No.C6-2265/45 dated 11-1-1946.

Sir,

Sub:- ALLOWANCE - Pay - scale of pay - Higher
Grade teachers - revision of scale -
sanction - requested.

In G.O.No.5096 L. & M. dated 7-12-1933 the Government required the Municipal Councils to adopt the scales of pay suggested therein for all the grades of teachers. The Council in its resolution M.C.R. No.567 dated 12-7-41 resolved to adopt the scales of pay in para 1 of G.O.No.5096 L. & M. dated 7-12-33 with the sanction of the Government. The Government were addressed in C8.3128-37 dated 11-8-41 on the subject.

In Memorandum No.32790-A1 dated 13-9-41 the Government have stated that having employed the teachers on the higher scales specified in para 2 of G.O.No.5096 L. & M., dated 7-12-33, the Council should not reduce the scales except under compelling necessity. The Memorandum was placed before the Council. The Council in M.C.R.No.1119 dated 10-10-41 referred it to a Committee which met on 20-10-41 and passed to adopt the lower scales of pay with effect from 1-4-42.

The matter was referred to Government again in C8.3128-37 dated 11-11-41. In G.O.No. Ms.1857 dated 1-12-41 the Government have declined to approve the proposal of the Municipal Council to adopt the scales of pay laid down in paragraph 1 of G.O.No.5096 L. & M., dated 7-12-33 for all teachers and have stated that there is no objection to apply the scales of pay to the teachers who may be appointed thereafter. In M.C.R.No.1924 dated 25-2-1942 the Council has resolved to adopt the lower scales to the teachers appointed after 1-1-42.

On the representation of the teachers appointed after 1-1-42 the Municipal Council in its resolution No.1205 dated 28-2-1945 (enclosed) resolved to enhance the existing scale of pay of the higher grade teachers appointed after 1-1-1942 from Rs.20-1/2-24-2/2-35 (for men) and Rs.25-1/2-29-2/2-35 (for women) to Rs.23-2/2-45 for both with effect from 1-4-1945 as in the case of teachers entertained prior to 1-1-42.

The subject was referred to the District Inspector of Local Fund Accounts, Madura, in C6-2265-45 dated 30-7-45 (copy enclosed) whether the scale as sanctioned by the Council may be revised. The District Inspector of Local Fund Accounts in his reference L.F.1373 dated 27-12-45 (copy enclosed) has stated that the sanction of the Government may be obtained for the proposed revision of the scale of pay.

I therefore, request Government to accord their sanction for the proposed revision of the scale of pay to the Elementary Higher Grade teachers appointed after 1-1-42 with effect from 1-4-45.

In 1933 the Govt prescribed

2. The M.C. Madura adopted the scales fixed in para II of the G.O. of 1933 for teachers in its ele. schools. In 1941 it resolved to reduce the scales to those specified in para I of the G.O. of 1933. The Govt.

(X) approved the proposal with the condition that the lower scales should be adopted only for teachers that would be employed after the date of the resolution of the C.I. The C.I. has adopted the lower scales for teachers appointed in ele. schools after 1-1-42.

3. The C.I. has again resolved in Feb. 1945 to raise the scales of pay of higher ele. grade teachers employed after 1-1-42 to Govt. scales (specified in para II of the G.O. of 1933). The D.P.G. recommends the proposal.

It is not clear whether the Govt. is always contemplating the scales of pay of teachers, at all times reducing them and at another time increasing them. If an increase in the scales of higher grade teachers is thought of now, the same concession should be extended to secondary grade teachers also. The Commr. may be consulted on this point.
