Sir,

Subject:- TRAINING OF YOUNG WIVES AND WIDOWS OF SOLDIERS IN VARIOUS VOCATIONS.

(4)

Reference your D.O.No.50129/44-4 dated 2 December 1944.

I recommend for the consideration of the Government that to begin with arrangements may be made to train women to an extent of 100 in each of the following vocations:-

~~1. Midwifery.~~ — Medical
2. Teaching. — Edn.
3. Weaving (Lower course)
4. Dress making and Embroidery.
5 . Cottage Industries.

Dept

More candidates should be allowed to get in as and when they are available.

Midwifery, Teaching, Weaving, Dress making and Embroidery have been apportioned for the literates who already possess the required educational qualifications to fit them to step in directly to undergo these courses. The following statutory rules are suggested for the approval of the Government:-

Midwifery.

1. Age limit - Minimum 18 years - Maximum 35 years.
2. Educational qualifications - Passed VII standard (II Form)
3. Period of training - 18 months.
4. Stipends - Rs.18/- including dhoby allowance p.m.
Rs.10/- dearness allowance p.m.
Rs.60/- cost of books and uniforms for the whole course.
Rs.50/- cost of a wrist watch, fountain pen, etc. as initial supply for the whole course.

Teaching.

Grade	Minimum Educational qualification.	Age limit Minimum.	Age limit Maximum.	Period of training.	Stipends recommended.
Secondary	Matriculation or equivalent.	18	35	2 Years.	Rs.32/- p.m.
Higher elementary	Form III or its equivalent.	18	35	2 Years.	Rs.28/- p.m.

Candidates should also be exempted from the payment of tuiton fees (whenever levied) special fees and the fees for Public Examination.

Weaving (Lower course)

1. Age limit - minimum 18 years - maximum 35 years.
2. Educational qualifications - completion of 5th Standard.
3. Period of training - 2 years.
4. Stipends - Rs.25/- per mensem.
Rs.30/- being the cost of materials, books, etc. for the whole course.

Dress Making and Embroidery.

1. Age limit - minimum 18 years - maximum 35 years.
2. Educational qualification - completion of 5th Standard.
3. Period of training - 4 years.

P. T. O.

- 4. Stipends - Rs.25/- per mensem.
Rs.25/- being the cost of materials, books, etc. for the whole course.

Age limit to candidates who wish to undergo training in Weaving and Dress making and Embroidery as set by the Director of Industries and Commerce is 12 to 17 years. This is not practicable in the case of services families. I have therefore raised the age limit from 18 to 35 years.

In the case of those who do not possess the required educational qualifications but have studied to a certain degree, they may be taught to acquire the requisite qualification so as to fit for undergoing the teachers' training. Number of such candidates is not available now, but will be communicated later and also the method suggested for educating them.

Cottage industries have been selected for training illiterates. The method of holding these courses and their duration are still under consideration and will be intimated in due course. A stipend of Rs.25/- per mensem to each candidate undergoing this course appears to be necessary.

I have the honour to report that this question was already referred to me by the Secretary, Madras Provincial Soldiers' Board, Bangalore, and I enclose for the information of Government a copy of my reply to the Secretary, Roc.No.756 W/45 dated 16-5-45. I may also state that I am in full agreement with the recommendations already made. I also approve of the proposal of the Secretary to fix the age limit for admission into the training institutions between 18 and 35 years.

p10 ante

2. With regard to para 2 of the Government memo I may point out that those who are to complete the courses of General education are still eligible for Educational concessions (full fee remissions and book allowance) under G.O.No.610 Education dated 20-4-45. I recommend that they may in addition be allowed a residential scholarship of Rs.20/- p.m. if they reside in approved hostels.

for Director of Public Instruction.

k.h.17-9.

Copy of letter Roc.No.756 W/45 dated 16-5-45 of the Director of Public Instruction, Madras to the Secretary, Madras Provincial Sailors' Soldiers' and Airmen's Board, Bangalore.

I have the honour to enclose herewith a list of training institutions in the Province for Women (Government and aided) showing the grades of the institutions. The minimum general educational qualifications, period of training and the rates of stipends granted to students undergoing training are as shown hereunder.

