical Training.

3. Further Education can be obtained in Universities, Colleges or other educational establishments or in specialized institutions or organizations, whether Government or private, by whole-time or part-time training. It is not possible to give a complete list of subjects, but all subjects normally taught in the higher educational institutions will be available, e.g., the Humanities, Fine Arts and Letters, the Natural Sciences, the Pure Sciences, the Social Sciences, Law and Medicine, Engineering and other technical subjects, Education, Economics, Commerce, Business Methods and Organization, etc., etc.

4. While no fixed rule can be laid down as to the profession, business or industry which is included in the scope of this Scheme, it may be said in general that that profession, business or industry will be recognized for which the attainment of a certain educational standard is a condition of entry or in which higher education, technical or otherwise, would materially enhance a candidate's prospects of making a good start.

5. The further education contemplated in this Scheme is intended to be given only in India. For advanced studies overseas, the attention of intending applicants for the year 1946-47 was drawn in Service Orders to the Government of India Scheme for civilian candidates, in which scheme Services personnel were eligible to participate. Eligibility to participate in future schemes, if any, will be announced at the appropriate times.

III. ELIGIBILITY.

1. The further education scheme will apply to all persons,

---

(21)

compare para 2 top 1-2 CF

male or female*, of Indian domicile, who have been released under Release Regulations, or who have been discharged for reasons beyond their control, from the combatant or enrolled non-combatant Services of His Majesty's Forces, including the States' Forces Units serving under the Crown and including the Women Services such as W.A.C.(I) and the Nursing Services.

2. The service should be in the Armed Forces proper, e.g. Military Labour Units (Indian Pioneer Corps) will be included but not Civil Pioneer Corps.

3. The Service should be for a period of at least six months between 3rd September, 1939 and the date of the declaration of the termination of war.

4. In addition to the above, an applicant for further education will ordinarily be required to show that by reason of this Service

(a) he has been unable to start education (post-Matriculation) for a career, profession, business or industry, OR

(b) his education for the career, etc., has been interrupted, OR

(c) he has been unable to resume his career, etc., OR

(d) he requires a refresher course to enable him to follow his previous career, etc.

Notes.

(i) An applicant who, before the war, already held a post for which he had received adequate training, and who left that post to enter the services will not be regarded as eligible for training for a new profession unless he can show that, because of changed circumstances, he is denied the opportunity of resuming his pre-war career. Men desiring to qualify on a higher plane in their prewar profession will, however, be considered, provided that it is clear from their war record that they have shown or developed capabilities which would justify the expenditure of public money for the purpose.

---

* In the following paragraphs all references to men include women, unless the context demands otherwise.

40

(ii) Owing to economic pressure or other causes, a demobilized man may accept a post before applying for training. Such a man will not be debarred from consideration for an award solely by the fact that he has obtained employment.

5. Further education can only be undertaken by those with an adequate educational background. An applicant should therefore have attained a standard of education equivalent to the Matriculation or corresponding examination in the Services. This standard will not be relaxed except in absolutely exceptional circumstances.

6. The applicant must normally be resident in the province, administration or state to which he applies for assistance under this Scheme.

IV. NATURE OF ASSISTANCE AND FACILITIES.

1. The financial assistance granted will normally take the following form:

(i) free education including tuition and examination fees, and books and equipment

OR

payments covering fees, tuition, books, equipment etc.

(ii) free board and lodging with a cash allowance

OR

R a maintenance allowance based on conditions prevailing in the District, Province or Area concerned.

2. This assistance will not be given by all Provinces, Administrations and States, nor, as a matter of course, to all applicants. The extent of assistance will be assessed separately for each applicant, and will be based on his financial position. The applicant's income (including pension, if any) and his private resources will be taken into account. The following items, however, will NOT be taken into account:

R

(i) money saved during the war from pay and allowances, including war gratuity,

(ii) Disability pension, if any.

3. The Scheme will not provide for the payment of premiums to employers for the purpose of apprenticeship.

---

4. The assistance granted will be limited to educational facilities normally available in the province, administration or State, though special courses may be arranged where numbers justify. In addition to Government schools, colleges and institutions, private ones may also be used, if convenient and suitable in other respects, and also Central Government institutions which may be considered suitable for special cases, e.g., the Indian Institute of Science, Bangalore, or the Indian School of Mines, Dhanbad, or the Imperial Agricultural Research Institute, New Delhi, etc.

page 36 ante

5. As stated in Section III para 6, arrangements will be made by Provinces, Administrations and States only for bonafide residents of their own areas. Where smaller Provinces or States cannot place intending students because the required educational facilities are not available, they may make arrangements direct with other Provinces, States etc., who are willing, though bigger provinces, who expect large numbers of applicants from their own areas, may not be able to provide for students resident in other provinces or states.

6. Most Universities have already granted concessions to war-service students in the matter of rules and regulations pertaining to age, attendance, residence and lectures generally. In addition, under the arrangements of the Scheme, Colleges and Institutions belonging to the Provincial Governments, Administrations and States will, as far as practicable, grant preference to ex-Service personnel in the matter of admission to ordinary arts and science courses. They cannot always grant the same degree of preference for admission into professional and technical courses, where the number of seats is normally limited, but in such cases a certain percentage of seats may be reserved for ex-Service personnel.

Note.

Applicants demobilized after the commencement of a term will not be allowed to join courses

42

during the middle of term as it is not in their interest to do so. Certain Universities have waived the regulations regarding keeping of terms for certain examinations. An ex-Service candidate, who considers himself already fit and suitably qualified otherwise to take such an examination, is at liberty not to keep terms and to take the examination. The purpose of this Scheme, however, is to give education which the ex-Service man has missed, and not merely an opportunity for examination. Therefore, while individual colleges and institutions etc., may make an exception for ex-Service entrants who are late by a week or so, as a general rule, ex-Service men should start the courses at the commencement of a term. Provincial Governments etc. may, if they choose, and if the numbers justify, start special courses for such students, either to make up lost ground and then join the regular courses or to fill the time usefully until the next term starts.

V. SELECTING, ASSESSING AND PLACING AUTHORITY.

1. As far as possible each Province, Administration or State will appoint a Further Education Board or other Authority to deal with all applications.

2. The following will be the functions of this Authority:-

   (a) To select applicants to whom awards are to be made.

   (b) To assess the extent of assistance to be granted.

   (c) To place the applicant in the right institution.

   (d) To fix the course and its duration.

   (e) To review the awards from time to time where necessary.

VI. FOLLOW-UP ARRANGEMENTS.

1. The continuance of an award for the full duration of the course will be dependent upon satisfactory conduct and progress, and will normally be conditional upon the passing of the ordinary examinations associated with the course, unless some good reason for failure, such as ill-health, can be shown.

2. Either the whole or part of the award is liable to be withdrawn if the applicant, in the opinion of the appointed Authority and upon a report of the Head of the Institution where he is studying, is not found benefiting from the course.

---

(23)

48

VII. APPLICATIONS.

1. Applications for assistance under this Scheme can only be made after release from service or when release is expected within a short time, say, two or three months.

2. This scheme cannot be used as a reason for claiming a class "B" release from the Services.

3. No application will be considered six months after the demobilization of all the forces is complete.

4. Applications should be made in the form given below and should be addressed to the Education Department of the Province, Administration or State to which the applicant belongs. It is necessary to state exactly and fully what course of study the applicant wishes to undertake. The Provincial Governments or their Further Education Boards or any other Authority appointed by them may, if required, ask for additional information later.

No. 22-2(1)/45-R,
Government of India,
Department of Education,
New Delhi, the 15th April, 1946.

From: Sir John Sargent, C.I.E., M.A., D.Litt.,
Secretary to the Government of India,
Education Department,
NEW DELHI.

ASST. SECRETARY TO GOVERNMENT
19 APR 1946
EDUCATION AND PUBLIC HEALTH DEPT.

To
Secretary,
Education and Health Department,
Government of Madras,
MADRAS.

Subject:- SCHEME FOR THE FURTHER EDUCATION IN INDIA OF EX-SERVICE PERSONNEL.

pp9-11 CF of (A)

Sir,

Reference your letters No. Ms.1853.Edn. dated 10th November, 1945 and No. 44429-C1/45-12-Edn. dated 4th April, 1946. p 29 ante

pp31-39 above

Q' on p2 cf of (A)

p 31 ante

2. I am directed to say that a basic scheme for the further education of ex-Service personnel was sent in our letter No. F.22-2/45-R dated the 12th April'46. A study of the Scheme will show that all points raised by the Madras Government in their letter referred to above have been accepted and incorporated in the Scheme. The Scheme is no longer open to all those who come under the broad definition of war-service given by the Home Department but only to the Armed Forces, and the six months service clause has also been inserted in accordance with your suggestion.

p1 ante

p37 ante

3. Your objections in para 1 of your letter do not really arise because the Provincial Government is not bound to provide facilities which are not available. This point has been clearly stated in Section IV para 4 of the Scheme. The assistance of the Provincial Government is restricted only to educational facilities which are normally available in the Province and to such special courses as can be conveniently arranged. If an applicant who has acquired some special profession during his war-service requires further education in that profession and if that is not available in the Province, he will have to go without it, though the Provincial Further Education Board is at liberty to offer him alternative courses or subjects.

para 8, p3 ante

4. The point raised by the Government of Madras about the difficulty of reciprocal arrangements has been brought out in the Scheme, but it is left open for such Provinces as are willing to participate in reciprocal arrangements, to do so.

para 5, p37 ante

5. It is hoped that the Government of Madras will now do their utmost to implement the scheme at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

B. Eyram
(B.K. EYRAM)
Dy. Educational Adviser(R).
for Secretary.

5. To obtain best results, it is advisable to write airgraphs in black ink. The use of pencil is not recommended, but if it is at all used, it must be a very soft pencil. A typewriter may be used except for the address. The message may be written in any language as long as it is clear. The whole message should be in one medium only whether ink, pencil or typewriter, but the address should always be in large English block letters and should never be typewritten. Communication in code is not permitted except by authorised approved Banks which are permitted to use private authenticating cypher expressions as in telegrams or by the Field Controller and other Controllers of Military Accounts to Military Formations in the United Kingdom. It is not permissible to affix photographs, snapshots, artistic pictures, etc., on airgraphs; but manuscript drawings or sketches in ink or pencil, if harmless, are not prohibited.

6. If it is desired to send more than one airgraph the name and address of the sender and of the addressee must be inserted on each such form and all the forms must be pinned together from inside.

7. The completed form should be handed in at any post office or forwarded direct in a cover addressed to "Airgraph Section, General Post Office, Bombay". In the latter case, a large size cover, which should not be less than 8½ inches long, should be used. The form should be folded parallel to the printed instructions only and not more than twice. The outer cover, addressed as indicated is not required to be stamped.

6. Airgraphs sent by members of His Majesty's Forces should be franked by the Officer Commanding of the unit, or some other responsible officer of the unit who should also state his rank or designation in the space provided for the purpose on the form.

9. The original airgraphs will be retained by the post office and eventually destroyed.

SCHEME FOR FURTHER EDUCATION IN INDIA OF EX-SERVICE PERSONNEL

-Mp 1-4 of Go No. 1853 Edn 10-11-45

Mp 31-32 of

I am directed to refer to this Department lettersNo.D.2331(C)/45-E dated the 27th September 1945 and No.F.22-2/45-R dated the 12th April 1946 on the subject mentioned above and to say that the Government of India basic Scheme for the Further Education in India of Ex-Service Personnel has been announced to Service Personnel as in the pamphlet 'Further Education Scheme' (copy with five spare copies sent herewith). It is requested that further necessary action may now be taken by the Provincial Government to implement the Scheme in their area.

2. Details of the scheme proposed to be adopted in the Province may kindly be forwarded to the Government of India in this Department for approval in due course........

60

course though this should not act as a bar to launching Provincial Schemes immediately in view of the imminence of college and other higher education terms which will commence in June/July. The procedure regarding the adjustment of the Central Government's share of the extra expenditure incurred by the Provincial Government on this Scheme will be communicated in due course.

I have the honour to be,
Sir,
Your most obedient servant,

for Secretary.

