In this office letter Re.No.D7-20516-45 dated 11-12-45 to the Director of Public Instruction, Madras, a sum of Rs.10930/- was claimed as subsidy for feeding 2220 poor pupils attending the elementary schools in six centres and a sum of Rs.10000 was sanctioned in G.O.No.Ms.36 Edn., dated 7-1-46. In nine more centres food committees have since been formed and an application for advance payment of subsidy will be made through the Director of Public Instruction, Madras. In the remaining two centres, food committees will be formed before the end of this month and an application for advance payment of subsidy will also be made.

2. The report called for in paragraph 4 of the G.O. under reference will be submitted through the Director of Public Instruction, Madras, by the end of 1st week of February 1946.

3. In this connection, I wish to bring to the notice of the Government the fact that the food committees have to maintain several accounts for production before audit as per the Government memorandum No.42413-A-2 Edn., dated 27-10-45 and have to make

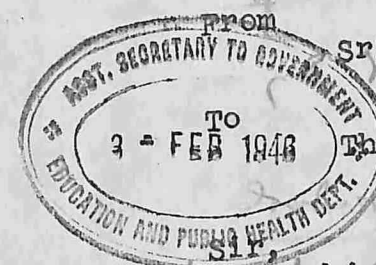

4
correspondence with this office and the officers of the Education department whenever there is necessity for the same and no contingent amount is allowed to them. Further, the committees have to send stamped receipts for the payments made by this office. I therefore request that the Government will be pleased to sanction at least Rs.2/- per month for each food committee towards contingent charges.

Sir,

I have the honour to offer the following remarks with reference to para 2 of the Government Memo. Cited above.

Sub: Compulsory Ele. Edn & supply of midday meals - Receipts and Charges - Accounting - Procedure.

The Govt. have sanctioned a scheme of compulsory ele. edn & supply of mid-day meals to school children in selected areas in each dt. The Govt. have agreed to meet the entire cost of the scheme by way of giving subsidies to dt & district bds. The D.P.S. suggests that the transactions relating to this scheme shd. be exhibited separately in the budget and has proposed certain budget heads to record the receipts and expenditure. His suggestions may be accepted.

P 13 of There is a slight difference of opinion between the Director and the Exr. of L.F.A. in regard to budget head to record the expenditure under capital. The Director's classification seems preferable and may be adopted. The draft order submitted framed under the E.F. Act. It does not appear that the rules need to be amended for the purpose.

14 of There may not be any need to exhibit the transactions relating to the scheme separately after some time. At this time it appears that it will be sufficient if executive orders are issued on the point. It may be noted that when passing orders on the budget it is usual to append a budget to the order in the prescribed form. The Govt. can then verify whether their orders have been carried out.