Grade.	Minimum Edl.Qualifications.	Period of training.	Stipends.
1.Collegiate (L.T)	B.A.	1 year.	Nil.
2.Secondary.	Matriculation or equivalent.	2 years.	Rs. 12/-p.m. for about 21 months.
3. Higher Elementary.	Form III or its equivalent.	2 years.	Rs.8/- p.m. for about 21 months.

p.t.o.

In regard to the students who wish to undergo teachers' training, they may be exempted from the payment of tuition fees (wherever levied), special fees and the fees for the Public Examination. I would also suggest that a residential scholarship of Rs.30/- p.m. in the case of L.T. students and Rs.20/- p.m. in the case of others may also be granted if they reside in approved hostels during the period of their training.

P

2. With regard to cooking, I would point out that cooking by itself is not a separate subject either in the institutions recognised by me or in the Industrial Schools. Cooking forms one of the items in the Domestic Science Syllabus of the S.S.L.C. course and what may be done in that course under practical cooking will be too meagre to be of much benefit to the student in particular or to the public in general. Cooking is not also a pre-vocational subject in the Higher Elementary Schools and it is not one of the handicrafts for Lower Elementary Schools.

3. I regret that it is not possible to estimate the probable additional cost on account of these proposals as the exact number of candidates to be trained is not available.

It was pointed out by the C.C.L.O. Madras area that it would take time to pass on the information to the Districts and collect candidates and so the date for the receipt of applications might be fixed as 1st March 1946. In turn it was suggested to him that generally all schools in this Presidency which train teachers close for the summer vacation about the end of March and re-open about the third week of June and so the training of the candidates under reference could be conveniently taken up in the third week of June 1946 under the general scheme of training teachers. The C.C.L.O. agreed to the suggestion and requested me to circularize to all training institutions for women to give preference to these candidates in the matter of admission. He also suggested that similar preference should be given to the other relatives and dependants (women) of servicemen and ex-servicemen. I agreed to

Sub: Training of young widows and wives of servicemen and ex-servicemen as teachers

---

The Government have ordered that the young wives and widows of soldiers should be trained as teachers, if they possess the minimum general educational qualifications, prescribed for training. The trainees will be granted stipends at the sanctioned rates, i.e., Rs.12/- per mensem for secondary grade and Rs.8/- per mensem for Higher elementary grade. They will also be granted residential scholarships at Rs.10/- per mensem for a period of 21 months if they reside in approved hostels during the period of training. In addition they will be exempted from the payment of tuition fees, special fees and fees for public examinations.

2. The undermentioned officers are, therefore, requested to circularize ~~to~~ all heads of Government training schools for women that preference should be given to these candidates in the matter of admission into the training schools and hostels attached to them. The heads of aided training schools for women may be similarly advised.

3. Similar preference in the matter of admission into the training schools should be given to the other dependants and relatives of soldiers if their applications are recommended by the C.C.L.O., Madras Area, Madras. They will be eligible only for stipends but not for the other concessions mentioned above.

4. The applicants in all cases should possess the minimum general educational qualification of S.S.L.C. or equivalent for secondary grade training and form III or equivalent for higher elementary grade training.

The proposal in this file is to give vocational training for young wives and widows of soldie serving in the present war. The Secy. of the Madras Provl. S.S. & A's Board has made certain recommendations for such training in response to the D.O. on pp 35.36 C.f. The intention is to provide scholarships for such candidates in existing women's institutions where instruction is given in nursing, domestic science, cottage industries etc. ~~The recommendations made by the Secy of the M.P.S.S.A.'s Bd are on broad lines and require examination as a whole in the Public (War) Deptt. before they can be taken up by this Deptt. (for action) This Deptt can address the D.P.I. only when the question of the no. of scholarships to be awarded, the no. of candidates forthcoming etc. and other relevant matters – vide 'A' on p 4 of (H) – are settled. Meantime this file may be returned to Public (War) Deptt.~~ ~~may~~ ~~which information is available regarding the no. of scholarships proposed. the~~

5.7.45

The question is as to which dept should do this examination. Education is concerned with the educational side of the concessions sanctioned in connection with the present war. It does not appear that the case of the Vellore Hostel can be called analogous to the present case as the former related to the provision of hostel facilities to the children of soldiers reading in educational institutions. The proper procedure would seem to be for Public (War) to frame definite proposals and issue general orders and for the depts concerned to implement the general orders by ~~any~~ necessary specific orders. For orders.