WAR - Further education and training of demobilised personnel - Scheme - Sanctd.

Read:- From the G. of I., Dept. of Edn., letter No.F.22-2/45-R, dated 10-5-46.

G.O. (MS.) No. 1167 Edn., dated 12-6.46

The Govt. of India have published a scheme for the further education in India of ex-service personnel. A copy of the scheme is annexed to these proceedings. The Provl. Govt. have generally accepted the scheme; they direct that it be brought into effect from the beginning of the academic year 1946-47 and issue the follg. further instructions for the working of the scheme in this Province.

p.5-3 eF
pp.55-63 eF

2. The scheme will be confined, for the present, to University education; orders about its extension to 'non-University' but 'post-secondary' courses will be issued separately.

P on p.12 NF
and E on p.14 NF

3. The categories of persons specified in paragraphs 1 to 3 of section III of the Annexure will be eligible for the benefits of the scheme subject to the condition that the candidates are natives of the Madras Province. The test of a candidate's nativity will be residence by the candidate or his parents in the Province for a period of ten years immediately preceding the date of appln. for the concessions (excluding periods spent by the candidate either for studies or on military duty or periods spent by ~~the~~ his parents in Govt. service [illegible] ~~in any other~~ Province).

p.5-8 eF

p.26 NF
+ also (Q)

4. ~~The~~ Facilities will be provided to candidates who, by reason of war service, have been unable to start education (post-School Final) for careers, or whose education has been interrupted for that reason at any stage of such education.

para 4 (a) + (b)
section III, p.58 CF
read with [illegible],
CF I

5. In the matter of admission to Arts and Science colleges under Govt. management, preference should be given to ex-service personnel eligible for the benefits of the scheme, without any distinction and without any restriction as to numbers but subject of course to the rules of academic qualfn in order of merit along with other applicants. BR It is the intention of Govt. that similar preference should be given to such candidates in aided colleges; the D.P.I. is requested to arrange with managements of aided colleges accordingly. In the case of Professional and Technical colleges under Govt., e.g., Colleges of Engg., Agriculture, Veterinary and Medicine, 10 per cent. of the seats should be reserved for such personnel, admissions being made subject to the rules of academic qualfn & order of merit; after the 10 per cent. of the seats have been filled by ex-service candidates, for the 'unreserved' 90 per cent. of the seats also, heads of institutions may consider applns. from ~~xandx-~~qualified ex-service personnel, if any, along with applns. from other candidates in order of merit. TBR

para 3 CF 2

pp 24 + 25 NF
[To be amended after H.M's orders are taken]

H.M. minute p.20 NF
&
p23 NF, para 2

pp 23, & 25 NF

6. ~~The~~ All ex-service candidates actually admitted will be exempted from payment of tuition fees and special fees. Private managements will be compensated for the loss of fee income sustained by the admission of ~~ex-service personnel~~ such candidates in their colleges. The candidates will be given, in addn., an allowance for books and equipment ~~and~~ in accordance with the scale indicated below:

para 2, N.F. 23

pp 13, 20 + 26 NF

	Rs. per annum.
Arts Colleges:	
Intermediate course	40
Degree course	50
Professional course	Actual cost

The candidates will also be given a maintenance allowance. The Further Edn. Board proposed to be constituted (see para 10 below) will fix the rate of this allowance in each case (subject to a maximum of Rs.30 p.m.) and also decide whether the allowance shall be in force throughout the year or only for the actual term period (of nine months in a year) during the period of the approved course.

pp 20, 22, & 25 NF

The grant of the fee concessions and/the allowanc (both for books and equipment and for maintenance) will be assessed separately for each applicant, w.r.t. his financial position, as laid down in para 2 of section IV of the scheme.

p 59 CF

The concessions will be withdrawn from candidates who stay for more than one year in one and the same class, during their course of studies.

p117 infra

7. It is the intention of Govt. that the facilities in question should be available in institutions belonging to the Universities of the Province and Govt. trust that the Universities will co-operate in that regard. The Universities of the Province are accordingly invited to give preference to ex-service personnel in the matter of admission in their Arts and Science colleges and to reserve for these candidates such percentage of seats in their Technical and Professional colleges as they may consider suitable. The Universities are requested to exempt these candidates from tuition fees and special fees. They will be compensated for the loss of fee income sustained by admissions of ex-service personnel in their colleges.

pp 23 + 25 NF

8. The Govt. will meet from Provl. funds the expenditure on account of allowances for books and equipment and maintenance.

9. The tenure of the concessions will be as follows:-

para 5, p2 CF

If the course of study interrupted was a professional or a technical course ~~of~~ or the B.A. or the B.Sc., financial assistance will be given for completion of the course; if the course interrupted was the Intermediate, assistance will be given for completing it and also for undergoing the B.A. or B.Sc. course~~s~~, in continuation; if the course to be pursued after the Intermediate, B.A. or B.Sc. is a professional or a technical course, assistance will be given too. These instructions apply, mutatis mutandis, to cases of starting of further education also (as distinguished from cases of interruption of studies).

p15 NF

10. The D.P.I. is requested to submit very urgently, in consultation with other Hds. of Depts., proposals for the constitution of a Further Education Board for this Provce; his attention is invited to para 2(d) of letter No.D.2331(c)/45-Ed, dated 27-9-45, from the G. of I., communicated in Govt. Endt. No.44429-C/45-5-Edn., dated 10-11-45. Pending the constitution of the Board and the settlement of detailed procedure for the award of the concessions, applns. from demobilised personnel will be recd. by the D.P.I. and they will be placed before the Board after its constitution.

ASST. SECRETARY TO GOVERNMENT
16 MAY 1946
EDUCATION AND PUBLIC HEALTH DEPT.

FURTHER EDUCATION SCHEME

A Scheme for the Further Education in India of Ex-Service Personnel

Government of India
Department of Education
(Resettlement Branch)

Scheme for the Further Education in India of Ex-Service Personnel

The Scheme for the Further Education in India of ex-Service personnel announced below by the Government of India has been prepared in consultation with the Provincial Governments, Local Administrations and a considerable number of Indian States. The Scheme will be administered by such Provincial Governments, Local Administrations, and States as agree to participate in it.

Each Provincial Government, Administration, or State may have its own detailed scheme, or several schemes for different courses of study, or may consider each applicant's case separately without any general scheme. Therefore, only the essential aspects of the Further Education Scheme and the general principles and conditions on which such education will be available to ex-Service personnel are outlined below.

I. OBJECT OF THE SCHEME

1. The War has interrupted the education of a number of young men and women who volunteered for war service at an age when they would normally be taking courses of further education, or training for a business or professional career.

2. The Government of India together with the participating Provincial Governments, Administrations and States have, therefore, approved of the provision of facilities and financial assistance to such persons to enable them to obtain the benefits of the further education which they would have received but for the interruption of war service, provided they are suitably qualified and are unable to undertake this education without financial assistance.

II. WHAT IS FURTHER EDUCATION

1. Further Education is education in India beyond the Matriculation standard (or its Services equivalent) with a view to improve materially for demobilized personnel their prospects of resettlement in civil life in a career, profession, business or industry, either of their own choice or in accordance with the needs of their Province or State.

2. Further Education, however, is not to be confused with Further Practical Training for technical or skilled trades. The latter training is provided for in the Labour Department's scheme for Technical Training.

3. Further Education can be obtained in Universities, Colleges or other educational establishments or in specialized institutions or organizations, whether Government or private, by whole-time or part-time training. It is not possible to give a complete list of subjects, but all subjects normally taught in the higher educational institutions will be available, *e.g.*, the Humanities, Fine Arts and Letters, the Natural Sciences, the Pure Sciences, the Social Sciences, Law and Medicine, Engineering and other technical subjects, Education, Economics, Commerce, Business Methods and Organization, etc., etc.

4. While no fixed rule can be laid down as to the profession, business or industry which is included in the scope of this Scheme, it may be said in general that that profession, business or industry will be recognized for which the attainment of a certain educational standard is a condition of entry or in which higher education, technical or otherwise, would materially enhance a candidate's prospects of making a good start.

5. The Further Education contemplated in this Scheme is intended to be given only in India. For advanced studies overseas, the attention of intending applicants for the year 1946-47 was drawn in Service Orders to the Government of India Scheme for civilian candidates, in which scheme Services personnel were eligible to participate. Eligibility to participate in future schemes, if any, will be announced at the appropriate times.

not concerned

III. ELIGIBILITY

1. The Further Education scheme will apply to all persons, male or female*, of Indian domicile, who have been released under Release Regulations, or who have been discharged for reasons beyond their control, from the combatant or enrolled non-combatant Services of His Majesty's Forces, including the States' Forces Units serving under the Crown and including the Women Services such as W. A. C. (I.) and the Nursing Services.

2. The service should be in the Armed Forces proper, *e.g.* Military Labour Units (Indian Pioneer Corps) will be included but not Civil Pioneer Corps.

3. The Service should be for a period of at least six months between 3rd September, 1939 and the date of the declaration of the termination of war.

4. In addition to the above, an applicant for Further Education will ordinarily be required to show that by reason of this Service

(*a*) he has been unable to start education (post-Matriculation) for a career, profession, business or industry, OR

(*b*) his education for the career, profession, business or industry has been interrupted, OR

(*c*) he has been unable to resume his previous career, profession, business or industry, OR

(*d*) he requires a refresher course to enable him to follow his previous career, profession, businees or industry

NOTES.—(*i*) An applicant who, before the war, already held a post for which he had received adequate training, and who left that post to enter the Services will not be regarded as eligible for training for a new profession unless he can show that, because of changed circumstances, he is denied the opportunity of resuming his pre-war career. Men desiring to qualify on a higher plane in their prewar profession will, however, be considerd, provided that it is clear from their war record that they have shown or developed capabilities which would justify the expenditure of public money for the purpose.

(*ii*) Owing to economic pressure or other causes, a demobilized man may accept a post before applying for training. Such a man will not be debarred from consideration for an award solely by the fact that he has obtained employment.

5. Further Education can only be undertaken by those with an adequate educational background. An applicant should therefore have attained a standard of education equivalent to the Matriculation or corresponding examination in the Services. This standard will not be relaxed except in absolutely exceptional circumstances.

---

*In the following paragraphs all references to men include women, unless the context demands otherwise.

6. The applicant must normally be resident in the Province, Administration or State to which he applies for assistance under this scheme.

IV. NATURE OF ASSISTANCE AND FACILITIES

1. The financial assistance granted will normally take the following form :

(*i*) free education including tuition and examination fees, and books and equipment, OR payments covering fees, tuition, books, equipment etc.

(*ii*) free board and lodging with a cash allowance, OR a maintenance allowance based on conditions prevailing in the District, Province or Area concerned.

2. This assistance will not be given by all Provinces, Administrations and States, nor, as a matter of course, to all applicants. The extent of assistance will be assessed separately for each applicant, and will be based on his financial position. The applicant's income (including pension, if any) and his private resources will be taken into account. The following items, however, will NOT be taken into account :

(*i*) money saved during the war from pay and allowances, including war gratuity,

(*ii*) Disability pension, if any.

3. The Scheme will not provide for the payment of premiums to employers for the purpose of apprenticeship.

4. The assistance granted will be limited to educational facilities normally available in the Province, Administration or State, though special courses may be arranged where numbers justify. In addition to Government schools, colleges and institutions, private ones may also be used, if convenient and suitable in other respects, and also Central Government institutions which may be considered suitable for special cases, *e.g.*, the Indian Institute of Science, Bangalore, or the Indian School of Mines, Dhanbad, or the Imperial Agricultural Research Institute, New Delhi, etc.

5. As stated in Section III para. 6, arrangements will be made by Provinces, Administrations and States only for bonafide residents of their own areas. Where smaller Provinces or States cannot place intending students because the required educational facilities are not available, they may make arrangements direct with other Provinces, States etc. who are willing, though bigger provinces, who expect large numbers of applicants from their own areas, may not be able to provide for students resident in other provinces or States.

