Government Press.

The membership of the Co-operative Stores is presumably not restricted to those specified in subsidiary rule 2 to rule 12 of the Government Servants' conduct rules, but I have no objection to the grant of permission to the Reader to serve as a Director without detriment to his official duties. I may however, state in this connection that I have not so far received any application from this employee to permit him to accept the post.

Is, or is not S.G.P. a Head of Dept for granting "permission" in case of this kind? Is it really necessary to send to Public such trifling cases?

Please see the query of D.S. on the bottom of page 2 ante. It is submitted that the S.G.P. is not a Head of Dept. Attention is invited to the note to the proviso to Subsidiary rule 2 to rule 12 of the Govt. Servants' Conduct Rules, in which the power has been delegated to the Heads of Departments only for the duration of the war. It is also submitted that the case, following the precedents, need not necessarily go to Public. May go to Public Serv.

4/ please see the draft order on pp.1-2 ante and the notes of E.& P.H. on pp.2-3 ante.

2. 'A' on p.2 ante:- It does not seem necessary that this department should see every case of a routine nature of this kind which is in conformity with the rules prescribed. (A copy of all such orders may be sent to this Department. Doubtful cases and cases involving the interpretation of G.S.C. Rules need alone be sent to this department. If approved necessary instructions will be issued to all departments of the Secretariat. For orders.

3. Regarding the point raised by the S.G.P. in his endorsement on p.2 c.f. it seems incumbent on the part of the Government servant concerned to take the initiative in the matter. However the matter has been brought to the notice of Government and the permission ~~should~~ sought for may be granted. The draft order may be recast as in the flag T1 below.

With these remarks the file may be returned to E.& P.H.