It is not necessary to be arguing this. Pl. see below.

2. ~~(1)~~ (a) above. (i)The Secretary of the Madras Provincial Sailors, Soldiers and Airmen's Board has stated that it will be necessary to make arrangements for 100 women, to begin with, to be trained as teachers. The qualification of the candidates to be selected, their age limits and the stipends to be paid during the period of training are given on page 1. c.f. It is also recommended that the candidates should be exempted from the payment of tuition fees whenever levied and examination fees. The D.P.I. is in full agreement with the proposals.

para 4, p 2 CF
p 13 CF
A

(ii) ~~above.~~ The stipends now paid for secondary grade training is Rs.12/- a month while that for ~~higher~~ elementary grade training is Rs.8/- a month. The D.P.I. has stated in his letter to the Secretary of the Board that the candidates should be given a residential scholarship of Rs.20/- if they reside in approved hostels. This is evidently intended to cover the boarding and lodging charges and the Secretary has taken into account this item also in recommending a stipend of Rs. 32/- and Rs.28/-. The rates proposed may be approved.

(iii) ~~The Government have exempted demobilised soldiers coming forward for training as teachers from the payment of tuition and special fees and examination fees. Under the concessions granted~~ With refce: to 'A' above it may be stated that under in G.O.No.610 Edn. dated 20-4-45 the young wives and widows will be eligible for the concessions.

B (W)

~~(iv) The training courses have already commenced~~

(iv) An estimate of the cost involved has not been furnished. It can, however, be worked out only after it is known how many candidates come forward for secondary grade training and how many for higher elementary grade training. Presumably, provision has to be made for the scheme in the Education Department.

N

(v) Please see para 3 of the Secy.'s note on p.3 ante, in which he stated that the terms on which young wives and widows might be admitted for training and also the number proposed to be trained might be settled and then advertisement or other suitable method of recruitment might be taken up. The training courses have already commenced and admissions can be made to the regular courses of training only next June. But it is proposed to ask the D.P.I. to submit proposals very urgently for the opening of special training classes for demobilised soldiers. These classes are apparently intended for training men. It is for consideration whether the D.P.I. may be asked to open a few special classes for the training of the young wives and widows of soldiers also as there will be need for additional women teachers ~~also~~ in connection with "compulsion".

Memo No. 399597A-3 (9)

May be done — & make provision upto the number of 100 proposed.

(W)

3. (b) above: The D.P.I. has stated that candidates who desire to complete their general education are eligible for the concession admissible under G.O.610-Edn., dated 20-4-45 (full fee remission and book allowance) and he recommends that they may be given, in addition, residential scholarship of Rs.20 each a month. The Secretary, Provl. Sailors', Soldiers' and Airmen's Board, has stated that the number of such candidates and the method of educating them will be communicated later. The further letter may be awaited.

Please see the notes of the E & P.H. Dept. from page 7 above. The proposals ~~dealt with~~ now for consideration relate to the concessions to be granted to young wives and widows of soldiers only:-

M on p.7 above

(1) For training as teachers; and

(2) For completing courses for general education so as make them fit to undergo teachers' training.

Please see the Finance Dept's notes on the subject on pages 5-6 n.f. of G.O. at (H) and the D.O. to the Chief Civil Liaison Officer, Southern Area, Poona, on pp.35-36 c.f. of (H). The present proposals are with reference to the above D.O. The ~~proposals~~ are examined below:-

F.D. 3538 P(War) (H)

2. Item (1) above.- Training as teachers :-

It is proposed to make arrangements for the training of 100 candidates to begin with and to grant them the following concessions:-

b.1 CF

M on p.13 CF

E & P.H. propose to ask the D.P.I. to submit proposals for the opening of a few special classes in the existing schools.

K on p. 8 above

The stipends proposed by the Secretary, M.P.S.S.A.Board namely, Rs.32/- for Secondary Grade Training and Rs.28/- for Higher Elementary Grade presumably include the residential scholarship of Rs.20/- suggested by the D.P.I. The rates are in excess of the stipends namely Rs.12/- and Rs.8/- ordinarily admissible. The stipends now given to the trainees are apparently intended also to cover a part of the boarding expenses. If so, the additional residential scholarship of Rs.20/- proposed towards boarding and lodging charges seems excessive.