6. Most Universities have already granted concessions to war-service students in the matter of rules and regulations pertaining to age, attendance, residence and lectures generally. In addition, under the arrangements of the Scheme, Colleges and Institutions belonging to the Provincial Governments, Administrations and States will, as far as practicable, grant preference to ex-Service personnel in the matter of admission to ordinary arts and science courses. They cannot always grant the same degree of preference for admission into professional and technical courses where the number of seats is normally limited, but in such cases a certain percentage of seats may be reserved for ex-Service personnel.

NOTE.—Applicants demobilized after the commencement of a term will not be allowed to join courses during the middle of term as it is not in their interest to do so. Certain universities have waived the regulations regarding keeping of terms for certain examinations. An ex-Service candidate, who considers himself already fit and suitably qualified otherwise to take such an examination, is at liberty not to keep terms and to take the examination. The purpose of this Scheme, however is to give education which the ex-Service man has missed, and not merely an opportunity for examination. Therefore, while individual colleges and institutions etc. may make an exception for ex-Service entrants who are late by a few weeks, as a general rule, ex-Service men should start the courses at the commencement of a term. Provincial Governments, etc. may, if they consider necessary, start special courses for such students, either to make up lost ground and then join the regular courses or to fill the time usefully until the next term starts.

V. SELECTING, ASSESSING AND PLACING AUTHORITY

1. As far as possible each Province, Administration or State will appoint a Further Education Board or other Authority to deal with all applications.

2. The following will be the functions of this Authority :—

(*a*) To select applicants to whom awards are to be made.
(*b*) To assess the extent of assistance to be granted.
(*c*) To place the applicant in the right institution.
(*d*) To fix the course and its duration.
(*e*) To review the awards from time to time where necessary.

VI. FOLLOW-UP ARRANGEMENTS

1. The continuance of an award for the full duration of the course will be dependent upon satisfactory conduct and progress, and will normally be conditional upon the passing of the ordinary examinations associated with the course, unless some good reason for failure, such as ill-health, can be shown.

2. Either the whole or part of the award is liable to be withdrawn if the applicant, in the opinion of the appointed Authority and upon a report of the Head of the Institution where he is studying, is not found benefitting from the course.

VII. APPLICATIONS

1. Applications for assistance under this Scheme can only be made after release from Service or when release is expected within a short time, say, two or three months.

2. This Scheme cannot be used as a reason for claiming a class " B " release from the Services.

3. No application will be considered six months after the demobilization of all the forces is complete.

4. Applications in the form prescribed should be addressed to the Education Department of the Province, Administration or State to which the applicant belongs and will be considered by these authorities as and when they bring the Scheme into operation in their area. It is necessary to state exactly and fully what course of study the applicant wishes to undertake. The Provincial Governments or their Further Education Boards or any other Authority appointed by them may, if required, ask for additional information later.

Government of Madras
Abstract

War--Further education and training of demobilised personnel--
Scheme--Sanctioned.

- -

Education and Public Health Department
G.O.Ms. No. 1167 Education dated 12th June '46.

Read the following:

From the Government of India, Department of Education, letter
No. F.22-2/45 R dated 11-5-46.

**

Order:

The Government of India have published a scheme for the further education in India of ex-service personnel. A copy of the scheme is annexed to these proceedings. The Provincial Government have generally accepted the scheme; they direct that it be brought into effect from the beginning of the academic year 1946-47 and issue the following further instructions for the working of the scheme in this province.

2. The scheme will be confined, for the present, to University education; orders about its extension to 'non-University' but 'post-secondary' courses will be issued separately.

3. The categories of persons specified in paragraphs 1 to 3 of section III of the Annexure will be eligible for the benefits of the scheme subject to the condition that the candidates are natives of the Madras Province. The test of a candidate's nativity will be residence by the candidate or his parents in the Province for a period of ten years immediately preceding the date of application for the concessions (excluding periods spent by the candidate either for studies or on military duty or periods spent by his parents in Government service elsewhere than in this province)

4. Facilities will be provided to candidates who, by reason of war service, have been unable to start education (post-school Final) for careers, or whose education has been interrupted for that reason at any stage of such education.

5. In the matter of admission to Arts and Science colleges under Government management, preference should be given to ex-service personnel eligible for the benefits of the scheme, without any distinction and without any restriction as to numbers but subject of course to the rules of academic qualification in order of merit along with other applications. It is the intention of Government that similar preference should be given to such candidates in aided colleges; the Director of Public Instruction is requested to arrange with managements of aided colleges accordingly. In the case of Professional and Technical colleges under Government e.g. Colleges of Engineering, Agriculture, Veterinary and Medicine, 10 per cent of the seats should be reserved for such personnel, admissions being made subject to the rules of academic qualifications and order of merit; after the 10 per cent of the seats have been filled by ex-service candidates, for the 'unreserved' 90 percent of the seats also, heads of institutions may consider applications from qualified ex-service personnel, if any, along with applications from other candidates by order of merit.

6. All ex-service candidates actually admitted will be exempted from payment of tuition fees and special fees. Private managements will be compensated for the loss of fee income sustained by the admission of such candidates in their colleges. The candidates will be given in addition, an allowance for books and equipment in accordance with the scale indicated below.

P.T.O.

76

Rs. Per mensem.

Art colleges:

Intermediate Course	40
Degree course	50
Professional course	Actual cost

The candidates will also be given a maintenance allowance. The further education Board proposed to be constituted (see para 10 below) will fix therate of this allowance in each case (subject to a maximum of Rs. 30 per mensem) and also decide whether the allowance shallbe in force throughout the year or only for the actual term-period (of nine months in a year) during the period of the approved course.

The grant of the fee concessions and the allowances (both for books and equipment and for maintenance) will be assessed separately for each applicant, with reference to his financial position as ~~xxxx~~ laid/down in para 2 of section IV of the scheme.

The concessions will be withdrawn from candidates who stay for more than one year in one and the same class during their course of studies.

7. It is the intention of Government that the facilities in question should be available in institutions belonging to the Universities of theProvince and Government trust that the Universities will co-operate in that regard. The Universities of the Province are accordingly invited to give preference to ex-service personnel in the matter of admission in their Arts and Science colleges and to reserve for these candidates such percentage of seats in their Technical and Professional colleges as they may consider suitable. The Universities are requested to exempt these candidates from tuition fees and special fees. They will be compensated for the loss of fee income sustained by admissions of ex-service personnel in their colleges.

8. The Government will meet from Provincial funds the expenditure on account of allowances for books and equipment and maintenance.

9. The tenure of the concessions will be as follows:-

If the course of study interrupted was a professional or a technical course or the B.A. or the B.Sc., financial assistance will be given for compeltion of the course; if the course interrupted was the intermediate, assistance will be given for completing it and also for undergoing the B.A. or B.Sc course, in continuation; if thecourse to be pursued afterthe Intermediate B.A. or B.Sc. is a professional or a technical course, assistance will be given too. These instructionsapply *mutatis mutandis* to cases of starting of further education also (as distinguished from cases of interruption of studies.

10. The Director of Public Instruction is requested to submit very urgently, in consultation with other Heads ofDepartments proposals for the constitution of a Further Education Board for this Province his attention is invited to para2(d) of letter No D. 2331(c)/45-Ed dated 27-9-45, from the Government of India communicated in Government Endorsement No. 44429-C/45-5 Education dated 10-11-45. Pending the constitution of the Board and the Settlement of detailedprocedure for the award of the concessions, applications from demobilised personnel will be received by the Director of Public Instruction and they will be placed before the Board after its [illegible]. - - - -

ANNEXURE.

SCHEME FOR THE FURTHER EDUCATION IN INDIA OF EX-SERVICE PERSONNEL.

The Scheme for the Further Education in India of ex-Service personnel announced below by the Government of India has been prepared in consultation with the Provincial Governments, Local Administrations and a considerable number of Indian States. The Scheme will be administered by such Provincial Governments, Local Administrations, and States as agree to participate in it.

Each Provincial Government, Administration, or State may have its own detailed scheme, or several schemes for different courses of study, or may consider each applicant's case separately without any general scheme. Therefore, only the essential aspects of the Further Education Scheme and the general principles and conditions on which such education will be available to ex-Service personnel are outlined below.

I. OBJECT OF THE SCHEME.

1. The War has interrupted the education of a number of young men and women who volunteered for war service at an age when they would normally be taking courses of further education, or training for a business or professional career.

2. The Government of India together with the participating Provincial Governments, Administrations and States have, therefore, approved of the provision of facilities and financial assistance to such persons to enable them to obtain the benefits of the further education which they would have received but for the interruption of war service, provided they are suitably qualified and are unable to undertake this education without financial assistance.

II. WHAT IS FURTHER EDUCATION

1. Further Education is education in India beyond the Matriculation standard (or its Services equivalent) with a view to improve materially for demobilized personnel their prospects of resettlement in civil life in a career, profession, business or industry, either of their own choice or in accordance with the needs of their Province or State.

2. Further Education, however, is not to be confused with Further Practical Training for technical or skilled trades. The latter training is provided for in the Labour Department's scheme for Technical Training.

3. Further Education can be obtained in Universities, Colleges or other educational establishments or in specialized institutions or organizations, whether Government or private, by whole-time or part-time training. It is not possible to give a complete list of subjects, but all subjects normally taught in the higher educational institutions will be available, e.g., the Humanities, Fine Arts and Letters, the Natural Sciences, the Pure Sciences, the Social Sciences, Law and Medicine, Commerce Engineering and other technical subjects, Education, Economics, Business Methods and Organization, etc., etc.

4. While no fixed rule can be laid down as to the profession, business or industry which is included in the scope of this Scheme, it may be said in general that that profession, business or industry will be recognized for which the attainment of a certain educational standard is a condition of entry or in which higher education, technical or otherwise, would materially enhance a candidate's prospects of making a good start.

5. The Further Education contemplated in this Scheme is intended to be given only in India. For advanced studies overseas, the attention of intending applicants for the year 1946-47 was drawn in Service Orders to the Government of India Scheme for civilian candidates, in which scheme Services personnel were eligible to participate. Eligibility to participate in future schemes, if any, will be announced at the appropriate times.

III. ELIGIBILITY.

1. The Further Education scheme will apply to all persons, male or female*, of Indian domicile, who have been released under Release Regulations, or who have been discharged for reasons beyond their control, from the combatant or enrolled non-combatant Services of His Majesty's Forces, including the States' Forces Units serving under the Crown and including ~~xx~~ the Women Services such as W.A.C.(I.) and the Nursing Services.

2. The service should be in the Armed Forces proper, e.g. Military Labour Units (Indian Pioneer Corps) will be included but not Civil Pioneer Corps.

3. The Service should be for a period of at least six months between 3rd September, 1939 and the date of the declaration of the termination of war.

4. In addition to the above, an applicant for Further Education will ordinarily be required to show that by reason of this Service.—

(a) he has been unable to start education (post-Matriculation) for a career, profession, business or industry, OR

(b) his education for the career, profession, business or industry has been interrupted, OR

(c) he has been unable to resume his previous career, profession, business or industry, OR

(d) he requires a refresher course to enable him to follow his previous career, profession, business or industry

NOTES:-(i) An applicant who, before the war, already held a post for which he had received adequate training, and who left that post to enter the Services will not be regarded as eligible for training for a new profession unless he can show that, because of changed circumstances, he is denied the opportunity of resuming his pre-war career. Men desiring to qualify on a higher plane in their prewar profession will, however, be considered, provided that it is clear from their war record that they have shown or developed capabilities which would justify the expenditure of public money for the purpose.

(ii) Owing to economic pressure or other causes, a demobilized man may accept a post before applying for training. Such a man will not be debarred from consideration for an award solely by the fact that he has obtained employment.

5. Further Education can only be undertaken by those with an adequate educational background. An applicant should therefore have attained a standard of education equivalent to the Matriculation or corresponding examination in the Services. This standard will not be relaxed except in absolutely exceptional circumstances.

6. The applicant must normally be resident in the Province, Administration or State to which he applies for assistance under this scheme.

---

*In the following paragraphs all references to men include women, unless the context demands otherwise.

