The mills as they have done hitherto. The rate for waste
 paper for the period from 1-4-46 to 30-6-46 is Rs 180/-
 per ton and the S.A. have now offered Rs 5/- more per ton
 The rate offered ^{now} by private parties for waste paper is Rs 200/-
 or 4-30/- per ton.
 The S.O. has eliminated 4 private tenders
 though they have offered high prices for waste paper
 for the main reason that the waste paper will not go to
 the mills. Similar reason weighed with the S.O.s in closing
 making private tenders in connection with the contract
 for 1943-44. The number of the S.O.s is a point of interest.
 Sanyal and the Hammers will share supplies cost
 that may be incurred as like the factories have now tendered
 Please see in this connection the two newspaper articles
 in the Andhra Pradesh Mills on pp 5 & 27-28 of. The high
 rate for waste paper will affect the mills as they will
 have to purchase waste paper at still higher rates. The
 selling price of paper will also be affected thereby. The
 fact is that the requirements of paper are still at the level of
 the mills is when allotments are made by the Govt of
 paper. At the price of waste paper is kept at less than
 it may be possible for the mills to sell the finished
