No. Accts/46 Dated 21st May 1946.

Sir,

Sub:- Government Press - Publication Depot - Commission on the sales "Spring Board Madras in 1945" and other Post War Reconstruction Booklets - Accounting -

27263

The accounting procedure in respect of sales effected through agents for sale of Provincial Government Publications is to recover the cost of Publications less the agency commission. In the same way this office as agent for the sale of Government of India Publications credits to the Central Receipts the net sale proceeds, after deducting the commission which is directly credited to Provincial Stationery and Printing receipts. But the procedure laid down in G.O.No.Mis.937 Edn. dated 4-5-46 requires the commission to be recovered by a corresponding debit to "63 Extraordinary Charges". I would therefore request that Government may be pleased to have the orders in para 1 of the G.O. amended to admit of the existing procedure to be followed viz to credit the net sale proceeds i.e. Sale proceeds less commission to "LII B Civil Defence" and the commission to "XLV Stationery and Printing".