IV. NATURE OF ASSISTANCE AND FACILITIES.

1. The financial assistance granted will normally take the following form.

(i) free education including tuition and examination fees, and books and equipment, OR payments covering fees, tuition, books, equipment etc.

(ii) free board and lodging with a cash allowance, OR a maintenance allowance based on conditions prevailing in the District, Province or Area concerned.

2 The assistance will not be given by all Provinces, Administrations and States, nor as a matter of course, to all applicants. The extent of assistance will be assessed separately for each applicant, and will be based on his financial position. The applicant's income (including pension, if any) and his/ ~~xxx~~ private resources will be taken into account. The following items, however, will NOT be taken into account.

(i) money saved during the war from pay and allowances, including War gratuity,

(ii) Disability pension, if any.

3. The Scheme will not provide for the payment of premiums to employers for the purpose of apprenticeship.

4. The assistance granted will be limited to educational facilities normally available in the Province, Administration or State, though special courses may be arranged where numbers justify. In addition to Government Schools, Colleges and institutions, private ones may also be used, if convenient and suitable in other respects, and also Central Government institutions which may be considered suitable for special cases, e.g., the Indian Institute of Science, Bangalore, or the Indian School of Mines, Dhanbad, or the Imperial Agricultural Research Institute, New Delhi etc.,

5. As stated in Section III para.6, arrangements will be made by Provinces, Administrations and States only for bonafide residents of their own areas. Where smaller Provinces or States cannot place intending students because the/ required educational facilities are not available, they may make arrangements direct with other Provinces, States etc., who are willing, though bigger provinces, who expect large numbers of applicants from their own areas, may not be able to provide for students resident in other provinces or states.

6. Most Universities have already granted concessions to war-service students in the matter of rules and regulations pertaining to age, attendance, residence and lectures generally. In addition, under the arrangements of the Scheme, Colleges and Institutions belonging to the Provincial Governments, Administrations and States will, as far as practicable, grant preference to ex-Service personnel in the matter of admission to ordinary arts and science courses. They cannot always grant the same degree of preference for admission into professional and technical courses where the number of seats is normally limited, but in such cases a certain percentage of seats may be reserved for ex-Service personnel.

Note.-

NOTE.- Applicants demobilized after the commencement of a term will not be allowed to join courses during the middle of term as it is not in their interest to do so. Certain universities have waived the regulations regarding keeping of terms for certain examinations. An ex-Service candidate, who considers himself already fit and suitably qualified otherwise to take such an examination is at liberty not to keep terms and to take the examination. The purpose of this Scheme, however is to give education which the ex-Service man has missed, and not merely an opportunity for examination. Therefore, while individual colleges and institutions etc. may make an exception for ex-Service entrants who are late by a few weeks, as a general rule, ex-Service men should start the courses at the commencement of a term. Provincial Government, etc. may, if they consider necessary, start special courses for such students, either to make up lost ground and then join the regular courses or to fill the time usefully until the next term starts.

V. SELECTING, ASSESSING AND PLACING AUTHORITY

1. As far as possible each Province, Administration or State will appoint a Further Education Board or other Authority to deal with all applications.

2. The following will be the functions of this Authority:-

(a) To select applicants to whom awards are to be made.
(b) To assess the extent of assistance to be granted.
(c) To place the applicant in the right institution.
(d) To fix the course and its duration.
(e) To review the awards from time to time where necessary.

VI. FOLLOW-UP ARRANGEMENTS.

1. The continuance of an award for the full duration of the course will be dependent upon satisfactory conduct and progress, and will normally be conditional upon the passing of the ordinary examinations associated with the course, unless some good reason for failure, such as ill-health, can be shown.

2. Either the whole or part of the award is liable to be withdrawn if the applicant, in the opinion of the appointed Authority and upon a report of the Head of the Institution where he is studying, is not found benefitting from the course.

VII. APPLICATIONS.

1. Applications for assistance under this Scheme can only be made after release from Service or when release is expected within a short time, say, two or three months.

2. This Scheme cannot be used as a reason for claiming a class 'B' release from the Services.

3. No application will be considered six months after the demobilization of all the forces is complete.

4. Applications in the form prescribed should be addressed to the Education Department of the Province, Administration or State to which the applicant belongs and will be considered by these authorities as and when they bring the Scheme into operation in their area. It is necessary to state exactly and fully what course of study the applicant wishes to undertake. The Provincial Governments or their Further Education Boards or any other Authority appointed by them may, if required, ask for additional information later.

Application Form.
for assistance under the Scheme for Further Education in India of ex-Service Personnel.

1. Name (in block capitals).

No. Rank.

Unit/Reg. etc.,

Official address if any.

Private address after release.

Have you been released?

If so, date of release.

If not, approximate date of expected release.

Domicile (Prov. Adm. of State).

Place of birth.

Date of birth.

Single or married.

No. of children.

2. Describe fully the further education desired by you- subject, type of course, duration, date of commencement, College or Institution preferred, etc.,

3. Strike out sentences which do not apply to you:-

State reasons and full details in regard to your statement opposite.

Because of War Service.

(a) I have been unable to start education for a career etc.,

(b) My education for a career, etc., has been interrupted.

(c) I am unable to resume my previous career, etc.,

(d) I require a refresher course to enable me to follow my previous career, etc.,

Date when you were last in any educational institution before joining War Service.-

Course or standard you were in at that time.

Date of joining War service.

WAR - Further education and training of demobilised personnel - Scheme - Sanctioned.

Read:- From the G. of I., Dept. of Edn., letter No.F.22-2/45-R, dated 12-4-46.

G.O. (Press) No. Edn. dated

pp.31-32 cf

pp.33-39 cf

The Government of India have published a scheme for the further education in India of ex-service personnel. A copy of the scheme is annexed to these proceedings. The Provincial Government have generally accepted the scheme; they direct that it be brought into effect from the beginning of the academic year 1946-47, and issue the following further instructions for the working of the scheme in this Province.

para 8, cf 3

2. The scheme will apply only to persons belonging to this Province.

F & P on p.12 N.F. and E on p.14 N.F.

3. The scheme will be confined, for the present, to University education; orders about its extension to 'non-University' but 'post-secondary' courses will be issued separately.

p.35

para 24(a) & (b), p.35 cf. read with para 1, cf. 1

4. The categories of persons specified in paragraphs 1 to 3 of section III of the Annexure will be eligible for the benefits of the scheme. Facilities will be provided to candidates who, by reason of war service, have been unable to start education (post-School Final) for careers or whose education has been interrupted for that reason at any stage of such education.

para 3, cf. 3

5. In the matter of admission to Arts and Science Colleges under Government management, preference should be given to ex-service personnel eligible for the benefits of the scheme, without any distinction, and without any restriction as to numbers, but subject of course to the rules of academic qualification. It is the intention of Government that similar preference should be given to such candidates in aided colleges; the D.P.I. is

? M

P.T.O.

is requested to arrange with managements of aided colleges accordingly. In the case of Professional and Technical colleges under Govt., e.g., Colleges of Engg., Agriculture, Veterinary and Medicine, ~~20~~ 10 per cent of the seats should be reserved for such personnel, admissions being made subject to the rules of academic qualfns.

para 4, p. 2 CF

M

M on p. 13 NF

6. The candidates will be exempted from payment of tuition fees, examn. fees, etc.? Private managements will be compensated for the loss of fee income sustained by the admission of ex-service personnel in their colleges. The candidates will be given, in addition, an allowance for books, ~~and~~ equipment and maintenance in accordance with the scale indicated below:

	Books and equipment. Rs. per annum.	Maintenance. Rs. per annum For nine months.
Arts Colleges:		
Intermediate course	40	30
Degree course	50	30
Professional colleges	Actual cost.	30

A

p. 13 NF

[~~The scheme also contemplates the grant of a maintenance allowance. The Heads of Departments concerned are requested to suggest standard scales of maintenance allowance.~~] The grant of the fee concessions and the allowances (both for books, etc., and for maintenance) will be assessed separately for each applicant, w.r.t. his ~~final~~ financial position, as laid down in para 2 of section IV of the scheme.

C on p. 14 CF

p. 36 CF

7. It is the intention of Government that the facilities in question should be available in institutions belonging to the Universities of the Province and Government trust that the Universities will co-operate in that regard. The Universities of the Province are accordingly invited to give preference to ex-service personnel in the matter of admission in their Arts and Science colleges and to reserve for these candidates such percentage of seats in their Technical and Professional colleges as they may consider suitable; they are also invited to exempt these candidates from tuition fees, examn. fees, etc.

N on p. 13 NF

N on p. 13 NF

The Government will meet from Provincial funds the expenditure on account of allowances for books and maintenance.

para 5, p. 2 CF

8. The tenure of the concessions will be as follows:-

If the course of study interrupted was a professional or a technical course or the B.A., or the B.Sc., financial assistance will be given for completion of the course; if the course interrupted was the Intermediate, assistance will be given for completing it & also for undergoing the B.A., or B.Sc., course~~s~~ in continuation; if the course to be pursued after the Intermediate, B.A., or B.Sc., is a professional or a technical course, assistance will be given, too, but subject to the scheme of restriction of admission~~s~~ to ~~20~~ 10 per cent of the seats in the institutions, referred to in paragraph 5 above. These instructions apply, mutatis mutandis, to cases of starting of further education also (as distinguished from cases of ~~the~~ interruption of studies).

M

p. 15 NF

9. The Director of Public Instruction is requested to submit very urgently, in consultation with other Heads of Depts., proposals for the constitution of a Further Education Board for this Province; his attention is invited to para 2(d) of letter No.D.2331(e)/45-E dated 27-9-45, from the G. of I., communicated in Govt. Endt. No.44429-C/45-5-Edn., dated 10-11-45. Pending the constitution of the Board and the settlement of detailed procedure for the award of the concessions, applications from demobilised personnel will be received by the D.P.I., and they will be placed before the Board after its constitution~~s~~.

****

I invite your kind attention to the sub-para 4 of para 6 of the G. O. cited above and to para 2 of section VI of the Annexure to the G. O. and request you to let me know whether the educational concession under the scheme may be renewed to candidates who stayed in one and the same class for more than one year on their securing promotion to the next higher class. The concession has been extended to the dependants of soldiers and does not appear to apply to the concession holders under the Further Education Scheme.

11/5/49

To
The ~~DPI~~
on s/c

M/1

Note: Please see the letter from the DPI at page 1 cf. Sub para 4 of para 6 of G.O. No. 1167 Edn dated 12.6.46 is based on the decision at p. (117) 139 of the G.O. The intention clearly is that the concession should be granted only to bright and deserving candidates and that they should be

withdrawn once for all from the candidates who fail at the annual examination. Attention is also invited to section VI of the annexure to G.O. No. 1167 Edn. dated 12.6.46 where in the general principle to be followed in the case of students who do not show sufficient progress in their studies is laid down.

It may be pointed out that 50% of the cost on the further Education Scheme is ~~bourne~~ borne by the Govt. of India. There is a seperate scheme relating to the grant of educational concessions

(M)

496 5C

to the children and dependents of Soldiers. The cost of this Scheme is met from the Provincial funds: under this Scheme the concession is restricted to one year in each class and is revived on promotion to the next higher class. The DPI refers to this concession at 'A' on p. 1. cf and presumes that this analogy does not hold good in the case of Candidates under the Further Education Scheme. The Directors presumption is correct. The draft above is for approval. Fin may see.

Rc.No.151 W1/46 Dated 1-5-1947.

Sir,

Sub: WAR - Further Education and training of demobilised personnel - Minutes of the First meeting of the Further Education Board.

38201

In submitting herewith a copy of the minutes of the First meeting of the Further Education Board constituted under G.O.No.508 Edn., dated 14-3-47, I have the honour to state that the Board resolved that the concessions contemplated in the scheme be given for not more than two years in one and the same class (vide resolution No.3). I submit that this decision was arrived at, in view of the fact that under G.O.No.610 Edn., dated 20-4-1945, children and dependants of Services personnel are eligible for the concessions for two years in one and the same class. I request that Government may kindly approve of this decision and pass orders permitting the grant of the concessions for two years instead of one year as laid down in G.O.No.1167 Edn., dated 12-6-46 (last clause under para 6).

