It is not usual to supply waterproof clothing to
the ^{at} ~~person~~ of the residence of the Secy. (Such sanction exists
only for 3 persons working in officers' residences with the chief
and 5 the ^{at} ~~person~~ ^{at} the residence of Ministers). No other
Secy's residential person gets waterproof clothing. Hence
the request of Food for the supply of waterproof clothing
one of the ~~person~~ ^{at} the residence of the Secy is inadvisable.

We are still like Rip Van

to give waterproof clothing to all
Secy's heads as a first step. I move
the order & re-examine case