There is a separate proposal to raise these rates

It may be noted that the wives and widows of soldiers will also be exempted from the payment of tuition fees wherever levied and examination fees with reference to the orders in G.O.610 Edn. dated 20-4-45. (W) page 2

cf A & B on p.7 above

It does not seem that an additional scholarship of Rs.20/- for the two grades would be really necessary to give an adequate incentive to the candidates to take up the training. Further, the Govt. are already incurring large expenditure on account of the educational concessions etc., and it would seem desirable to keep down the cost on account of further concessions to families of ex-service men.

(The scheme is to be started with 100 women to begin with. It is likely that many more would be willing to avail the concession and the cost to the Government eventually would be great)

p.1 C.F.

In the circumstances, it is for orders whether Finance may suggest that a residential scholarship at a flat-rate of Rs.10/- in

As scholarship is proposed in addition to the stipend, a sum of Rs10 seems sufficient. In any case, it need not be more than Rs15

in each case may be given so that Secondary Grade students will get ~~a stipend of~~ Rs.22/- (12+10) each per mensem and Higher Elementary Grade student ~~will get a stipend of~~ Rs.18/- (8+10) each per mensem.

3. Cost:-

E & P.H. have not furnished any estimate of the cost involved, nor have they stated how the number of candidates namely, 100 is to be distributed between Secondary and the Higher Elementary Grade Courses. They state that the cost will be worked out only after it is known how many candidates come forward for Secondary Grade Training and how many for Elementary Grade Training.

N on p. 8 above

Assuming that there would be 50 candidates in each of the two grades and that the ~~courses~~ stipends & scholarships are given for only 21 months, as suggested by the D.P.I., the total extra cost involved for 100 trainees (for 2 years) will roughly be Rs.63,000/- (or Rs.31,500/- per annum) as shown below:-

M on p.13 CF

Grade	Rate	No. of Candidates.	Period	Total: Per annum (10½ months)	Total: Ultimate	If the suggestion of Fin. is accepted: Per annum (10½ months)	If the suggestion of Fin. is accepted: Ultimate

Higher Elv.	28	50	21 months	14700	29400	9450	18900
			Total.	31500	63000	21000	42000

4. As similar expenditure on educational concessions etc., is already being incurred by the Govt., the proposal in the present case need not be treated as a 'New service'.

Wy
14.10.45
Dw

If the rates as proposed by the E.& P.H. department are to be sanctioned, the expenditure will, however, exceed the limit of Rs.25,000 per annum recurring, and the Governor General's sanction to the expenditure will be necessary under the Section 93 Situation. As the expenditure may be classified as 'arising directly out of the war', the Governor General's sanction may be presumed and the expenditure incurred, and the scheme included in the statement sent to this department monthly for obtaining the Post-facto approval of the Governor General.

Even if the suggestion of this Depart is accepted the sanction of the G.G. will be necessary as the number of candidates to be selected for training is 100 only to begin with.

that the candidates may be given a residential scholarship of Rs.20 each a month in addition to the concessions admissible to them under G.O.No.610 Education dated 20-4-45(that is, full fee remission and book allowance). There are two proposals in this file:

(i) training of young wives and widows of "soldiers" as teachers, and

(2) helping these women to complete courses for general education so as to make them fit to undergo teachers' training.

Please see Memo on p 19 cf

pp 44-45 cf

(i) above: The original idea was to open special classes for training them as teachers. The D.P.I. now reports that the proposal to open special classes has been abandoned in consultation with the C.C.L.O. Madras Area, and that eligible candidates will be trained under the general scheme for training teachers. The proposal may be accepted. The concessions proposed to be granted to the candidates while under training ~~vide the memorandum on p.19 c.f.~~ are stipends at the rate of Rs.8 or 1 a month as the case may be, exemption from payment of tuition fees, special fees and examination fees and residential scholarships of the value of Rs.10 each month. Vide Memo on page 19cf. The rates of stipends have now been raised to Rs.12 and Rs 18 respectively. Perhaps the scholarships of Rs.10/- each may be paid in addition to stipends at the increased rates.// A draft order is submitted. ~~It may be sent to Fin.Dept. for acceptance.~~