R. Narasimhan
for Director of Public Instruction.

k.h.3-5.

SOP
3/5

Minutes of the I meeting of the Further Educational Board held at the office of the Director of Public Instruction at 12 Noon on Tuesday, 15th April 1947.

Present:-
1. Dr. S.R.U.Savoor, (Chairman).
2. Dr. A.S.Mannadi Nayar, Principal, Madras Medical College.
3. Rao Sahib V.Hanumantha Rao, Deputy Director of Resettlement.
4. Mr. R.Narasimhulu Naidu, Personal Assistant to the Director of Public Instruction Madras (Secretary).

The Principal, Madras Veterinary College regretted his inability to attend. The nominee of the Director of Agriculture was not also present.

~~Minutes:~~

1. The applications of the 51 eligible candidates studying in the Government and Aided Arts and Professional Colleges and who have been sanctioned the books allowance and exemption from the payment of tuition and special fees were considered and it was resolved that the maintenance allowance might be sanctioned on their behalf. It was decided that the duration of the maintenance allowance should be nine months in the case of Arts Colleges and twelve months in the case of Professional Colleges. The rates of maintenance allowance were fixed as follows:-

Annual income.	Rate of monthly allowance.
Up to Rs.1,200	Rs.30/- p.m.
Income ranging from Rs.1,200 to 1,800.	25/- p.m.
do. from Rs.1,800 to 2,400	20/- p.m.

2. The Principal, Madras Medical College, pointed out that 13 applications for Pre-Registration class and 21 applications from ex-service medical licentiates to the Special M.B.B.S. Course have been received. The Principal was advised to scrutinize the applications and to exempt the students from the payment of tuition and to sanction special fees and the books allowance for the year 1946-47 if found eligible and to bring the applications thereafter to the Further Education Board for the sanction of the maintenance allowance at its next meeting.

3. It was also resolved that the concessions contemplated in the scheme shall be given for not more than two years in one and the same class.

4. As regards items (iii) and (iv) of the functions of the Board as contemplated in G.O.No.508, Education, dated 14-3-47 viz., "to place applicants in the right institutions" and "to fix the course to be undergone by each applicant and its duration" it was resolved that as the applicants themselves are in a position to choose the institution and the nature of the course it may not be necessary in all cases to fix the course and to allot them to any particular institution. In cases of doubt, however, a decision will be given by the Board.

5. As regards paragraph 3 of G.O.No.1018, Public Health, dated 28-3-47, the Principal, Madras Medical College was requested to bring the applications of ex-service personnel who wish to take a medical degree for consideration by the Board at its next meeting.

p.t.o.

It was howeve?, resolved that the M.B.B.S. course should be restricted to 2 years in the case of ex-service personnel.

6. It was decided that the next meeting should be held in the 1st week of June 1947.

p. 5 ante

Spare Copies ________

From the replies so far received from the Principals of Colleges it is observed, that, except in one case, no concession holder has failed to secure promotion to the next higher class at the end of the academic year. Further promotion to the Senior classes of the College classes is easily

/p.t.o.

easily secured. Very rarely students fail to secure promotion to the Senior classes. The extra expenditure that may have to be incurred by the Government if the proposal of the Further - Education Board to grant concessions for two years in one and the same class is sanctioned, will therefore be negligible.

1 M

2. In the circumstances I recommend that the proposal for the award of the concession for the second year of study in the same class may be considered by Government favourably.

Further education of demobilised personnel.

The S.G. and the D.P.I. have sent their replies to Govt. Memo. 44429-C/45-5-Edn., dated 10-11-45.

2. The S.G. has sent an approx. estimate of the cost ~~xx~~ if 20% (i.e., 25 seats) of the seats in the Madras Medl. College is reserved for demobilised personnel. He has not furnished such estimate in respect of the Stanley and the Vizagapatam Medl. Colleges. For orders whether he may be asked to furnish this.

3. The Director says that it is not possible to give an approx. estimate of the cost unless an estimate of the probable no. of demobilised soldiers who may desire to continue their interrupted studies in the educational institutions of the Province is furnished. He says that he will submit proposals in re: to the rates of maintenance grants after a decision is reached on the question whether educational concessions are to be given to demobilised personnel for their interrupted high school studies. The G. of I. have been addressed in that matter and their final reply is awaited. They may be reminded.

4. With refce. to the letter at C.F. ~~12-13 of~~ 9-10 from the Hon'ble the Resident in Mysore, an extract of para 8 of the letter at C.F. 3 may be sent to him. Draft reply is subd.

5. It is not known whether the Dev. Dept. have recd. the replies from the Hds. of Depts.* under them - pl. see p. 43 N.F. of (A). After issue of the letter to the Resident and after orders are passed on "A" above, the file may be sent to Dev. for remarks.

M.V.S.
9.11.45

Devt. Deptt.

p.p 1-4 CF
cf (A)

The Govt of India have addressed this Govt. in the E.& P.H. dept and other Provincial Govts. on the question of providing further education and training for demobilised personnel. They have stated that the Provl. Govts. should administer the schemes while the Central Govt. will coordinate arrangements, fill in gaps wherever necessary and afford advice and assistance. The ex-service personnel ~~shouldx~~ undergoing training ~~should~~ are to be given financial assistance subject to certain conditions. The Govt of India have agreed to bear 50 % of the expenditure incurred by the Provl. Govts. on the scheme. The E.& P.H. dept have replied to the Govt of India accepting their proposals, subject to certain modifications. So far as professional and technical courses are concerned, ~~they~~ this far. have agreed to the reservation of only 20% of the seats for war service personnel. That Dept. have also called for proposals from the D.P.I. and the S.G. for giving effect to the proposals and have suggested that similar proposals may be called for from other Heads of Depts. This section is concerned with agricultural education (extracts have been given to other sections by P.& D. II section) The D.A. may be consulted. Subject to orders a draft memo. is submitted for approval.

~~21~~ ~~94~~

Issued as Memo. to the D.A. No. 73376 AIV/45-1 d. 27-11-45. p 25 CF
Letter from the D.A. D.Dis. D.1679/45 dated 24-1-46. p 27 CF

D

Notes on page ~~1~~ 4 above , the memo. to the D.A. on p.~~13~~ 25 c.f. and his reply on page ~~15~~ 27 c.f. may be perused. The proposals contained in the E&P.H. letter on pp. ~~7-11~~ 1-4 c.f. so far as technical courses are concerned are:

(1) to reserve 20% of the seats for war-service personnel;

and (2) to give them financial assistance, subject to the 'means test' referred to in para 2 (g) of the Govt. of India's letter on ~~pp. 3-4 c.f.~~ p 3CF & (A)

The D.A. has estimated the expenditure involved in reserving 20% of the seats in the two Agricultural Colleges for war-service personnel as Rs. 27,050 in the first year and Rs. 28,160 in each of the 2nd and final year. p27CF The above estimates have been worked out on the assumption that the education of the war-service personnel will be entirely at the cost of the Govt. As however financial assistance to these persons are to be subject to the 'means test' referred to in para. 2 (g) of the Govt. of India's letter, the actual expenditure in giving effect to these proposals may be a little less. India have also agreeed to bear 50% of the expenditure on the scheme. A/3CF

The E & P.H. Dept. have stated in their reply to the Govt. of India that the schme will be put into operation only after they have accepted the modified proposals contained in the E &P.H. letter on pp. ~~7-11~~ 1-4 c.f. It is understood from that Dept. that India's reply has not yet been received. In another similar file sent from this Dept. E & P.H. Secy. has ordered that the proposals under consideration should for the present be treated as a general question and dealt with in that Dept. in consultation with the Departments concerned. This file may therefore be transferred to E& P.H. for further action.

The Govt of India had sent certain proposals in regard to the further education and training of demobilised personnel for the consideration of this Govt. In letter No: 1853 Edn & 10.11.45 a reply was sent to the Govt of India accepting the proposals subject to certain restrictions. A copy of the letter was commd: to the D.P.I and the S.G who were requested to submit detailed proposals for giving effect to the scheme with an approximate estimate of the cost involved. At the same time the Dev dept was also requested to get similar proposals from the Heads of depts under their control. The D.P.I and the S.G have sent their proposals and the further examination of these proposals is to be taken up after the reply of the Govt. of India is read. ~~reply~~ The Director of Agriculture has forwarded his proposals with an approximate ~~cost~~ estimate of the cost if 20 per cent of the seats in the two ~~approved~~ agricultural colleges at Coimbatore and Bapatla are reserved for demobilised personnel. This dept may agree to consider the D.A's proposals along with the proposals of the D.P.I and the S.G.

12/4/46

14/4/46

From the ~~Gvt~~ Govt of India, No.F22-2/45 R dated 12-4-46 and 15-4-46. pp31-43 CF

(The notes from page 8 ante may be read)

Please see the letters from the Government of India on pages 31-32 and 43 c.f. They have forwarded a scheme for the further education in India of ex-Service personnel and have stated that as it is intended to announce the scheme by the 28th April they may be informed by telegram on or ~~before~~ about 28-4-46 if there is any detail ~~any detail~~ in the scheme with which the Provl. Government disagree. They have also pointed out in a a separate letter (page 43 c.f.) that all points raised in this Governments letter dated 10-11-45 have been incorporated in the scheme and they have requested that the scheme may be implemented at an early date.

pp 33-42 CF

para 4, p37 CF

pp 1-4 CF

p43 CF

p/1-2 CF

2. In their letter dated 27-9-45 the Govt. of India stated that the scheme should be designed to aid the following classes of ex-Service personnel:-

(i) Those who would have embarked upon courses in the Universities or in technical or professional colleges if they had not volunteered war service:

(ii) Those whose courses mentioned in (i) were interrupted by their joining up.

(iii) Those who although they may have completed courses of training before joining up will require refresher courses to fit them to take up or resume civil occupations.

(iv) Those who cannot be said to have been diverted from their intended professions such as regular members of the forces, but may need help owing to discharge through disability.

(v) Those who had not done any training for a profession before undertaking war service but have acquired a profession or trade whilst in the services, and who require a period of supplementary training.

para 1, p1 CF

The Government of India was informed in this Department's letter dated 10-11-45 that it would be possible to consider cases of ex-Service personnel coming under classes (iii) to (v) only as and when details were received as to the types of training required, etc. and that in the meanwhile arrangements could be made to give preference in regard to admission or reservation of a percentage of seats. As regards ex-Service personnel included in classes (i) and (ii) above it was presumed that the intention was to help in courses of study in the University stage and the reply to the Government of India was confined to University courses of study. The Government of India now state that item (v) has been dropped as it is really covered by item (i) and that as regards (iii) and (iv) Provl. Govts. need not provide facilities which are not available.

para 2, p1 CF

Section II. 1, p33 CF

"Further education" is defined ~~as~~ in the scheme as education beyond the Matriculation standard with a view to improve materially for demobilised personnel their prospects of resettlement in civil life in a career, profession or business or industry and it can be obtained in the Universities, Colleges or other educational establishments whether Government or private. No fixed rule is laid down as to the profession, business or industry which is included in the scope of the scheme. The scheme, therefore, covers not only University education but courses like Secondary Grade training for which Matriculation or SSLC is the minimum qualification.

para 3, p34 CF

para 4, do

Sec. III pp34-36 CF

3. The other main features of the scheme may be summarised as follows:-

(1) It will apply to all persons, male or female, of Indian domicile who have been released under Release Regulations.

(2) Service of the candidates should be in the Armed Services proper for aperiod of six months; personnel of the Military Labour Units will be eligible for the benefits of the scheme but not those of Civil Pioneer Corps.

Compare para 2, pp1-2 cf

(3) The applicant will be required to show that, by reasons of his war service, he ~~had~~ has been unable to start education (post - matriculation), or that his career has been interrupted or he has been unable to resume his career or he requires a refresher course..

(4) The applicant must have attained a standard of education equivalent to the matriculation.

p36 cF

(5) He must ~~is~~ be normally resident in the Province to which he applies for admission.

(6) The application must be made within a period of six months after the demobilisation of all forces is complete.

