Sir, Clothing ordinary - Additional Ministers' attendants - supply - sanctions - requested.

In G.O. No. Ms. 467 Edn., dated 6-3-41937, it has been ordered that there will be 8 Ministers instead of 4 members and 3 Ministers and that the supply of warm and ordinary clothing to the eighth Minister will be necessary.

An indent from the Chief Secretariat, under Endorsement No. 358 CCB-1 dated 26-3-46 for the attendants of 7 Ministers has been received and it is under compliance.

Another indent under Endorsement No. 493 CCB-1 dated 3-5-46 has been received on 4-6-46 from the Chief Secretariat for the supply of ordinary clothing to the 3 additional Ministers' attendants.

As sanction already exists for the supply of clothing (ordinary and warm) to 8 Ministers, I request that a fresh sanction may be accorded for the supply of ordinary and warm clothing on the scale prescribed in G.O.

Note:- Please see para 4 of the Sops's letter on pp 1-2 of the
the number of Ministers at present is 11 and sanction is required
for the supply of clothing to 3 additional Ministers attendants
instead of two as stated by the Sops. The Sops states that the
Ch. Secy has sent an indent for 10 Ministers attendants only. Ch.
Secy may be requested to clarify the position.

Prior to the coming in of the Ministers/clothing was required to the attendants on the four Advisers only. The indent for the supply of ordinary clothing to the 6 Chobdars and 9 peons attending on three Advisers, and for the 2 Chobdars and 3 peons attending on the other Adviser was last made on the Superintendent of Stationery on 2-11-44 and 27-1-1944 respectively. The next supply of clothing to the two chobdars and 3 peons attending on the 4th Adviser was due on 27-1-1946 and in the case of the 6 chobdars and 9 peons attending on the first three Advisers it is due on 2-11-1946.

~~As the Ministers will assume charge after the general elections, white clothing will be required for 20 chobdars and 30 peons who will work under 10 Ministers. Taking into account consideration the supply of clothing to the 6 chobdars and 9 peons now attending on the first three Advisers which is normally due on 2-11-1946, the C.C.B. may be requested to indent on the Superintendent of Stationery for the following articles of clothing required for the remaining 14 chobdars and 24 peons with a note that the supply should be made not later than 31-3-1946.~~

It will be seen that taking into consideration the clothing of the attendants on the now available three Advisers and assuming that there would be only 10 Ministers as in 1937, an indent for the attendants on the remaining seven Ministers was placed on the Superintendent of Stationery - vide papers and the indent at (U) in L. F.

When the Ministry assumed charge 11 were appointed, and there is a proposal to appoint two more. Hence a supplementary indent for the clothing for the attendants on the three additional Ministers was placed on the Superintendent of Stationery - vide papers at (W).

It will be seen from the E.&P.H. Department note at pp.2-3 of (U) in the Linked File that no order sanctioning the supply of clothing to the attendants on the previous Ministers was issued. If an order sanctioning the clothing is necessary It must cover the supply of clothing to the attendants on all

all the 13 Ministers. With these remarks the file may be returned to E.&P.H.

It is reported in today's papers that two more Ministers would be appointed on the 15th. Sanction may be accorded for supply to the Chobdars and heirs of 13 Ministers.
