Sir,

Sub:- Use of the Museum Theatre- Military performances- Payment of overtime fees for the attendance of Caretaker- Sanction- Requested.

26736(L)

I have the honour to state that the Government are exempting the Military Authorities from payment of electric charges and rent for the use of the Museum Theatre, under Rules 2 and 3 of the Rules Regulating the use of the Theatre; and that the Caretaker's normal attendance for such exempted days are about 8 hours (ie) three hours before the commencement of performance, three hours for duration of the performance and two hours for the parties to leave the Theatre after the performance. The military parties usually require the Theatre from early in the morning from about (07.00 hrs to 01.00 hrs) 7 a.m. upto 1 a.m. at night. The Caretaker who has ordinarily to attend three hours before the commencement of an engagement, when the military parties require earlier use of the Theatre from about 7 a.m., his attendance is required, either to attend to the Theatre twice in the day or continue in attendance for longer hours (16 to 18 hours) of duty at a stretch until the performance is over, often after midnight, at great personal inconvenience, besides the additional expense involved in getting his food, etc. from a restaurant. The military party (H.Q. 164 L of C Sub Area- Army Welfare) was informed, in view of the state of Caretaker's long and tedious hours of attendance, that the Theatre would be available only from three hours before the commencement of the performance, and that if they could agree to pay the Caretaker, his over time fees under Rule 3 (d) of the Rules Regulating the use of the Theatre, they may have earlier use of the Theatre. For which the H.Q. 164 L of C Sub Area has agreed to pay the Caretaker's overtime fees, in their letter No. 4430/5/276/A 17 dated 29th April 1946, provided Government sanction is obtained as they are exempted under Rules 2 and 3.

I have accordingly the honour to request that the Government will be pleased to accord sanction for claiming the fees for the overtime attendance of Caretaker for the number of hours required earlier than the scheduled three hours at the rate of Re. 1/- per hour as specified in Rule 3 (d), even from the parties who are exempted from payment of electric charges and rent under Rules 2 and 3 of the Rules Regulating the use of the Theatre.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent.

Cno. 267362 from Mr S. G. M., No. 964/46 of 18.5.46

Sub: Museum Theatre. Performances by military personnel. Payment of gratuity fees for the attendance of caretaker - Sanction.

The rules for regulating the use of the theatre in the Govt. Museum Buildings are put up at ①. Persons who are permitted to use the theatre should meet the actual expenses including electric and police charges;

and (a) Rent of Rs. 25/- for each performance under rules 2 and 3 of these Rules.

In addition to these charges, Rs. 1/- per hour or part of an hour is charged for the attendance of the caretaker more than three hours before the commencement of performance.

Exemption is however granted from payment of electric charges and rent ~~one~~ under Rule 2 and 3 of the Rules in respect ^{of} performances held by the Military. The S.G. M now states that the caretaker, who has ordinarily to attend three hours before the commencement of an engagement, has, in the case of performances given by military parties to attend for longer hours as these parties require the theatre from early in the morning from about 6.30 (or 7.00 am) up to 1 am. at night. ~~though under Rules 2 and 3 of the Rules,~~ to exemption is granted in respect of military performances ^{only} from payment of electric charges and rent under Rules 2 and 3 of the Rules. It seems reasonable to claim the fees of the