Section VII, p39 cF

(7) The financial assistance must normally take the form of free education including tuition and examination fees, books and equipment, free board ~~or~~ and lodging with a cash allowance or payment of an allowance to cover the above items..

Section IV, p36 cF

(8) Preferenceshould be ⊗ given to ex-service personnel in the matter of admission to arts and ~~xxhx~~ science courses while in the case of professional and technical courses a certain percentage of seats may be reserved for them.

sec IV, 6, p37 CF

⊗ "as far as practicable" [illegible]

(9) A "Further Education Board" should be set up to select applicants, to assess the extent of assistance to be granted and to fix the course and its duration.

Sec V, p38 cF

4. As already stated all the suggestions made in the letter on pages 1-4 c.f. have been adopted in the scheme and it seems that the scheme may be accepted by this Govt. It is not possible to estimate the additional cost involved in the scheme - vide para 3, page 32 c.f. In the letter dated 27-9-45 it was stated that the Govt. of India would agree to bear 50 % of the extra expenditure. Though no specific reference is made to this in the present letter, it is presumed that this will be done. The point may, however, be clarified when communicating the Government's acceptance of the scheme..

/ wj

para 3, p32 cf

of (A)

/ wj

5. The educational institutions under this

~~Dr~~ Department may be classified as follows:-

(1) Arts and Science Colleges for men and women.
(2) Training Colleges for teachers..
(3) Engineering Colleges, Guindy & ~~Ca~~ Coimbatore.
(4) Secondary Training Schools for men and women.
(5) Medical Colleges.

In the Colleges for Arts and Science it is enough if preference is given toex-Service personnel. In the Engineering Colleges and Teachers Training Colleges, 20 per cent of the seats may be reserved for them. As regards training schools the Govt. have already directed that demobilised personnel should be given first preference, in the matter of admission; and they should be exempted from the payment of tuition and special fees and also of examination fees for the training school certificateexamination. It may be pointed out here that the Government have also sanctioned the opening of special training schools for demobilised personnel for training in the higher elementary grade. The Board of Revenue have represented that as sufficient number of candidates is not forthcoming they should be given, in addition to the concessions referred to above, some family allowance. This matter is underconsideration in separate file.

This is what we have already accepted — pages 2 & 3 and 2.6 — wj

This is a new item — & as pp: 1-4 we considered only university education & ie. new fields and the definition of further education it may be accepted. but it may be dealt with separately. wj

Pending the receipt of Govt. of India's reply to the letter on pp1-4cf ~~the DPI, who was~~ the S.G.s were asked to furnish details for implementing the scheme, the Director has stated that it was not possible to give an estimate of the cost involved in the scheme unless the probable number of demobilised men who may desire to continue their interrupted studies is known.

p4 cF

p7 cF

In views of p' on 32 cf we cannot hope to be [illegible] this view or otherwise [illegible] agreeing to 22

pp25-6 cF

wj

6. Medical colleges:- The S.G. has reported that 20 % of the seats in the 3 Medical Colleges may be reserved for war service personnel and he has estimated the cost involved at Rs. 2,76,600. Attention is invited to para 3 of the letter of the Govt. of India on page 32 c.f. They ~~G. of I.~~ have stated that the further education of Services Personnel in the Medical Colleges is covered by the present scheme but that the Department of Health will address the Provl.Govts. separately in the matter.

1,52,550
71,302
52,747
2,76,599

Apparently the reference here is to persons who have gone to military service who would have taken up medicalcourse after passing

We have already taken

the Intermediate or B.A. ~~as the case may~~ be and not persons who are already in service who want to have higher medical education after demobilisation. ~~In any case~~ The further letter promised may be awaited.

Then 90 per cent for admission into the Medical Colleges; I do not think we need wait for the further reference from the Dept. of Health.

7 The Devt. Department have under their control certain professional colleges. They are the Agricultural Colleges, the Veterinary College and the Forest College. As regards the Agricultural Colleges, the Director of Agriculture has agreed that 20 percent of the seats may be reserved for war service personnel and he has estimated the cost on this account at Rs.27,050 for the first year and Rs 28160 in each of the two subsequent years. No reply has been received from the Director of Veterinary Services about the Veterinary College. As regards the Forest College the Chief Conservator ~~of~~ has reported as follows:- /K

> "Professional training in Forestry is taken up only by those who are assured of a post at the conclusion of it (nearly always a post in Government service). The future employer (Government or State) bears the cost of training. Ex-service candidates who apply for any and are appointed to Forest Department will receive their professional training as a matter of course, with the necessary financial assistance. In these circumstances the scheme is, I submit, hardly applicable to this department".

The proposals & decisions contained in the letter at pp 1-4 cover these colleges; it has been decided that the first college will not [illegible]; we may go ahead with the scheme.

p15 CF (E)

GO No 99

7-1-46

8. As regards the nature of the financial assistance, the candidates may be exempted from tuition fees and examination fees etc. and they may be given an allowance for books etc: perhaps the scale of allowance for books may follow that ~~a~~ adopted in the case of children of soldiers, laid down in G.O. No.610 Edn., dated 20-4-45, viz., Rs.40 pa for the Intermediate classes and Rs.50 pa for B.A., and actual cost in professional colleges. About maintenance, though the allowance will have to be fixed with reference to each institution and individual person, it will be desirable to lay down a standard scale in consultation with the D.P.I.; or this may be left to the Board proposed to be set up to make recommendations. Private managements will have to be compensated for the loss in fee income sustained by them by the admission of ex-service personnel. In the case of University institutions the Universities may be invited to exempt such students from tuition and examination fees, ~~and~~ the Govt. agreeing to meet the allowances for books etc. and maintenance.

FINANCE DEPARTMENT

Finance (P.W.R.-B)

Please see the notes from page 8 above.

This file deals with the grant of concessions to demobilised personnel of the Armed Forces for further education and training including technical and professional education. In letter No. 1853 Edn., dated 10-11-45, this Government agreed to implement the scheme previously forwarded by the Govt. of India subject to the modifications suggested therein. The Govt. of India have now forwarded a revised scheme (pp 31-43 CF) and request that, if there is any detail in the scheme which the Provincial Govts. disagree with, they may be informed by telegram by 28-4-46. The main features of the revised scheme and how the Govt. of India have given effect to the modifications proposed by this Government ~~and~~ are explained in paras 2 and 3 of E.& P.H. note on pages 9-11 above. E.P.H. state that all the suggestions made by this Government have been accepted by the Govt. of India (para 4 on p 11 above) and consider that the revised scheme may be accepted ~~subject to clarification regarding the debit of~~ on the presumption that the Govt. of India will bear 50% of the extra expenditure to ~~the Govt. of India~~ as stated by them in Sept. 45. E & P.H. propose to clarify the point when sending reply. Finance may agree generally to the proposals of E.& P.H. subject to the remarks below.

DWD

2. The Govt. of India consider that financial assistance must normally take the form of free education including tuition and examination fees, books, equipment, free board and lodging

Section IV on p 36 cf

~~100~~ 128

Fin (R-2) 1423

with a cash allowance or payment of allowance to cover the

above. E.& P.H. propose that financial assistance may be

given as indicated in para 8 of their note on page 13 above and

that Heads of Depts. may be asked to send proposals for fixing the

maintenance allowance to be given to the ex-servicemen. Com-

plete information is not available in the file to show the total

extra expenditure involved in the acceptance of the

proposal. It is, however, observed that the ~~cost~~ extra expre involved ~~will~~ is estimated at

Rs 2,76,600 in the ~~grant~~ case of concessions for students to be admitted

into the Medical Colleges, and that the ~~cost will be~~ extra expre is estimated at Rs 27,050 for

the first year and Rs 28,160 in each of the following two years for the concessions to students to be admitted into the

Agricultural Colleges. As the Government have agreed to imple-

ment the Govt. of India's scheme, it is submitted that Finance

may agree to financial assistance being given as proposed by

E.& P.H. subject to the condition that the Govt. of India bear

50%* of the expenditure as already stated by them. E.& P.H. may

be requested to send the case again to Finance after proposals

are received from Heads of Depts. re. the rates of maintenance

allowance and to ask Heads of Depts. concerned to indicate clearly

the heads of accounts under which the necessary extra provision should

be made to meet the expenditure involved in the scheme.

A

* This will be taken into a/c in the post-war allocation of Central funds for p.w. schemes. 26/4/46

x para 3 of p 3 cf (A)

M

Q

27.4 DWD

3. Financial procedure. As the total cost involved in the

acceptance of the scheme is large, the proposal will have to

be treated as a New Service and orders in full circulation

obtained. E.& P.H. will also have to take steps to obtain H.E's

authorisation for a supplementary estimate in due course. As

the expenditure exceeds Rs 25,000 recurring, the sanction of the

Governor General under the section 93 situation is required. But as

the scheme is intended ~~to benefit the~~ for re-settlement of ex-servicemen, the sanction

may be presumed and post facto approval obtained through the monthly

reports. E.& P.H. may be requested to send a report on the

scheme to reach this Dept. on 1-5-46, so that it may be embodied

in the monthly report to be sent to the Governor General, if orders are passed before the revocation of the § 93 proclamation.

'A' above. The letter on pages 1-3 cf was received after discussion of the subject at a meeting of H.E. the

cd.
10/5/46.

I think the reservation of twenty percent of seats for the further education of the demobilized personnel in all Colleges including, Arts and Science, Engineering, Medical Agriculture and Veterinary Colleges will be too much. The proportion of students and those who would have gone for higher education would certainly not be even near five per cent of the ~~whole~~ student population. When there is so much rush for admission in the various Colleges, it will be unjust to the others if we are to reserve twenty per cent for these. At the utmost, I think, ten per cent may be reserved for them. The same qualifications for admission as for others should be insisted for these also.

M

2. The allowance of Rs.40/- per annum for Intermediate and Rs.50/- per annum for B.A. ~~are~~ or the actual fees in the professional Colleges may be agreed to.

× for books & equipment

3. About the maintenance charges ~~of~~ Rs.30/- per month for 9 months may be fixed.

The draft order may be amended as above and resubmitted.

TSAr
13-5-46

14 MAY 1946

Subject to approval by the other Hon. Ministers, the H.P.M. and H.E., the draft order has been amended as ordered by H.M.(Edn.) The intention in respect of

110/13

admissions of ex-service personnel to Professional colleges was also that they should be subject to the rules of academic qualfns. This has been made clear in the draft (p.2).

At p.19 ante, the Fin. Dept. stated that the file might be sent to them on the point of maintenance allce. after proposals for a standard scale of the allce. have been recd. from the Heads of Depts. As the allce. has now been fixed by the H.M.(Edn.) at Rs.30 for 9 months, that Dept may see before re-circulation.

P8 68 111

M arp 17 above

At the same time it was suggested that the E.& P.H. dept. might send the case again to Finance after proposals were received from the Heads of departments concerned regarding the rates of maintenance allowance to be granted. As the H.M.(Edn.) has now suggested that the maintenance allowance may be fixed at Rs.30 p.m. for 9 months in a year, the E.P.H. dept. have sent the cae to Fin. for perusal. It is submitted ~~that~~, as the maintenance allowance is not to be sanctioned as a matter of course and as the amount of allowance will have to be assessed separately for each applicant with reference to ~~the~~ his financial resources ~~of the applicants~~ ~~concerned~~ and the conditions prevailing in the district or ~~the~~ area concerned, this dept. may ~~advise~~ suggest that the amount of Rs.30 p.m. suggested by the H.M. may be fixed as the maximum admissible subject to which the allowance may be sanctioned at rates appropriate to each case.

para 3 arp 20 above

R arp. 36 ff

See below also. DWD

2. H.M.(Edn.) has suggested on p.20 above that the maintenance allowance may be Rs.30 p.m. for 9 months. In para of the draft ~~it is stated that~~ the rate of maintenance allowance ~~will~~ has not been correctly indicated. ~~Rs.30 per annum for 9 months~~. E.P.H. may be requested to amend it suitably.

DWD

Secondly ~~the intention of H.M.~~ as regards the reservation of seats, the intention of the H.M.(Edn.) seems to be that only 10 per cent of the seats should be reserved in all colleges including the colleges of Arts and Science. If so, paragraph 5 ~~and 8~~ of the draft may be amended suitably so as to make the intention clear. There, however, need be no objection to preference being given to ex-service personnel in Arts and Science colleges in excess of 10 per cent, provided ~~if they are prepared to pay~~ the grant of the concession re the tuition fees, examination fees etc. is restricted to 10% of the seats in each class.

para 1 arp. 20 above

M arp 14 the draft

See below also. DWD

DR
15.5.46.

15.5.46

As regards the maintenance allowance I venture to submit that it may be considered whether it would be desirable that the monthly rate fixed in each case subject to the max^m of Rs. 30 p.m., should be in force throughout the year for the period of the approved course as the student has to live in vacations as well as term time. Perhaps the Board may be given power to decide in each case whether the maintenance allowance shall be in force throughout the year or only for the 9 months representing term-time, as in many cases

112

23/

the students may be able to get free board and lodging with their families or relatives during vacations.

2./ It is not clear whether the intention is that, where 10% of admissions is reserved for the ex-service students, the 90% that remain should be regarded as reserved for other students. It does not seem necess?. to fetter the discretion of heads of institutions to consider the remaining qualified ex-service candidates, if any, along with the ~~of~~ other applicants, for the remaining 90% of the seats, after the reserved 10% have been filled by ex-service candidates. If this view is accepted, the point may be made clear in the draft, & I do not see any reason to restrict the concessions only to the ex-service candidates admitted to the 10% reserved seats. The concessions may be made admissible to all qualified ex-service candidates who are actually admitted. They will not, of course, be given automatically in any case but only on the decision of the Board with refce. to the candidate's financial c? etc. In case there are not enough qualified ex-service candidates to fill the reserved 10% of admissions in any institution, the balance of them will, of course, be available for other candidates.

3/ It appears from para. 7 of the draft that it is not intended to compensate Universities for loss of tuition fees in respect of ex-service candidates whom they may admit to Colleges run by them & exempt from tuition fees, though under para 6 other private Managements of Colleges will get such compensation. It is not clear why it is proposed to discriminate against Universities in this matter & they will certainly protest strongly & agitate to be given the same treatment as other private Managements in regard to tuition fees foregone, & unless this is done they are not likely to give any concession in regard to tuition fees and the scheme will ∴ not be worked uniformly for all Colleges. It is for consideration whether the Universities should not receive the same concession as other private managements in regard to tuition fees foregone in their Colleges. Similarly in regard to examn. fees it is not likely that the Universities will exempt ex-service candidates unless the Govt ~~make~~ compensate them for the fees foregone. The first sentence of para. 6 of the draft states categorically that "The candidates will be exempted from payment of tuition fees, examn fees etc." As this is not intended to apply to University tuition fees & examn. fees, the statement requires modification so as to indicate clearly its intended scope & avoid misunderstandings. I w. would also advise that the "etc." be eliminated, & if there is any definite item that it is intended to cover, this may be specified definitely & not left uncertain.

---

(69)

24.

4./ It may be considered whether the phrase "persons belonging to this Province" in para 2 of the draft should not be made more specific in order to make the intention quite clear & avoid uncertainties and unnecessary correspondence. I believe there are definite criteria laid down as to what persons should be regarded as belonging to this Province for the purpose of preferential admission to, & lower scales of fees in, the educl. institutions of ~~the~~ Province, & it seems desirable to state them ~~to~~ in the draft for the information of the ex-service candidates. The persons specified in para. 4 of the draft include all persons of Indian domicile with the necess?. qualifications as to service. ~~For~~ ~~the~~ Madras scheme ~~they~~ ha[s] to be restricted to such of those persons as "belong to this Province". It ∴ seems desirable to combine paras. 2 and 4, & after referring to the persons specified in paras 1 to 3 of section III of the Annexure, to state what further conditions they have to satisfy in regard to residence or domicile in this Province etc. in order to qualify for the Madras scheme.

E.P.H.

Fin. I/O. 2845/Exh. A-1
15.5.46

26151

ASST. SECRETARY TO GOVERNMENT
15 MAY 1946
EDUCATION AND PUBLIC HEALTH DEPT.

E.& P.H.(C1).

The suggestions of the Finance Department in the note on pages 22-24 ~~ante~~ above are:

p 22 ante

1) That the maintenance allowance fixed subject to the maximum of Rs.30 may be paid throughout the year, the Board being authorised to decide in each case whether it should be in force throughout the year or for nine months.

p 20 ante

-do-

2) That as it appears to be the intention of H.M. (Edn.) that only 10 percent of the seats should be reserved for ex-Service personnel in all colleges including arts and science colleges, this may be made clear in the draft order.

p 23 ante

3) That for the remaining 90 percent seats also ex-Service personnel, if any, may be considered along with other applicants, the concessions being granted to all ~~such~~ ex-service candidates actually admitted.

-do-

4) That the Universities also may be paid compensation for the tuition fees forgone by them ~~on the~~ on account of

admission of ex-Service candidates.

5) That the scope of the expression "candidates will be exempted from the payment of tuition fees, examination fees, etc." in para 6 of the draft order may be indicated clearly with reference to its application to University ~~and~~ tuition and examination fees.

p 23 ante

6) That the phrase in para 2 of the draft order, "belonging to this Province" may be made more specific.

p 24 ante

(1) above. The suggestion may be accepted.

(2) above. The reservation of a percentage of seats was considered only in respect of professional colleges. As regards ~~others~~ arts and science colleges, the intention was to admit all qualified ex-service candidates without restriction, vide previous Cabinet's decision on page 39 n.f. and ~~pages~~ paras 3-4 of the letter to the Government on India on page 11 c.f. of letter No.1853 Edn., dated 10-11-1945. It is not quite clear from the minutes of H.M.(Edn.) on page 20 ante that the reservation of 10 percent of the seats should apply to all kinds of ~~institutions~~ colleges. ~~His~~ H.M.'s orders may be taken.

B

(A)

(3) above: The suggestion may be accepted subject to orders on (2) above.

(4) above: The Universities are now paid compensation for the fee income foregone by them on account of the grant of exemption from tuition and special fees to students studying in the institutions maintained by them eligible for the educational concessions provided by G.O.No.610 Edn., dated 20-4-45 — (V) and G.O.'s No.333 Edn., dated 3-3-44 and No.990 Edn., dated 5-7-45. (Z) & (T) 3 c.f. 10-11 c.f.

In connection with the grant of educational concessions to demobilised emergency commissioned officers for resumption of interrupted college studies, it was decided that the Universities might be invited to grant the concessions to such students admitted into University Colleges, the question of compensating them for the consequent loss of fee income being considered if they raised the question - page 7 n.f. of G.O.No.990 Edn., dated 5-7-45 (T) and page 52 n.f., page 2 c.f. and pages 47-48 c.f. of G.O.No. 1061 Ed., dated 16-7-45. It is with reference to this that in the present case also Universities are invited to grant exemption from tuition and special fees. For orders whether the suggestion (M)

18

26

May be answered by para 6 of draft

of Finance may be accepted. (10)

(5) above: The examination fees referred to is the University examination fee. In the case of children and dependants of soldiers the Government have undertaken to exempt them from the examination fee for the S.S.L.C. and other examinations conducted under the authority~~s~~ of Government. As regards University examination fees, the Universities were requested to waive them at their own cost - - page 5 n.f. of G.O.No.333 Edn., dated 3-3-44. If the Universities are to be compensated for loss of income from examination fee in the present case, similar compensation will have to be paid for ~~all~~ examination fee foregone in the case of childre and dependants of soldiers. For orders.

Go No: 1305 Edn 4-9-44

A

(R) It may be made clear that it is [illegible] to [illegible] exemption

Letter No. (N) 48961 e-1 16-2-42

The "etc." is intended to refer to special fees such as fees for medical inspection, physical training and games and library and laboratory fees. The phrase "special fees" may be used.

to 1305 Edn 4.9.44

(6) above: In para 6 of ~~xxxx~~ Section III of the scheme of the Government of India it is stated that "the applicant mus normally be resident in the Province, Administration or State to which he applies for assistance under the scheme". Again in para 5 of Section IV it is stated that "arrangements will be made by ~~Government~~ Provinces, Administrations and States only for bonafide residents of their own areas." The fee concessions admissible under rule 92 of the Madras Educational Rules are granted only to "those who are natives of the Madras Presidency or are domiciled therein". The question as to whether ~~the present~~ a person is a native of this Presidency has to be decided with reference to the test laid down in G.O No.2786 P.H. dated 26-10-1945. for nativity certificates, ~~xixx~~ for purposes of admission to Engineering and Medical Colleges, viz., residence by the candidate or his parents in a district in the Province for a period of ten years immediately preceding the date of application (excluding periods spent by the candidate for studies or periods spent by his parents in Govt. service in any other district). It seems that the expression used in the Govt. of India scheme "normally resident in the province" may be

p 36 c.f.

p 37 c.f.

Note (ii) under Rule 92, MER Book 151

(Q)

It is better to apply the same principle here — viz. to add in addition the period of military service also with the [illegible] adopted for the present.

After orders are passed onthe above points, a revised draft will be submitted.

A letter since received from the Govt. of India has been added to the file. The Government of India have announced the scheme to Service personnel and have requested Provincial Govts. to implement the scheme as soon as possible.

JSM
17/5/46 S

wf
17/5/46.

A on p. 2_ ante: As for the present, the scheme is confined to university edn., the candidates will have to pay examn. fees only to examns. conducted by the Univties and the qn. of exempting them ~~candidates~~ from examn. fees for examns. conducted under Govt. authority does not arise. Refce. to Examn. fees may therefore be omitted altogether.

A revised draft order is subd. Para 5 of ~~the draft~~ will be further revised w.r.t. H.M.(Edn)'s orders to be passed on ~~the~~ sub-para 2 on p. 25 ante.

(71)

Governor's Secretariat.

Routine.

War - Further education and training of demobilised personnel - Scheme.

The net result of H.Ms' minutes seems to be as indicated below:-

(1) There should be reservation of 10% of vacancies in all Colleges:

(2) Admitted ex-Service personnel should be exempted from tuition and examination fees and should receive an annual allowance of Rs.40/- for Intermediate, Rs.50/- for B.A. and actual expenses in Professional Colleges to meet cost of books and miscellaneous expenses - and subject to a means test should be eligible for a maximum maintenance allowance of Rs.30/- p.m. for nine months in the year.

(3) Ex-Service men should be subject to the same qualifications for admission as are applicable to ordinary candidates.

(4) The concessions will be liable to be withdrawn if a student fails more than once to pass an examination at any stage of the course.

If this is correct, the draft requires amendment.

JRB.
8/6/46

E&PH Secretary
Edn.and P.H. Dept.(G).

(3) above is already provided in the draft order - para 5.
(4) above: Draft has since been amended. para 6 & 3
(1) and (2):

(1) and (2) on p.1 ante: Presumably, the Govr.'s Sectt. note is based on H.M.(P.H.&.M.)'s minute on p.27 N.F. which again is based on H.M(Edn.)'s minute on p.20 N.F. It has been explained in the note at pp.24-26 N.F. hat the intention is:

(a) to make the 10% reservation of seats only in professional colleges;

(b) not to provide for exemption from examination fees as these fees are payable to the Universities and as, if such exemption is made, Govt. will have to reimburse the loss sustained by the Universities on that account; and

(c) to pay maintenance allowance, ordinarily, only for 9 months but to give discretion to the Further Edn. Board to decide, in special cases, whether it should not be paid for the full year (vacation as well as term-time) - for the reason that there may be some students who would not have relations to live with, during vacations.

These points were embodied in the draft circulated. H.M.(Edn.) has accepted the revised draft - subject to his minute on p.27 NF (w.r.t. wh. draft has further been added to, now) - Vide his remarks at p.4 of the draft. It is not clear whether H.M.(P.H.&.M.)'s intention is that the draft should be revised so as to provide:

(a) for reservation of 10% of seats in all colleges (Arts, Science and Professional);

(b) for exemption of the ex-service personnel from payment of examn.

(c) for restricting the grant of maintenance allce. to 9 months (wit and giving discretion to the Further Edn. Bd. to pay it for 12 months in spl. cases

---

May be circulated to H.M.(P.H.&.M.).

15 JUL 1946
GOVERNMENT OF MADRAS

Edn and P.H.Dept

The letter said to have been sent with C/ this note has not been recd: in the dept.×

It is noted that it ~~is~~ was not the intention to exclude B.T from the scope of the scheme. ~~the~~ From the discussions in G.O. No: 1167 Edn dt 12.6.46 it will be observed that the original idea was to reserve 20 p.c of the seats in the Eng & Teachers' Training Colleges. The percentage of reserved seats was subsequently reduced to 10. In the order which went out it was stated as follows:-

In the case of Professional and Technical

× The personal clerk of H.M.(Edn) was asked & he could not account for it.

pp100-101 of ©

p109 of ©

Para 5 on p62 of ©

132/156 E3

colleges under Govt. e.g. colleges of Eng, Agriculture Veterinary and Medicine, 10 p.c of the seats would be reserved for such personnel. The "Teachers'" ~~[illegible]~~ colleges should be considered as ~~an~~ professional colleges as they train persons for the teachers' profession and as such it would seem that the 10 p.c reservation ~~[illegible]~~ and the other concessions apply to teachers' colleges also.

The Law College also is a professional college and it would seem that the Law course also may be brought within the scope of the scheme, though there will be no need for ~~the~~ any ~~10 p.c~~ reservation in the Law College.

Subject to approval a draft memo is put up.

86

Present.

1. D.S. Reddi, Esq., Director of Public Instruction, Madras (Chairman).
2. Dr. A.S. Mannady Nair, Principal, Madras Medical College.
3. Dr. K.S. Nair, Principal, Madras Veterinary College.
4. Mr. R. Narasimhulu, Personal Assistant to the Director of Public Instruction (Secretary).

***

The Director of Agriculture, Madras and the Deputy Director of Resettlement regretted their inability to attend the meeting.

...

1. The Minutes of the First Meeting of the Board held on 15-4-1947 were passed.

2. (a) The two applications received from the Principal, Madras Veterinary College for the sanction of maintenance allowance were considered and it was resolved that the allowances might be sanctio

(b) The Principal, Madras Medical College brought with him 18 applications for the grant of maintenance allowance. It was decided that the applications should be scrutinized and maintenance allo sanctioned on behalf of the eligible candidates.

3. With a view to determining whether a candidate's education was actually interrupted by joining the War Service, the Board decided that the interval between the date of leaving an educationa institution and the date of joining the Defence Services, should not exceed one year for purposes of his eligibility to the concessions contemplated under the Further Education Scheme.

4. In Clause VII of G.O.No.1167, Education dated 12-6-1946, it is stated that "no application will be considered six months after the demobilization of all the forces is complete". In the case of an Ex-service personnel already discharged, the G.O. does not state within what period he should join an Educational institution for further studies to render him eligible for the concessions. The question of the interval between the date of discharge from War Service and the date of joining an educational institution was therefore considered and it was decided that the interval in such cases should not exceed 2 years.

5. The Principal, Madras Medical College at this stage pointed out that he had received seven applications from the students of the Madras Province for further studies in Medicine at the L Medical College, Calcutta and desired to know whether these applicants would be eligible for the concessions envisaged in the scheme for Further Education sanctioned by the Government Madras. It was resolved that since the Institution under refe is one under the control of the Government of India, the Provincial Government might be addressed to sanction the concessions the students with reference to para (4) of Section IV of the scheme formulated by the Government of India issued with G.O. No.1167, Education, dated 12-6-1946.

p.t.o.

6. The Principal, Madras Veterinary College brought to the notice of the Board that in Government Memo.No.31461 E/46-11, Dev., dated 10-4-1947, the Principal was informed that the payment of Examination fees to Ex-Service students of the Madras Veterinary College was not in order with reference to G.O.No.1167 Education, dated 12-6-1946. The Principal of the College suggested the desirability of extending the concessions in the matter of exempting candidates from the payment of Examination fees. The Board felt, that when Government were pleased to grant Book allowance, exemption from the payment of Tuition and Special fees, and the Maintenance allowance they should be granted exemption from the payment of examination fees also. It was therefore decided that Government should be addressed to exempt the Ex-service personnel from the payment of examination fees.

7. The Government of Madras in their Memo.No.21823 A/47, dated 27-3-1947 desired to know the cost incurred on the staff employed on the work relating to the Further Education of the Demobilized personnel with a view to recovering one half of the cost thereof from the Government of India. The subject was placed before the Further Education Board with a view to eliciting their opinion. The Board was of the opinion that the Superintendent and the Clerk in the Director of Public Instruction's office should be allowed 20 per cent of their Civil pay for doing the extra work relating to the scheme. It was, therefore resolved that while reporting the half cost to Government, this recommendation should also be brought to the notice of Government and they might be requested to sanction an allowance equal to the 20 per cent of their civil pay to both the Superintendent and the clerk and that the estimate of cost to be reported to Government should be calculated taking into account the payment of this allowance to the above mentioned staff. The Board also resolved that an allowance of Rs.50/- p.m. should be paid to the Secretary of the Board as his work relating to Further Education is heavy and that Government might be addressed to sanction this allowance - one half of the extra expenditure being met from the Government of India.

D.S. REDDI,
Chairman.

From the D.P.I. No. 151-W/46 dated 2-9-47. (91)

cf

pp 1-3 of (W) w L.F.

The Government of India published a scheme for the further education in India of ex-service personnel, a copy of which is annexed to G.O. No. 1167 Edn. dated 12-6-46. The Government accepted the scheme generally and directed that it should be brought into ~~force~~ effect from 1946-47. A ~~f~~Further Edn. Board was also constituted to deal with all applications from ex-service personnel; its functions are the following:-

pp 1-3 of (W)

pp 13-14 of (Q) G.O.No. 508 14-3-47 w L.F.

para 2 p 13 (Q)

(i) to select ~~applications~~ the persons to whom financial assistance is to be awarded;

(ii) to assess the extent of assistance to be granted in each case;

(iii) to place applicants in the right institutions;

(iv) to fix the course to be undergone by each applicant and its duration; and

(v) to review the awards from time to time, where necessary.

para 3 -do-

The Board was also allowed to fix up the details of procedure to be followed for the award of the concessions.

~~At~~ At its second meeting, the Board has passed the following resolutions:-

para 3 p 145 (W) w L.F.

Resoln. (3):

With a view to determining whether a candidate's education was actually interrupted by joining the War Service, the Board decided that the interval between the date of leaving an educational institution and the date of joining the Defence Services, should not exceed one year for purposes of his eligibility to the concessions contemplated ~~for purposes of to the concessions~~ under the Further Education Scheme.

para 4 -do- p3 of (W) w L.F.

Resolns. (4): -

In Clause VII of G.O.No. 1167 Education dated 12-6-46 it is stated that "no application will be considered six months after the demobilization of all the forces is complete". In the case of an Ex-service personnel already discharged, the G.O. does not state within what period he should join an Educational institution for further studies to render him eligible for the concessions. The question of the interval between the date of discharge from War Service and the date of joining an educational institution was therefore considered and it was decided that the interval in such cases should not exceed 2 years.

p.t.o.

(C1)

The D.P.I. enquires in his letter in the c.f. whether the period of "interval" referred to in the resolutions ~~have~~ has been accepted by the Govt., and desires to be informed about it. He has also reported that he has been disposing of the applications received so far in accordance with the resolutions passed by the Board. The resolutions are noted on below:-

Resolution (3) above: This resolution is to ~~[illegible]~~ make sure that the interruption of students was really due to joining the Defence Services. Please see also para III(4) of the Government of India Scheme at page 2 of 'W'. The resolution may be approved.

Resolution (4) above:

Since under the Govt. of India Scheme a limit has already been placed ~~regarding~~ for the last date for submitting applications viz., six months after the date on which demobilisation of all forces is complete, it does not appear necessary to impose any further restrictions.

p63 of (W)

~~Under~~ In the scheme for the further education in India of ex-service personnel published by the Government of India, they ~~did~~ have not stipulated any conditions regarding the continuance of the educational facilities to such of the candidates who remain for more than one year in the same class. Please see part IV of the scheme annexed to G.O.No. 1167 Edn. dated 12-6-46. However with reference to the orders in circulation, ~~(of H.M. (Edn.)~~) the scheme, as sanctioned by this Government, was modified in this respect as follows:

X "The concessions will be withdrawn from candidates who stay for more than one year in one and the same class during their course of studies."

The Director reports that the further Education Board has resolved that the concessions under the ~~scheme~~ Scheme should be given for ~~not more than~~ two years to candidates ~~who~~ who remain in one and the same class, in view of the fact that children and dependants of service personnel are eligible for similar concessions with reference to para 3(6) of G.O.No. 610 Edn. dated 20-4-45. He further reports that the extra expenditure involved in the proposal is negligible and recommends that the proposal ~~might~~ may be approved by Government. The proposal may perhaps be accepted and the existing orders extracted at 'X' above ~~might~~ may be modified as follows:--

"Concessions will be withdrawn from those who stay for more than two years in one and the same class, but will be regranted on promotion to the next higher class".

The file may be sent to Finance u.o. for remarks prior to circulation.

Cp minutes at p. LF I

With ref. to B above no decision ⓧ has yet been arrived at. This may therefore lie over till a decision is taken in that file. For orders.

Please see the notes in the LF cp 21 of LF

JB
7/11/47

Scholarships and boarding grants are not normally granted to Harijan pupils by the Labour Department if they fail to get promotion i.e. if they remain more than one year in the same class. H.M. (R.D). proposed that the scholarships and boarding grants should be renewed if the pupils failed once in a class. H.M. (Fin) minuted as follows:-

p 13 NF
LF II

183

p 19 NF
LF II

" If we exempt failres in every class, the cost will be enormous. My suggestion is one faire between Ist and III Forms and one failu between IV an VI Forms may be condoned.

If a student studies in Ist Form for years and fails again in IInd Form, he shold not be eligble to the concessions till he gets into I Form.

Likewise in Intermediate and B.A.

(93)

Since it relates to a major policy which involves heavy recurring expenditure, it may be decided either in a Cabinet Meeting or at an informal meeting of the Ministers."

The matter was discussed at an informal meeting of the Hon'ble Ministers and the following minute was recorded:-

" Orders have already been issued in the matter by the Education Department."

NF
LF

In the Education Deptt. file referred to there are 2 proposals:- (i) that Harijan pupil may be granted full fee concession instead of half-fee concession in forms I to VI and (ii) that the cession may be granted for one failure from Forms I to III and on failure in Forms IV to VI . i.e. two on the whole. Final orders not been issued on this file as the question whether the additional involved on account of proposal (i) above should be met from the Harij uplift fund or not is under consideration. The proposal (ii) above ha been made ~~approved~~ by H.P.M. But both the proposals have yet to go bef the S.F.C. and the Cabinet. It is for consideration whether the pr file should be held over pending the issue of final orders on those proposals.

17/11/47.

Orders on the two proposals have since been issued in G.O. No. 1667, Edn, dt 29.6.1948. Both the proposals have been approved. The proposal in this dealt with in this file has, therefore, to be pursued.

Ⓐ

In this connection, it is submitted

D.P.I. sent his proposal at page 1 C.F. nearly one and a half years back (i.e., in May 1947) and it is not known whether he is still in favour of it. It may also be pointed out that the Govt. of India have since raised the discontinuance of the concession sanctioned in G.O. No. 610, Edn., dated 20/4/45 on which the Director's proposal at page 1 C.F. was based. It is, therefore, a moot point to consider whether it is worthwhile pursuing the proposal. The D.P.I. may however be consulted in the first instance. A draft memo is sent below for approval.

10/11/48 : The DPI himself has recommended that the concession of retaining the concession for a second time in the same class may be withdrawn and this is under consideration. Orders on the file may be awaited.

11/11/48

Mr. M. V. M. to note & intimate to me when orders are passed on 'A' above.
